LETTER FROM THE PRINCIPAL ◀

Blessings friends,

As educators, the end of a school year leads us to reflect on the past nine months. We remember the good times we have had throughout the academic year and the challenges we faced. As principal of Notre Dame Academy, I am filled with gratitude for our students and all of the incredible experiences we have shared as a community this past year. The hard work and tough lessons made us better and brought us the true joy that accompanies accomplishment.

Notre Dame Academy is a place where young women come to discover their God given gifts and talents. Our students learn to develop these gifts and share them not for their own personal gain, but for the greater glory of God. They realize their potential and the possibilities that lie beyond high school. They recognize their responsibility to use their education to make a difference wherever they go. This is our mission and the spirit of Notre Dame Academy.

No one better exemplifies the spirit of NDA than our very own Dr. Laura Koehl. As president of Notre Dame Academy, Dr. Koehl defines the vision of our school. She collaborates with our stakeholders setting our direction and articulating our strategic goals. Dr. Koehl has dedicated her professional career to education - especially for young women.

This afternoon Dr. Koehl was recognized by the NKY Chamber of Commerce's Women's Initiative at the *Outstanding Women of Northern Kentucky 2019 Awards* luncheon for her commitment to education with the *Helen Carroll Champion of Education Award*. On behalf of the entire Notre Dame Academy community, I would like to congratulate Dr. Koehl and thank her for her leadership and for dedicating herself to education. She is a wonderful example to our students as an NDA graduate who is living the mission of our school and truly made and making a difference in the world.

Please note that senior exams will take place May 20-22 and exams for freshmen, sophomores and juniors will take place May 28-30. I encourage you to discuss the exam schedule with your daughter. This can be a stressful time and we encourage students to support one another and make healthy choices to reduce stress. You can find links to the exam schedules below.

In Notre Dame,

Mr. Jack VonHandorf

JETS SUCCESS AND SERVICE ◀

The JETS (Junior Engineer Technical Society) Club participated in the TEAMS Competition at the University of Cincinnati on Wednesday March 13. NDA has fourteen students on two teams, a Freshman-Sophomore Team included the following: Dinithi Fernando, Grace Heberling, Charity Kincaid, Maggie Perez, Catie Scola, Kaitlyn Warner. The Junior-Senior Team included the following: Megan Bezold, Morgan Breide, Onali Fernando, Claire James, Angela Kyntchev, Ellie O'Hara, Olivia Ossege, Haley Planicka). After meeting and preparing for months, the students of our two teams wrote and submitted a paper each. They took a large, 80-question test on the competition day. They also worked together to accomplish a design and build challenge project at the event. End the end, the Junior-Senior Team placed seventh in the state of Kentucky! The Freshman-Sophomore team placed 2nd at the event, but placed first in the state of Kentucky! Congratulations Ladies!

The JETS club also worked on completing a service project at the Notre Dame Urban Education Center. Earlier this month, Dinithi Fernando, Onali Fernando, and Olivia Ossege shared the TEAM competition design and build component of the competition with the students at the Notre Dame Urban Education Center. They had students design a rescue device to help a Panda Cub who had fallen in a hole. The students and our ladies had a great time designing their tools and trying to rescue the Panda! We have many future engineers in the works!

NDA STUDENT FILM NOMINATED FOR BEST DOCUMENTARY ◀

Our Spanish 4 Honors class recently made a documentary on immigration in our local Notre Dame Academy community. After several interviews both in Spanish and English and hours of translating and editing, our students submitted the 10 minute movie to a short film festival in New York City and here in Northern Kentucky. Our students' documentary, entitled "Something to Say" was selected as a nomination for Best Documentary and was recently played at Thomas More University. Great job to our students for their dedication to learning and educating the community on real life immigration stories! If anyone would like to see the full documentary, please contact Ms. Stacey Bill at bills@ndapandas.org.

GALA TABLE CAPTAINS NEEDED ◀

Searching for GALA TABLE CAPTAINS/dedicated parents who are willing to help fill a table of 10. The job of table captain is quite simple and costs nothing!!!

All table captains are supplied with a “how to” basket, full of essentials needed to fill their table: NDA address book, gala post cards, pens, and, if desired, stamps.

The table captain simply chooses and invites friends and family (invitees don’t have to be from NDA, all are welcome) to join them at the gala! There is NO financial obligation to pay for your table reservations! You simply secure a positive response from at least 10, get them to reserve their spot at your table and ultimately FILL that table :)

Table captain post cards/invites are completed by August/early September. Afterward, you can sit back, relax, and look forward to a fun evening with friends. It really is THAT SIMPLE...but it amounts to GREAT SUCCESS!

If interested, please contact Holly Danneman at hgdmd6@gmail.com
