To be excused absences, these days must be taken before April 30, and the proper form signed and dated by University/College personnel.

**Scheduling** The scheduling process for the following year begins in January. Juniors and their parents will be invited to attend an information meeting, and all students will meet during a long homeroom period to discuss course options. The various departments recommend students for the level (college prep, honors, AP), of a required course, and students select their electives.

**Service** Junior year is a very special year of service because students will do their service during the school day. In the spring they will spend approximately two hours on Tuesday or Thursday mornings in a school, daycare, nursing home, shelter or other agency in need of volunteer help. The students will have a great deal of input in determining their service placement.
