

50 Things to Do With a Biology Degree

Health Care

- Physician (MD, DO)
- Veterinarian (DVM)
- Dentist (DDS)
- Podiatrist (DPM)

Allied Health

- Physical Therapist
- Occupational Therapist
- Speech Therapist
- Nursing (RN)
- Pharmacy (BS or PharmD)
- Massage Therapy

Health Related

- Med/Vet Technician
- Med/Vet Technician
- Bioethicist
- Clinical Lab Sciences
- Dietician
- Pharmacist's Assistant

Math/Engineering

- Bioinformatics
- Biomechanical Engineering
- Epidemiologist
- Biometrician/Statistician
- Nanotechnology
- Medical Physics

Industry

- Pharmaceutical Researcher
- Drug Testing/Quality Control
- Food Safety Expert
- Zymurgy(Beer/Winemaking)

Animal Care & Research

- Zookeeper
- Gamekeeper
- Marine Mammal Trainer
- Marine Biologist
- Fisheries & Aquaculture

Legal

- Forensic Scientist
- Biotechnology Patent Law
- Criminal Investigator
- Environmental Lawyer

Arts

- Medical Illustration
- Bio-Animation and Films
- Molecular Visualization

Environmental

- Conservation Biologist
- Forest Ranger
- Environmental Scientist
- Agricultural Scientist

Plant Biology

- Botanist
- Ethnobotanist
- Horticulture
- Landscaping

Education

- Biology Teacher (Primary or Secondary)
- Professor (2 or 4 year Institution)

Government

- National Health (FDA, CDC)
- City/Community Health Official
- Bioterrorism Expert
