Meet NDA's New Principal, Mr. Jack VonHandorf

From the President

Greetings Alumnae, Parents and Friends of Notre Dame Academy,

Celebrating Sisterhood - Our 2014–15 school year was, in so many ways, a true celebration of sisterhood at NDA. This summer issue of the Notre Damian highlights many parts of that story, celebrating students, alumnae, faculty, and friends of NDA.

The class of 2015 is an outstanding example of the success of our school year and an ongoing expression of our mission to educate young women to make a difference in our world. With over \$14 million in scholarship offers, these young women have excelled in academics, athletics, the arts and service. As our newest Alumnae, pursuing opportunities at 32 different colleges in 13 different states, they are poised to welcome the many challenges and opportunities that await them. Most importantly, they begin the next phase of their journey with a sense of confidence, courage and hope.

This year I have had the opportunity to connect with many other Alumnae who are women making a difference in their own way. I have also met many NDA supporters who make an excellent Catholic education a reality at our school through the time, talent and treasure they so generously give. Our spiritual mother, St. Julie Billiart, invites us to have “hearts as wide as the world.” This call to open our hearts to the world begins and ends with a deep sense of gratitude for all those who support our Notre Dame education.

While we give thanks for the past and celebrate the present, we must also anticipate and plan for the future. We challenge ourselves to continuous improvement through our Strategic Plan: *Building Confidence, Celebrating Excellence, and Enabling a Future without Boundaries*. This plan includes facility enhancements that reinforce our Catholic identity, support our commitment to innovation in student learning, provide for a spirited and vibrant community and offer accessibility for all who learn, teach and visit at NDA. Please watch for more details as the plan develops.

As I complete my fifth year as principal and first year as president, I’m excited to welcome our first male principal, Mr. Jack VonHandorf, to our leadership team. Mr. VonHandorf brings a wealth of experience as a teacher and educational leader. He has personally experienced the charism of the Sisters of Notre Dame through many family members who are NDA Alumnae. (Please see more about Mr. VonHandorf on page 6.) I am confident that we will work well together, along with our dedicated faculty and staff, to ensure the tradition and legacy of our Notre Dame education and lead our school in preparing young women to be courageous and faithful leaders serving our world.

I hope you enjoy reading about the many women of NDA and all those who support them.

May you know God’s goodness each day,

Dr. Laura Dickman Koehl '75

NDA Welcomes New Principal

The start of the school year this fall marks a major milestone for the Notre Dame Academy community. For the first time in its 109-year history, students will address their new principal as "Mister."

In mid-April, Notre Dame Academy President Dr. Laura Koehl announced that NDA had selected its next Principal. After an extensive search process that included several well-qualified candidates, Mr. Jack VonHandorf was named principal of Notre Dame Academy. He began serving in his new position on July 1, 2015.

Mr. VonHandorf is uniquely qualified to be the next Principal of NDA. He has 27 years of experience in education as a high school teacher and administrator. Mr. VonHandorf has demonstrated a strong commitment to Catholic education as a successful math teacher, Dean of Students, and in his most recent role as the interim Upper School Director at Summit Country Day School in Cincinnati. He also has experience in athletics as a coach and collegiate Assistant Athletic Director. Mr. VonHandorf is a graduate of NKU with a B.S. in Mathematics and M.A. in Education.

Mr. VonHandorf has a personal connection to and appreciation for the heritage and charism of the Sisters of Notre Dame. "I feel honored to be in this role knowing the positive impact it has had in shaping the lives of generations of women in my family. My mom, my sisters, my wife and daughter

are all graduates of Notre Dame Academy, and they attribute much of their success to their experiences at NDA," says Mr. VonHandorf. Through his work at Summit, Mr. VonHandorf has developed knowledge of St. Julie Billiard's spirituality and the value of a Notre Dame education. His own educational experience includes two schools within the Diocese of Covington: St. Augustine and Covington Catholic. His educational philosophy and approach to leadership are formed by this experience and consistent with the SND tradition.

Dr. Koehl, NDA's first lay Principal and now first lay President, served as both Principal and President for NDA during the 2014-15 school year. She is very pleased to welcome Mr. VonHandorf to the administrative leadership team at NDA. "The President/Principal leadership model has served NDA well, and I look forward to working with Mr. VonHandorf to advance the mission of Notre Dame Academy and work towards continuous school improvement and success," said Dr. Koehl. She added, "I trust our NDA community will find him a very capable educator and trustworthy leader who will work effectively with all stakeholders to make sure NDA continues its tradition of excellence in SND education."

Mr. VonHandorf is married to Terri Meyer VonHandorf '88. They have two children, Drew and Kylie.

Welcome to NDA, Mr. VonHandorf!

10 NDA STUDENTS SELECTED FOR KY GOVERNOR'S SCHOOL PROGRAMS

The Kentucky Governor's Scholars Program (GSP) recently announced that seven Notre Dame Academy students have been named Governor's Scholars for 2015 with one as an alternate. They are pictured above: Lily Thaman, Madeline Wermeling, Kelsey Sucher, Kirsten Richards, Mariah Bezold, Emily Walter, Carly Gross (alternate), Courtney Blank.

Additionally, the Kentucky Center Governor's School for the Arts (GSA) announced that two students from NDA, Lauren Darpel and Rikki Buchberger, have been accepted into the Kentucky Governor's School for the Arts 2015 program with five as alternates. Below, left: Courtney Ziegelmeier, Lauren Darpel, Kaylan Frisch, Rikki Buchberger, Andria Burden, Amanda Sauer, Julia James.

Notre Dame Academy junior Kelly Schmahl (right) has been selected to participate in the 2015 Governor's School for Entrepreneurs. Audrey Field and Kimmy Birrer (below, right) were selected as alternates.

NDA's MAY CROWING TRADITION

On Friday, May 1, the NDA community gathered to honor Mary by crowning her their Queen. As is the NDA tradition, the honor of Crowning Mary went to a senior.

All seniors were invited to submit a reflection about Mary and how they have viewed her as a role model. This year the honor of crowning Mary went to Shannon Wilson. Brittany White carried Mary's crown in the procession.

Samantha Darpel, Rosemary Plunkett, Abigail Kennedy, and Hailee Scheper made up the honor guard. All six of these young ladies showed great devotion and appreciation for our Blessed Mother in their reflections.

CLASS OF 2015 HONORED AT ACADEMIC SIGNING

On Wednesday, May 13, Notre Dame Academy held an Academic Signing in honor of the Class of 2015 for their outstanding academic achievements. NDA's Class of 2015 earned over \$14 million in scholarship offers. Over 50 seniors (39% of the class) received at least half the cost of tuition through scholarships and grants at the institutions they plan to attend. This is a true testimony to the education and preparation young women receive at NDA!

CELEBRATING SISTERHOOD

NDA students participated in the Orange and White Flag Football Game this year with St. Ursula. Together the NDA and St. Ursula communities raised \$4,705.50 for Leukemia research at Cincinnati Children's Hospital. Not only did the NDA Pandas raise money for a great cause, but more importantly, they joined their sisters across the river to remember Natalie Bradley, an Ursulan student who lost her battle to Leukemia. The St. Ursula Bulldogs may have won the game but the NDA Pandas certainly took the prize for school spirit! Next year, NDA will host the event.

NATIONAL HISTORY DAY WINNERS

NDA had two winners at the National History Day state contest held at the University of Kentucky this spring. Both groups won first place and qualified to compete at the national contest at the University of Maryland this summer.

1st place senior group documentary on Benazir Bhutto: Harper Lamb, Paige Montfort, Brooke Schulte, and Julia James.

1st place senior group performance on Princess Diana: Lauren Reinersman, Bridget Plunkett, Alecia Radford, and Liz Urban.

TOP HONORS for CLASS OF 2015

Each year at NDA's Senior Breakfast, a graduate is awarded the Distinguished Graduate Award from the Sisters of Notre Dame. This year, two NDA seniors were recognized with this special award. Shannon Wilson and Paige Hignite both received the Distinguished Graduate Award from the Sisters of Notre Dame.

The Sisters of Notre Dame Distinguished Graduate Award recognizes graduates in schools sponsored by or affiliated with the Sisters of Notre Dame National Education Partnership, as being outstanding witnesses to Notre Dame education.

The names of the award recipients are recorded each year in a book kept in the Motherhouse (international headquarters) of the Sisters in Rome, Italy. Its place is on the altar dedicated to Sr. Maria Aloysia, the founder of the Coesfeld SNDs and an outstanding educator.

Ellen Kendall

Hannah Ziegelmeyer

Congratulations to Ellen Kendall and Hannah Ziegelmeyer. Ellen was named valedictorian of the Class of 2015 and Hannah was named salutatorian.

2015 Spring Sports Update

The spring sports awards program was held on June 1, bringing the season to an end for the teams of tennis, lacrosse, bass fishing, track and field, and softball. Congratulations to all of our Panda spring athletes on a great season!

The tennis team enjoyed a 20th consecutive regional title this season and made an impressive run at the state tournament to finish as 2015 KHSAA State-Runner up. Francie Case won the region in singles. Abby Kennedy and Maryann Meadows won the region in doubles and were awarded all-state honors for their performance this season.

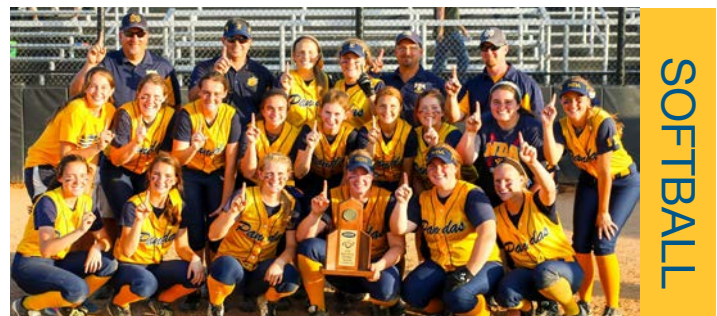

For the first time in program history the NDA Lacrosse Pandas went to the state tournament where they were the only team outside the greater Louisville area to make the field of eight. Abby Sammons and Christina Kennedy represented NDA well and were all state players this season.

The Bass Fishing team also made NDA history with two boats that each weighed in a limit of five fish in a tournament. The bass fishing team also set school records for number of anglers catching a fish in a season at nine and number of fish caught in a season at twenty. Grace Harmeling caught the biggest bass of the season!

With multiple runners at the state tournament, the track team saw strong finishes from Natalie Kleier, Carly Wolnitzek, and Erica Nageleisen. Nine runners finished with top five regional finishes in different track and field events to show off a balanced team.

The softball team won their second regional title in three years with a thrilling 5-4 victory over Highlands in the regional final. Haylee Smith capped off a great career by being named ninth region tournament MVP.

WORLD CHAMPION NDA ALUMNA MAKES SWIMMING HISTORY

NDA's Emily Brunemann '05 is having an exciting summer along with her husband, Michael Klueh. They made history as the first married couple qualifying to represent Team USA at the same international meet. The two will actually be USA teammates in two different international meets this summer, the 2015 FINA World Championships in Kazan, Russia, and the 2015 Pan American Games in Toronto, Canada.

Emily is a professional swimmer, currently training with hopes of making the 2016 Olympic Team in the 10k. She graduated with a B.A. in Psychology from the University of Michigan in 2010 and is currently working on her Master's Degree in Social Work, with a concentration in interpersonal practice and mental health. Emily is interning in the University of Michigan Athletic Department counseling services and helping with the Athletes Connected program. She is a former team captain, NCAA champion, 2013 Open Water World Cup Circuit Champion, and a member of the US National Team since 2007.

In addition to her hectic school and swimming career, Emily found time to marry American Record Holder Michael Klueh last September. The power couple train together with the Club Wolverine swim team. Located in Ann Arbor, Michigan, it's one of the top clubs in the US.

This summer will be very busy for both Emily and her husband. She was named to the 2015-2016 USA Swimming National Team for the 10K open water race. She will be competing in the Pan American Games in Toronto Canada in July swimming the 10k Open Water Event at Pan American Games on July 11 at the Ontario Place West Channel in Lake Ontario. She will then fly from Toronto to the World Championships in Kazan, Russia, in August to compete in the 25K Open Water event. Emily placed 4th at the USA Open Water National Championships in April.

Good luck, Emily and Michael. Go USA !

The event is a wonderful opportunity to get out on the links while benefitting NDA's Athletic Program. For more information about the outing, including sponsorship opportunities, call Myanna Webster at 859-292-1892.

Annual
Appeal

Thank you
for your generosity!

A very special thank you to all of the alumnae, parents, and friends of NDA who generously contributed to the 2015 Annual Appeal and helped us reach our goal. These donors are a blessing to the NDA community. Their gifts will go a long way in continuing our mission to provide an education that instills in young women: not only knowledge, but also spiritual and moral values that will prepare them for a life of success, community service and personal fulfillment.

Thank you for making a difference in the lives of our students!

SAVE THE DATE for NDA'S FLAVORFUL FALL FUNDRAISER

Mark your calendars - NDA's largest fundraiser, The Autumn Gala, is **Saturday, September 26, 2015**, at NDA. Join friends, family and alumnae for a night of food and fun while supporting the mission of NDA. This year there's a tasty twist! The evening will include live and silent auctions, entertaining games, beer and wine samplings, and A Taste of NDA, a celebration of culinary delights from some of the area's favorite chefs and eateries. Whether your taste buds prefer sweet or savory, you are sure to enjoy this appetizing evening for a great cause.

The event is being chaired by Leanne Kirn, JoAnn Rigney '93, and Erin Yung. These ladies are already hard at work planning a very special evening, and they could use your help. To lend a hand, please contact Leanne Kirn at 859.261-4300, kirnl@ndapandas.org.

We still have a couple of open spots for food vendors. If you are interested in participating, please contact Jan Gilliam at 859.292.1850, gilliamj@ndapandas.org.

Many sponsorship opportunities are available to support NDA and the September 26 event. The Autumn Gala revenue supports NDA's efforts to keep tuition as affordable as possible. Contact Leanne Kirn at 859.261.4300, kirnl@ndapandas.org to find out more about becoming an event sponsor for The Autumn Gala, A Taste of NDA.

Advancement

Dear Friends of Notre Dame,

Three years ago I decided to leave my nine-year position as Notre Dame Development Director and set sail for a life of relaxation. While the time off certainly afforded me the opportunity to travel and spend more time with my family, in the quiet times I quickly discovered that I was not very good at “leisure.” I don’t know how to quilt, my homemade jams are not prize-worthy, and one can only read so many books. I discovered that I needed more, so when the position of Major Gifts Coordinator became available, I decided that I was ready to get back in the game and accept the challenge. Needless to say, I am very happy to be back at Notre Dame Academy.

Over the past three years, some faces have come and gone. Although the Sisters of Notre Dame continue to sponsor Notre Dame Academy, the leadership of the school has now been entrusted to a lay person, Dr. Laura Koehl. It has also hired its first male principal, Mr. Jack VonHandorf. It is an honor to work with such capable individuals who will lead NDA into its bright future.

While my title has changed, so many of my responsibilities remain the same. I will be working closely to cultivate relationships with our alumnae, parents, and supporters of NDA. It will be my responsibility to oversee the Corporate Sponsorship program and to increase the number of scholarships which will provide more need-based tuition assistance and additional revenue. I will also work closely with Dr. Koehl to secure capital funding for facilities that will allow Notre Dame Academy to remain competitive and innovative in the 21st century.

As I continue to settle into my new role, I have had the wonderful opportunity to rekindle so many of my past relationships with our alumnae and friends of Notre Dame. I am excited and look forward to meeting and cultivating many new ones in the days and months ahead. I can’t promise you a pint of jam, but you will get a sincere hello and help where I can. My door is always open.

Sincerely,

A handwritten signature in black ink that reads "Nancy Goeke". The signature is fluid and cursive.

Nancy Goeke
Major Gifts Coordinator

SCHOLARSHIPS PROVIDE LASTING LEGACIES

Would you like to create a meaningful legacy for your family or loved one? Establishing a perpetually named scholarship at Notre Dame is a wonderful way to honor an individual or group, while at the same time providing essential student tuition assistance to deserving students who will benefit from your generosity and commitment to educating women to make a difference.

Scholarships may be created at the \$10,000 level or greater. The funds are kept in the Notre Dame Endowment Fund and are invested in a variety of ways, including stocks and bonds to generate income. **Each year, five per cent of the money invested is awarded in the form of NDA scholarships and grants, or is applied to programming needs as determined by the establishing party of each scholarship.**

When you decide to create a perpetually named scholarship at NDA, you make the decision regarding the profile of the student(s) who become your recipients. Would you like your recipient to excel in a particular subject area? Should they demonstrate a sincere financial need or come from an inner city school? The decision is yours.

Your generosity will allow Notre Dame Academy the freedom to provide more need-based tuition assistance and additional revenue which will serve as an effective counterbalance against spiraling tuition increases. It will enable NDA to continue its investment in a highly trained and skilled faculty, the backbone of the NDA program.

This year, through the generosity of its benefactors, Notre Dame Academy was able to distribute over \$750,000 in much-needed tuition assistance. However, the needs are escalating, and your generosity is needed more than ever.

For further information regarding the establishment of scholarships and endowments, please contact NDA Major Gifts Coordinator, Nancy Goeke, at 859.292.1851 or goeken@ndapandas.org.

Would You Like to Become a Corporate Sponsor?

The Notre Dame Academy Corporate Sponsorship program continues to provide successful partnerships between NDA and the local community. As a corporate partner with us, you'll have the opportunity to showcase your product and gain exposure to local consumers. As a partner, you will gain advertising opportunities to those who directly impact your business. Furthermore, you will experience important business and networking opportunities with other professionals like yourself.

The Corporate Sponsorship program offers four different sponsorship levels: **Diamond, Platinum, Gold, and Silver**. The cost for each sponsorship varies and provides attendance, advertising incentives, and other benefits for the annual Women Making A Difference Luncheon, the NDA Golf Outing, and the Autumn Gala. The program allows sponsors the benefit of supporting NDA on a year-round basis.

A Corporate Sponsorship also offers the opportunity to invest in the lives of young women and future leaders in our community. A sponsorship with Notre Dame Academy sends a message that the sponsor's brand is strongly aligned with our mission to educate young women to make a difference in the world. We appreciate the opportunity to work with you as you invest in the lives of young women and future leaders in our community.

To request a brochure or to get further information about becoming a corporate sponsor for Notre Dame, please contact Nancy Goeke, Major Gifts Coordinator, at goeken@ndapandas.org or 859.292.1851. NDA's Tree Campaign

*Rooted in the Celebration of Loved Ones and
Beautifying Campus*

Planting a memorial tree is a meaningful way to honor someone or something, commemorate an event, or mark a milestone. Every tree planted at NDA will become a living legacy, a gift that will live on in a unique way.

Through the Notre Dame Academy Tree Campaign, NDA is undergoing a reforestation. We are planting trees of all shapes and sizes to enrich our campus and celebrate loved ones within the NDA community. A personalized tree marker will be placed beneath each tree donated through the campaign to memorialize or pay tribute to a donor's designation.

If you are interested in purchasing a tree in memory or honor of a loved one, please contact the NDA Advancement Office at 859.292.7729 or fill out the order form on page 25. The form lists the several types of trees from which to choose.
