EDUCATING WOMEN TO MAKE A DIFFERENCE

At Notre Dame Academy

We balance academics, athletics and arts – encouraging each student to find her talents, push her boundaries and contribute to her community. Our classes provide for each student to get the attention she needs to flourish as an individual.

As Northern Kentucky's only college prep school for girls, we believe instilling a sense of faith, service and confidence is central to preparing girls to succeed at college and at life.

Come see how we educate women to make a difference in the world.

- Tour the school with students
- Discuss curriculum with faculty and administrators
- Visit with representatives from over 35 athletic and extracurricular programs

Did you know...?

- 100% of our 2009 graduates attend college
- Over \$11,400,000 in college scholarships were awarded to our 2009 graduates
- \$535,000 of financial assistance was given to Notre Dame students for 2009 - 2010

Notre Dame Academy offers

a number of scholarship opportunities for freshmen. The Sister Mary Agnetis scholarship program offers twelve scholarships totaling over \$16,000 to students who score highest on the scholarship tests.
