L700 iPad 2 with WiFi - 16GB

This is cutting edge technology right in the palm of your hand. You can page through websites, write an e-mail, flick through photos, or watch a movie. And that's just the beginning. Reading is a pleasure on Pad 2 — just purchase and download from the Bookstore. The text looks crisp and bright and pages turn with a flick of your finger. iTunes, maps, iPod — there are more than 200,000 apps on the App Store, and iPad 2 can run almost all of them from games to productivity apps. Thin and light, it boasts up to 10 hours of battery life. You'll have more information & entertainment at your fingertips than you've ever had before. Every iPad is built with advanced wireless technology.

SS806 Granite Countertops

If the only thing you like to make for dinner lately is reservations, here's your chance to jumpstart that kitchen remodeling you've been wanting to do. With 50 square feet of custom granite (valued at \$64. per square foot), you will have your choice of color within Granite World's inventory. Also included is an Oasis stainless steel undermount kitchen sink from Granite World's inventory, valued at \$325. Granite World will remove and dispose of your current countertop and fabricate and install the new countertops with one of their standard edges. They will also mount the sink, but they do not re-connect the plumbing as they are not licensed to do so. They will also drill any holes necessary for the faucet that you provide. You can turn your 'no place' into a 'show place' by choosing the right surface for your kitchen countertops to ensure a beautiful kitchen. If you would like to upgrade to a more expensive granite, you will be responsible to pay the difference in price. You may also be able to use the 50 square feet of granite towards vanities, bars or other areas. This certificate is not redeemable for cash.
