

An e-Newsletter for the Families of Notre Dame Academy

LETTER FROM THE PRINCIPAL ◀

Blessings friends,

This is our final newsletter of the school year. I appreciate you taking the time to read the information that has been presented each week. Communication is a very important component of our partnership in your daughter's education.

I am grateful to our faculty, staff, students and parents for all they have done to make the 2018-19 school year such a success. I am amazed how willing you, our parents, are to help and contribute to NDA. Your generosity of time, talent and treasure is often reflected by the actions of your daughters.

I would like to congratulate our Class of 2019. As a class, they earned over \$16.8 million dollars in scholarships. An incredible 43% of them received offers of half tuition or more to the school they are attending in the fall. Our recent graduates will be attending 40 different colleges and universities in 13 different states. They have been well prepared academically and they have been empowered spiritually. I have no doubt that these young women will make a tremendous difference in the world!

I would also like to congratulate Anna Resing on receiving the 2019 NDA Distinguished Graduate Award from the Sisters of Notre Dame. This is a well deserved honor as Anna is certainly an outstanding witness to a Notre Dame Academy education.

We are once again requiring a common reading assignment for the coming school year. The book we will read is *I Choose to be Happy*, by Missy Jenkins Smith. Students are required to read this book prior to their return for the new school year in August. We will have activities and discussion groups as part of our Common Reader Day on October 9. There is a link to all other summer reading assignments below.

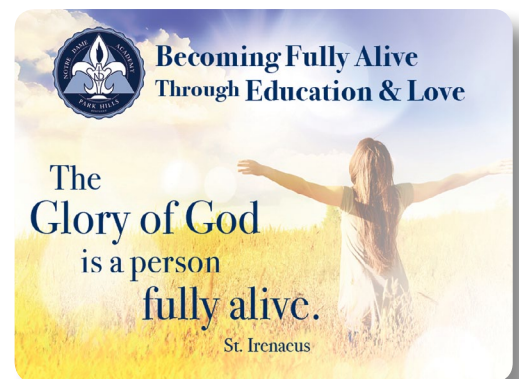

While we are all looking forward to the summer break, I am equally excited about the start of our next school year. As a community of lifelong learners rooted in the charism of the Sisters of Notre Dame, we have a strong commitment to challenging students to do their best and providing them with the tools they need to be successful. NDA has been an educational leader in innovative and best practice in the competitive environment of education for well over a century and I see that continuing with the incorporation of Panda Prime Time next school year. Please see more information about Panda Prime Time below.

A special shout out and "thank you" in advance to Sr. Paul Ann and Sr. Mary Rachel for once again organizing our annual Cleaning Day. This wonderful tradition not only helps keep our building in excellent condition, it also gives our students some ownership and responsibility in maintaining our school building which is a great life lesson.

We have had an amazing school year at NDA *Becoming Fully Alive Through Education and Love!* As we begin our summer break, we give thanks for the many ways in which God's Goodness and Provident Care have blessed our school this year. It is clear to me and I hope to each of you, that at NDA, we are part of a tradition larger than any one of us, a strong academic tradition of empowering young women to make a difference in the world. Thank you for partnering with us. I look forward to seeing our students in August and I wish you and your family a blessed and safe summer.

In Notre Dame,

Mr. Jack VonHandorf

STUDENT LIFE UPDATE ◀

2019-2020 School Year

Throughout the past two years NDA's school calendar and schedule have been adjusted to accommodate our building renovations. Now that construction has come to an end, it is time for us to take a

look at getting our calendar and schedule to a new normal for the 2019-2020 school year. Our faculty, staff and administration worked for several months on what our new normal should be.

As communicated earlier this school year, we will be implementing **Panda Prime Time** next school year. This will allow us to incorporate a flexible time period into the school day that would offer students many opportunities for enrichment, support, collaboration and personal learning. We believe that this added period will be a prime time for students to learn how to balance and organize time leading them to success in college and beyond. We will call the new 30-minute period **Panda Prime Time** and it will occur twice each week beginning next school year.

At NDA, we challenge our students to take ownership of their education. **Panda Prime Time** will provide our students with another opportunity for them to do just that. As I explained to our students earlier this year, while they may enjoy a bit more freedom during **Panda Prime Time**, they will also have more responsibility during that time period to accomplish what needs to be done.

In preparing a presentation about our new schedule and the concept of a flexible time period being added to the school day, we anticipated a large number of questions from our students. We therefore, put together a short video explaining what **Panda Prime Time** is how it will be incorporated into next year's daily schedule. If you have questions about Panda Prime Time, you can watch the video here: [PANDA PRIME TIME](#). If you have any further questions not answered in the video, feel free to contact me or Assistant Principal Amber Grayson.

We hope you see the tremendous value in **Panda Prime Time** and encourage you to talk to your daughter about this innovative concept. We truly believe that it will provide time for students to address academic, emotional and physical needs through a multitude of opportunities.

SUMMER READING ◀

Don't forget about your summer reading assignments!

Our Common Reader for the 2019-20 school year is *I Choose to be Happy*, by Missy Jenkins Smith. It is a very uplifting book even as it tackles the difficult topic of school shootings. The book was written for a teenage audience and includes many stories about the author's life since the shooting as they relate to the principles of listening, empathy, forgiveness, laughter, optimism and kindness.

We are very excited to announce that Missy Jenkins Smith will join us for our Common Reader Day on October 9 along with her co-author, William Croyle.

Other summer reading assignments can be found on our website [HERE](#).

MESSAGE FROM THE ATHLETIC DIRECTOR ◀

Dear Parents,

The Notre Dame Academy athletic department is excited to announce some updates for the upcoming school year, particularly regarding your daughter's KHSAA physicals and how they should be submitted. First, the athletic department will be partnering with an online program called FinalForms, which will enable you and your student athlete to complete and file MOST athletic forms electronically. A hard copy of the St. Elizabeth Trainer Authorization form will be turned in.

With FinalForms you will be able to submit /upload athletic forms online, in particular, the KHSAA physical. FinalForms is a secure site and is utilized by most athletic departments in Cincinnati and throughout Ohio. We believe this will be a great tool for our parents, trainers, coaches and overall athletic department to manage all the athletic forms such as the KHSAA physicals. We are asking that all parents of NDA athletes use FinalForms.

The instructions to sign up for FinalForms will be sent out in the next few weeks. FinalForms will be available beginning June 21, 2019.

Next, please see the attached flyer regarding physicals being offered by OrthoCincy on June 15 at their Edgewood location at no charge. Please note a sports physical does not replace your annual visit to your primary care physician.

Note: if you start planning your athlete's physical and complete it between May 1 and July 10 it will be good for the entire school year and for all sports seasons.

Please let me know if you have any questions. Have a great summer!

Go Pandas!
