 The NDA community celebrates the consecration of the new Mary, Mother of the World Chapel.

### Greetings Alumnae, Parents, and Friends of Notre Dame Academy,

Seek only the greater glory of the good God in everything you have to do.  
 -St. Julie Billiard

The SND's embrace St. Julie Billiard's spirituality as central to their charism and call to service. For that reason her words - often simple and to the point- provide great inspiration for us at NDA and we love to quote her! As we celebrate the many accomplishments of our community, I can't think of a better way to introduce this edition of the Notre Damian to you.

You will see many stories of success and accomplishment for our students and alumnae in the pages that follow. These include our 2019 Women Making a Difference honorees, the newest Athletic Hall of Fame inductees, our state champion Mock Trial team, Scholastic Writing award winners, outstanding science research students, successful athletic teams and the newest members of our community - the Class of 2023 scholarship recipients. In each of these stories we see the women of NDA seeking the greater glory of our good God in all they do.

Most notable is an accomplishment attributed to our entire NDA family - students, parents, faculty, staff, donors and friends. That event was the blessing of our new Mary, Mother of the World Chapel on March 30! This was indeed a labor of love for many and this new sacred space certainly brings glory to our good God today and for generations to come. It is a space where we honor the Marian devotion of the Sisters of Notre Dame in artwork, stained glass, furnishings and our daily rosary prayer. In our new chapel we see a blending of tradition and history with the newly created. For example our altar is a brand new handmade base of solid oak topped with the beautiful green marble from the original chapel altar. The 11 ft Coesfeld Cross, a forked cross formed as a tree of life, originated in Westphalia and was the cross found in St. Lambert's Church of Coesfeld Germany where the SND order was founded. Our founders took inspiration from this cross in their commitment to alleviating suffering by bringing God's goodness and glory to our world.

Just as this rich heritage is at the heart of who we are at NDA, the new Mary, Mother of the World Chapel is the heart of our school community. Our 2018-19 school theme of transformation through education and love calls us to seek God's greater glory every day. That theme originates from our founders' educational principles and like our chapel, is made new again in the work we do as a school community. We see that theme come to life in the many gifts we have been given and how those gifts are shared with one another.

I hope you will join me in prayers of gratitude for the many gifts of NDA that are celebrated in the pages that follow. I also hope that if you have not been to NDA recently you will stop by to see us, explore the new spaces we have created and celebrate the rich heritage you will find in our school. Thank you for all you do to bring the greater glory of our good God to NDA every day.

May you know God's goodness and provident care during the Easter Season and always.

# Women Making A Difference

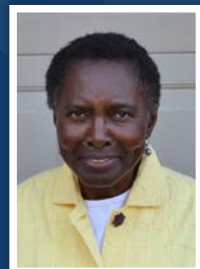

## Luncheon Inspires Attendees

Notre Dame Academy women continue to make a difference to their families, their communities, and the world in which they live. This fact was clearly brought to light once again as **Rosa Hollis-Bird '62, Karen Bieger Finan '77, Julie Prewitt Schneider '84, and Julie Mullen Bruns '87** were honored at the eighteenth annual *Women Making a Difference* luncheon. Over four hundred alumnae, community and business leaders, family, and friends gathered on March 7 at the Northern Kentucky Convention Center to pay tribute to these Notre Dame Academy graduates for their significant contributions and achievements.

Bishop Roger J. Foys, Bishop of Covington, began the luncheon with a prayer. Nancy Goeke, Director of Major Gifts and Events, recognized the Diamond and Platinum Corporate Sponsors, and Denise Bowman, Development Director, introduced the *Women Making a Difference* Service Grant. Kelly Kleier '11, recipient of the first *Women Making a Difference* Service Grant, explained how the grant was used to help with programming at the DCCH Center for Children and Families in Fort Mitchell. Dr. Laura Koehl and Mr. Jack VonHandorf then introduced each of the four WMAD award honorees.

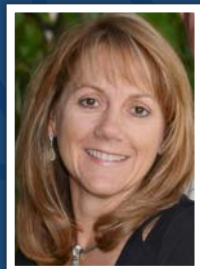

Attendees at the luncheon came away with the renewed conviction that a Notre Dame education provides a strong ethic of service and dedication to others. The recipients consistently credited their dedication to serve to the education they received from the Sisters of Notre Dame and Notre Dame Academy.

## NDA Offers Scholarships to Future Pandas

Notre Dame Academy offered \$48,500 in academic scholarships to 24 incoming freshmen for the fall of 2019 at NDA's High School Placement Test Results Meeting. Representing 8 local grade schools, these talented students earned the scholarships based on their outstanding performance on the High School Placement Test (HSPT) in December 2018.

Due to the generosity of the Sisters of Notre Dame and other benefactors, Notre Dame Academy awards several academic scholarships to the top performers on the HSPT each year. The scholarships range from \$500-\$2500. This year, NDA offered 11 renewable Academic Excellence Scholarships to students who scored in the 99, 98, and 97 percentile, and 24 benefactor scholarships based on academic performance.

Notre Dame Academy congratulates the following future Pandas from the Class of 2023 who accepted academic scholarships for the 2019-20 school year:

## Women Making a Difference Service Grant

The Women Making a Difference Service Grant was created in 2018 to further the mission of Notre Dame Academy: educating women to make a difference in the world. The purpose of this grant is to enable each NDA alumna recipient to continue the ethic of service as she actively engages in seeding and developing an innovative outreach project that addresses an imminent societal need. As such, the project should also stimulate the personal growth of the recipient, whose involvement goes beyond a leadership role.

To apply for the Women Making a Difference Service Grant, please visit <https://www.ndapandas.org/alumnae/alumnae-grants.aspx>. The deadline for applications to be received is May 15, 2019.

## Blessings Alumnae, Families, and Friends of NDA!

Happy Easter! At Notre Dame Academy, we continue to celebrate this important season which represents the fulfillment of God's promises to mankind bringing us joy and faith renewed. I hope you have time during this Easter season to reflect, think and pray about the good news of the resurrection.

As we approach the end of our academic year, our students and faculty are working hard to achieve all that they set out to accomplish this school year. In the next few pages you can read about some of our students' most recent accomplishments. I am constantly amazed by the young women we educate at NDA. They are focused and diligent in their studies. They are committed to their extracurricular activities. They are compassionate and kind toward one another and they are dedicated to serving others in the community.

While we celebrate the achievements of our students, our objectives at NDA go beyond personal accomplishments. At Notre Dame Academy, our goal is to graduate young women who aspire to seek excellence and make a difference in the world, not for themselves, but for the greater good of all. We strive to develop young women who have learned the value of living lives of purpose, using their God-given gifts to be servant leaders for the world. It is a privilege to be part of this community embedded in the tradition of the Sisters of Notre Dame!

I am grateful to you, our alumnae, families and friends of NDA, who partner with us in the important work of educating the young women of Notre Dame Academy to make a difference in the world. I thank you for your continued support and commitment to Catholic education. Please remember my prayers are with you during this holy season of Easter. May the peace and joy of the resurrection fill your heart.

In Notre Dame,

Jack VonHandorf

## Campus Notes

## Mock Trial Team Makes History

On Sunday, March 4, Notre Dame Academy's Mock Trial A Team captured the 2019 state title making Kentucky Mock Trial history as the first all-girl team to win the State Championship. After placing first in the region, NDA's Mock Trial A Team moved on to the state competition where they defeated the defending state champions, Dixie Heights High School, and earned a trip to Nationals in Athens, Georgia in May. NDA's Mock Trial B Team also competed at the state level placing ninth.

When approached by students in the fall of 2015, faculty member and alumna Hillary Johnson '05, helped form NDA's first Mock Trial team as an extracurricular club. NDA alum and current practicing attorney, Katelyn (Conner) Mollet '08 answered the call to coach the team. Under Mollet's coaching and direction, that club has since evolved into a half-credit Law and Justice class introducing students to the legal system of the United States. While the class is moderated by Ms. Johnson, Mollett and her assistant coaches, Amy Hebbeler '09 and Emily (Cooney) Couch '10, both NDA alumnae and practicing attorneys, help prepare the students for Mock Trial competitions. They also explore with students the study of the basic social contracts of society enabling students to understand democratic values of justice, equality under the rule of law, responsibility, freedom, human rights, equity and human dignity.

"This class teaches our students to think on their feet," says Ms. Johnson. She adds, "Mock Trial students invest a tremendous amount of time into their case preparation. In doing so, they gain valuable critical thinking skills that they can then apply to all of their classes."

"In its short 4-year program existence, NDA's Mock Trial class has made extraordinary strides," says NDA Principal Mr. Jack VonHandorf. "I am impressed with the poise and professionalism of our students especially in the heat and intensity of Mock Trial competition. Our NDA community is very proud of their success and wishes them well at Nationals."

## SCHOLASTIC WRITING AWARDS

Congratulations to NDA's very talented young writers who recently received 10 Gold Keys, 31 Silver Keys, and 45 Honorable Mentions for a total of 86 writing awards in the Scholastic Art and Writing Competition. All gold key winners moved on to the national competition. At the national level, three NDA students qualified as winners: Clara Dusing: Gold Medal - Poetry, Olivia Ossege: Gold Medal - Personal Essay/Memoir, and Bella Smith: Gold Medal - Poetry. These students will now have the opportunity to attend an awards ceremony in June in New York City to receive their awards.

Additional awards to note: Olivia Ossege was recognized as an American Voices nominee for one of her Gold Key pieces. American Voices nominees are "Best in Show" awards that most exemplify originality, technical skill, and the emergence of a personal voice or vision. Kate Williams received a Gold Key for her writing portfolio - a collection of several pieces of writing.

Congratulations also to our NDA English teachers represented: Michael Byrd, David Jackson, Gurrie Frisbie, Lauren Garrett and Amanda Schultz.

"We are blessed with a strong tradition of excellence in our English Department," said NDA Principal Mr. VonHandorf. "I congratulate our students and our faculty on their diligence and dedication to their work."

## Making a Difference with Green Dot Bystander Intervention Training

Over the past two years, Notre Dame Academy students faculty and staff have been trained to be proactive bystanders through Green Dot Bystander Intervention training.

Recently, 32 students learned and practiced actionable solutions they can use in the potentially harmful situations of bullying, dating violence and sexual assault. There was much enthusiasm and great discussion as students learned and practiced ways to keep everyone around them safe through use of the three "D" interventions: Direct, Delegate, and Distract.

Green Dot is a nationally recognized bystander strategy focused on preventing violence in all its forms. The strategy is based on the belief that each of us holds power as bystanders to actively prevent violence, and to shape our community's norms. The program teaches students that, "No one has to do everything, but everyone has to do something."

# 2019 Winter Sports Update

The winter sports awards program was held on March 12, bringing the season to an end for the teams of archery, basketball, bowling, swimming and diving. Congratulations to all of our Panda winter athletes on a great season!

ARCHERY

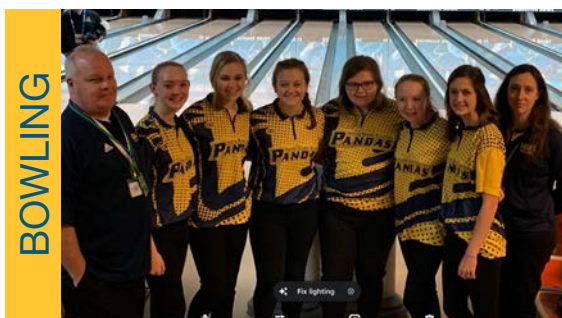

NDA finished 42 out of 107 High Schools attending the NASP State Meet. The Team Score was 3292, only 16 points off the season's best of 3308. Only four other high schools in the region finished ahead of NDA. Madilyn Adamchik was the Outstanding NDA archer at the State Meet with a team high and season best score of 287.

Mary Frisk and Dani Shoemake both had season bests at the State meet, Gracie Seimer scored a personal best 280, joining the 280 Club and Senior Jenna Wigger matched her 10 meter only score of 283. Archery had 10 top 10 place finishes this year, 8 of those being in the top 5.

The basketball program compiled a total of 56 wins and 20 losses. The Freshman team won the NKY Freshman Regional Championship and finished the season undefeated with 18 wins. The Junior Varsity (18-7) advanced to the NKY Junior Varsity Regional Championship game but fell just short in a hard fought game against Highlands. The Varsity won 20 games and advanced to the 9th Region Tournament Semi-finals after winning the 35th District Championship. Danielle Rennekamp, the lone Senior, led the team in scoring with 14 points per game and was named to the NKY Coaches Association All-Division Team.

BASKETBALL

BOWLING

The 6 member bowling team had a great season finishing 9th at state and 2nd at Region. Annabele Wilson and Morgan Briede were two of the top ten bowlers in the 6th region which landed them on the 6th region All-Star team.

The Aqua Pandas wrapped up the 2018-2019 season at the KHSAA State Meet in February. Senior Allie Piccirillo led the team with two fourth place finishes in the 200 IM and 500 Free. Piccirillo was named to the Second Team All State. The team placed 9th overall. # Mary Mother of the World CHAPEL

The Notre Dame Academy community welcomed Most Reverend Roger J. Foys, Bishop of Covington, to bless and dedicate the school's newly renovated and expanded *Mary, Mother of the World Chapel* on Saturday, March 30. Many of the Sisters of Notre Dame, faculty, staff, students, alumnae and generous benefactors attended this historical celebration.

NDA President Dr. Laura Koehl began the ceremony by presenting a set of architectural plans, a key to the new space and a small rendition of the Coesfeld Cross to Bishop Foys. "These items represent the completion of our newly built *Mary, Mother of the World Chapel*," said Dr. Koehl. She added, "This chapel will provide a sacred space for the students, faculty and staff of NDA to pray, reflect and bring glory to our good and provident God. It is also a special place in which we honor the Sisters of Notre Dame's devotion to our Blessed Mother Mary." The dedication of the chapel and consecration of the altar are the culmination of NDA's *Excellence Without Boundaries* Capital Campaign.

At the ceremony, Bishop Foys compared the dedication of the chapel to the rite of baptism. Just as the baptized are sprinkled with holy water and anointed with chrism, so were the walls and the altar of the chapel. The altar was also clothed with a white cloth and candles were lit similar to the rite of baptism.

Near the close of the chapel dedication, Sister Mary Ethel Parrott, SND, Provincial of the Sisters of Notre Dame Covington Province and longtime NDA faculty member, addressed those in attendance with a personal reflection. Sisters Mary Ethel said, "We experienced today and we will continue to experience that Christ is truly present here as we gather in this sacred and beautiful place." Sister Mary Ethel added, "As we stand firm on our Gospel call, Christ will be present as we go forth from this place announcing the Gospel, each of us making a difference in our world."

With its Catholic identity at the heart of a Notre Dame Academy education, the new chapel is a very important space for the school. It is a consecrated place where students can develop a deeper relationship with God and share in prayer services and Masses with one another celebrating their Catholic faith. There is a reflection room in the back of the chapel where the young women of NDA can come to be with the Lord and contemplate life. Here they will be inspired by Mary's devotion to God our Father and feel the calm and understanding love of their heavenly mother.

Notre Dame Academy appreciates the contributions of its many benefactors who gave richly of their time, talent and treasure to make its new *Mary, Mother of the World Chapel* a reality for NDA.

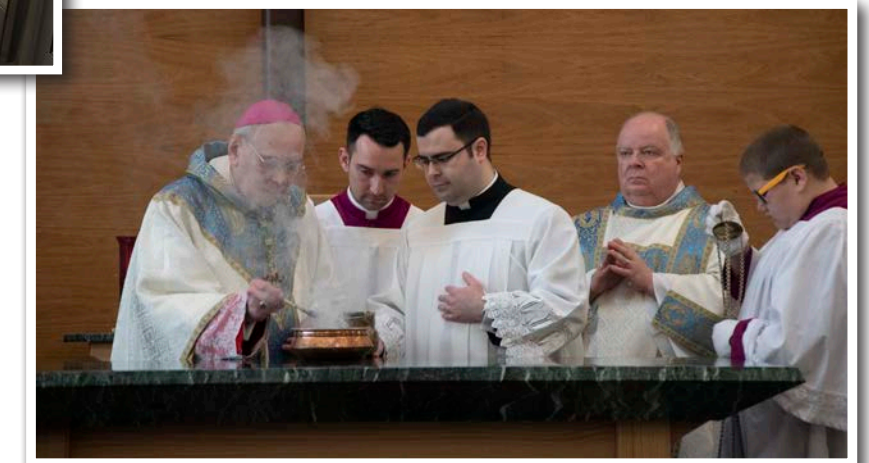

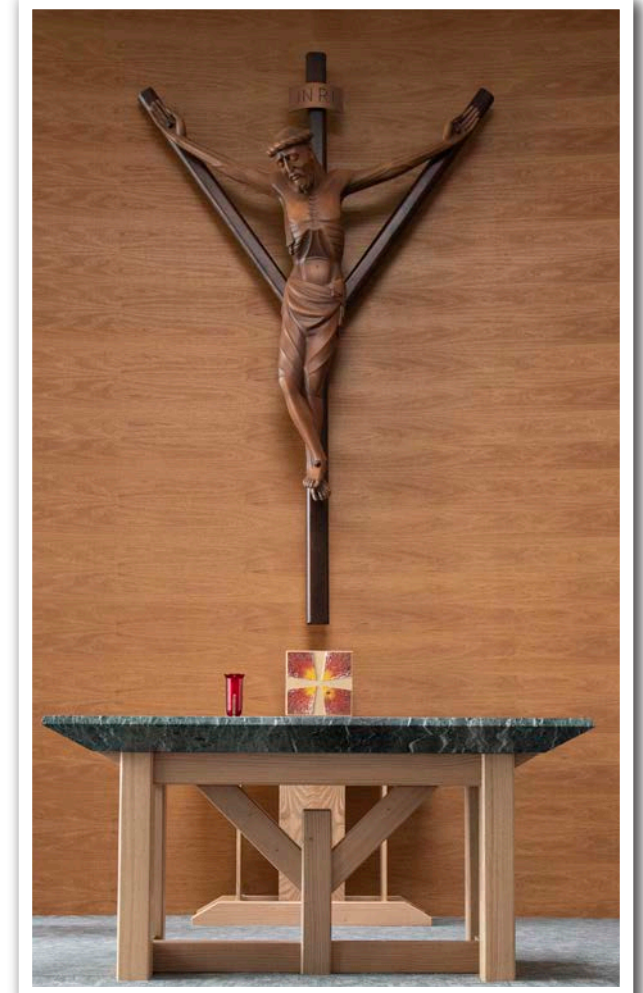

The new *Mary, Mother of the World Chapel* is a blending of the old and the new. Items from the original chapel built in 1963 include:

- the Stations of the cross
- Mary and Joseph statues
- 3 stained glass windows celebrating the virtues of faith, hope and love
- the marble from the original altar

New features include:

- An 11 ft. Coesfeld Cross, celebrating the founding of the Sisters of Notre Dame, designed and built by Mazzolini Artcraft
- A rich and engaging portrait of Mary painted by artist Holly Schapker
- Soon to be added - a Marian Shrine and Marian themed stained glass windows by stained glass artist Claire Wing

The old and the new combined can be seen in the chapel's beautiful altar which combines the marble from NDA's original chapel altar with a brand new wooden base. The base, altar furniture, and holy water font were designed and built by artisan Mike Warnock.

# Forever NDA

A LEGACY SOCIETY  
FOR  
NOTRE DAME ACADEMY

## Leaving A Legacy for Notre Dame Academy

While so many people generously invest in Notre Dame Academy during their lives, a planned gift to Notre Dame Academy helps secure quality Catholic education for **future Pandas**. Leaving a financial gift to NDA will ensure an investment beyond one's lifetime. Here are just a few of the strategies available through which you can leave your legacy to NDA: Bequests, Charitable Remainder Trusts, Retirement Plans, Real Estate, etc.

### Have You Considered Life Insurance as a Strategy to Leave a Legacy to NDA?

Designating Notre Dame Academy as the beneficiary of a life insurance policy is a powerful way to ensure that NDA receives a portion of your estate. There are many strategies where life insurance can be a wonderful way to leverage your gift and maximize your legacy.

#### Scenario 1:

Maybe you once needed life insurance for your loved ones, but now your family requirements have changed. Why not consider using your current life insurance policy to help advance the NDA mission? Notre Dame Academy could be named as **the beneficiary of your policy**. It can be done as easily as completing a beneficiary designation form and sending it back to your provider. In this scenario, you retain ownership of your policy and maintain the ability to make changes to it at any time.

#### Scenario 2:

You have been a consistent annual supporter of NDA, but also desire to leave a substantial gift upon your death. You would like to continue your annual contributions, be recognized annually, and also receive any associated tax benefits for your contributions. **Purchasing a new life insurance policy and having NDA serve as the owner and beneficiary of the policy** is an additional strategy that may be available to you. The amount of your policy's premium will be determined based on how much you would like to contribute annually and your overall philanthropic goal, with factors including your age and health. You would then make a gift to NDA each year equal to your premium due on the policy. NDA will ensure that premium is timely paid. While you only contribute the cumulative amount of the premium payments during your life, at your death NDA will be the beneficiary of a much larger death benefit thanks to your foresight.

Life Insurance is one of the most incredible leveraging tools and strategies available. The insurance death benefit does not need to go through probate, and the beneficiary receives the gift in a relatively timely manner.

If you have already made plans to include Notre Dame Academy in your will, we sincerely thank you. However, if you would like additional information about any of the above-mentioned strategies, **a team of NDA alumnae professionals is willing and ready to assist you and provide any support you may need.**

For more information about including Notre Dame Academy in your estate plan or how to set up one of the planned giving avenues outlined above, please contact Nancy Goeke, Director of Major Gifts and Events at (859) 292-1851 or goeken@ndapandas.org.

### Steve and Katie Wolnitzek

*"I am a 1968 graduate of Notre Dame Academy. My husband, Steve, graduated from Saint Xavier High School in 1966. In 1993 Steve and I discovered a way to help our high schools financially without having to make large monetary donations. We purchased insurance policies and for a small outlay each year we are able to ensure that Notre Dame Academy and St. Xavier will benefit from the policies in the future."*

*We both received a quality education at our respective high schools and we want to pay that forward in this way. We both hope that you will read the information in the related article and consider helping Notre Dame Academy maintain their level of excellence well into the future."*

*Katie Wolnitzek*

## Making A Difference for Generations

The Notre Dame Academy Forever NDA Legacy Society was established to recognize individuals who have included NDA in their estate plans. Ensuring that the Academy receives a gift is a wonderful way to leave a legacy, and is as simple as a discussion with the donor's counsel as to the most effective way to participate in a planned giving program. As a member of the Forever NDA Legacy Society, you can be assured that your gift will help secure quality education for future generations of NDA students. In addition:

- Your name will be included on the Legacy Recognition plaque that will be prominently displayed in Heritage Hall.
- You will receive a keepsake pin that you can wear proudly to display your membership in the Legacy Society.
- You will be invited to attend the Legacy Society and Marian Circle annual events.
- Above all, you and your family will be remembered in weekly Masses by the Sisters of Notre Dame.

If you have already made plans to include Notre Dame Academy in your will, or once you have done so, please notify us so we may include you in the names of those in our Marian Legacy Society.

## 2018-19 Annual Appeal Update

The Notre Dame Academy community has been blessed with generous donations to this year's Annual Appeal from alumnae, current and past parents, and friends. To date, we have received \$282,000 of our \$300,000 goal. As a Catholic school sponsored by the Sisters of Notre Dame, each gift helps to keep the SND spirit and mission alive in our hearts and in our school.

The Annual Appeal offers the resources needed to provide a dynamic and dedicated faculty, cutting-edge curricular and co-curricular programs, state-of-the-art facilities, and technology and a quality education at an affordable tuition for young women in the Greater Cincinnati area.

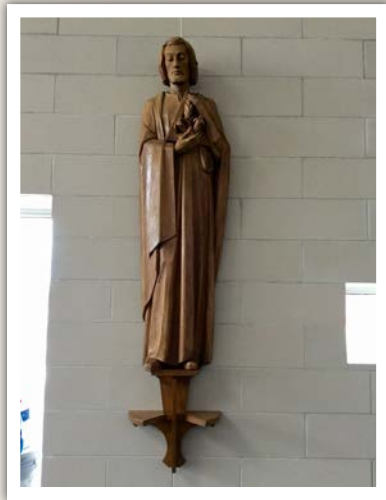

Your gift will help ensure that the tradition of excellence continues for our NDA students today and for future generations. We ask that you consider making a difference in the lives of our students by making a donation using the envelope bound in this issue's centerfold or by making a donation online at [www.ndapandas.org](http://www.ndapandas.org). We are grateful for your support and we thank you in advance for supporting the mission of Notre Dame Academy.

Thank You  
for Taking  
a Chance  
on NDA!

## 2019 Golden Girls Celebration

Notre Dame Academy will be celebrating the Class of 1969 as the newest Golden Girls. Our Golden Girls event is to celebrate and honor NDA alumnae who have graduated fifty years ago or more. This year the event will take place on Sunday, October 6, 2019. The celebration will begin with a mass, followed by brunch in NDA's Alumnae Hall. The event is free of charge and a reservation form will be available in the summer edition of the Notre Damian. For more information please contact Molly Molony-Greene at 859.292.1852 or [molony-greenem@ndapandas.org](mailto:molony-greenem@ndapandas.org).

## Welcome Back Pandas!

Many of our newest alumnae from the class of 2018 returned to their alma mater over Thanksgiving break for our annual Welcome Back Night. They enjoyed re-connecting with friends and seeing the new spaces NDA has to offer. Several of our alumnae also paid us a visit over their Christmas break to see some of their favorite teachers and administrators at NDA!

# BRING an ALUM to SCHOOL DAY

Our first annual Bring an Alum to School Day was a huge success with 150 alumnae participants. We had alumnae ranging from the class years of 1951 to 2018. They enjoyed lunch in the new cafeteria, a class taught by veteran teachers, and an all school pep rally!

### 1980-1989

The decade that had the most alumnae participate was the 1980's with over 40 alums!

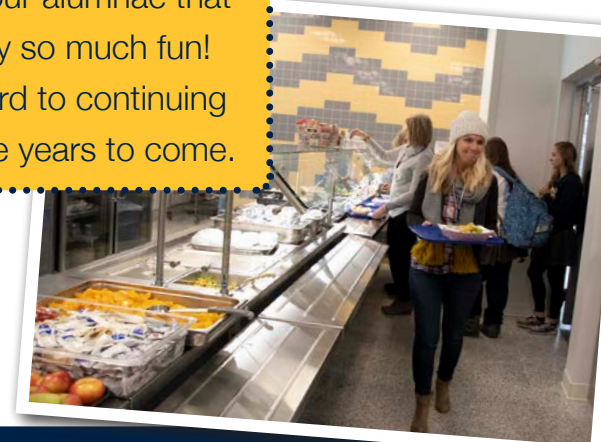

The largest classes represented at Bring an Alum to School Day were:

**Class of 1993**  
**Class of 2016**  
**Class of 2018**

Thank you to our alumnae that made this day so much fun! We look forward to continuing this event in the years to come.

# Panda Wine & Paint Night

Our alumnae and friends had a great time at the Alumnae Wine and Paint Night! Fellow alumna, Connie Benjamin, Class of 1983, led the painting instructions. The reversible snowman and pumpkins turned out great. Thank you to everyone who attended!

## Alumnae Day!

**SAVE THE DATE...OPEN TO ALL ALUMNAE!**

Please mark your calendars for our 3rd Annual Alumnae Day on Saturday, September 21, 2019! We will continue the Volleyball Tournament, along with Basketball and Soccer Tournaments depending on sign ups. Alums do not need to partake in the competitive play to enjoy the day! All alumnae are welcome to drink, eat, and hang out with friends!

## Alumnae Make a Difference Through Mentoring

In the fall of 2018, NDA's Alumnae Office launched a Student/Alumnae Mentor Leadership Program. The number of graduates interested in making a difference in the lives of current NDA students through this program was overwhelming. To begin the program, students from Dr. Koehl's Leadership class were each paired with an alumna working in their career field of interest. Students and their alumnae mentors have continued to meet at least once a month. In addition to the one-on-one meetings, alumnae mentors have been holding monthly sessions that are open to all juniors and seniors.

Alumnae mentors, Lisa Wintersheimer-Michel '81, Adrienne Boschert Vannarsdall '00, Janet Heil '01 and Lynn Cetrulo Watson '85 presented *Women in the Work Place* to the students. They discussed mom-life integration, diversity, statistics on women in the professional setting and discrimination.

These mentors recently spoke to NDA students about *Soft Skills/Social Media Do's and Don'ts* and *Office Etiquette*. (L-R) Autumn Richards '10, Emily Roebel Edmondson '92, Adrienne Boschert Vannarsdall '00, and Teri Meyer VonHandorf '88.

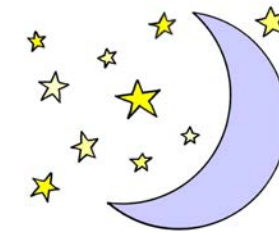

NDA senior Isabel Coomes had a great day shadowing her alumnae mentor, Emily Roebel Edmondson '92, at Galerie Candy and Gifts.

# NDA – COV CATH THEATRE ALUM CABARET

The 2019 NDA-CCH Theater Alum Cabaret was a huge success! The show consisted of alumnae and current students who performed, sang and danced. We even had alums running the tech for the show. The audience loved seeing our alums back in the spotlight again! Thank you to Ann Moore O'Hara '79, Jennifer Batshoun, Liz Voto, Beth Hummeldorf and Amy Rothfuss Cauthen '83 for their time and effort in making this day happen!

## Support a Panda!

The Support a Panda Grant was created to assist with the cost of student extracurricular activities and the fees associated with them for students who might not otherwise be able to participate. Minimizing the cost of items such as, AP exam fees, club dues, dance tickets and other activity costs will allow all students the opportunity to enjoy what NDA has to offer. If you or your class would be interested in "Supporting a Panda" please contact the Advancement Office for more details.

# Class Updates

## 1958

**Sr. Mary Janet Stamm, SND** writes, "In September of 2018, the class of 1958 had their 60th reunion. It was such a happy gathering of many classmates. Our class president, Judi Gerding and other helpers organized the event which was held at Summit Hills Country Club. The members of this class have been so generous in their support for the SND Ugandan Mission. The group again gave a very generous gift in support of the SND outreach to the poor in Uganda. We have six members of the class of 1958 who are now Sisters of Notre Dame. We want to express our gratitude to the class of 1958 for their goodness and generosity and for being partners with us in mission."

## 1977

**Theresa Burkhardt Brugger** writes, "As of May 3, 2018, I am a proud grandma to Madeline Louise Brugger. I babysit her 2 days a week and thoroughly enjoy it. There's nothing like being a grandma."

## 1981

**Cathy Rosing Snider** writes, "For the last 6 years I have been a school counselor in rural bush Alaska. I travel by bush plane to get to my village because there are no roads to a major town. The village I work in is Akiak, Alaska, a 12 minute plane ride from Bethel, Alaska. I work with kids from kindergarten to grade 12. I work with Yupiit Eskimos. The challenges of living in the bush are many. Work is scarce and the cost of living is very high. A quart of milk is about \$5.00. Even though our Elders have banned alcohol and marijuana, bootlegging and substance abuse are major problems. Many of our students are raising themselves and school is a safe harbor for them. I provide guidance lessons on coping skills, anger management, problem solving, and self preservation. I try to prepare my seniors for life outside of high school. I started with twelve seniors this year but several decided to go to other schools. Some will not graduate this year. I have three headed to college or trade schools and one headed to the military. I love working and living in such a diverse culture, where the people are so generous. They are proud of their heritage and trying to preserve their culture of subsistence living, language, and dancing and drumming. More and more the Western way of life is taking over their young people and they are fighting for survival. My job is not easy but my husband and I think it is one of the best decisions we made to move to Alaska. I am hoping to retire in 2023 and then move back to the lower 48."

## 1990

**Nicole Thelen Grosser** was recently featured in Florence Union Connector Magazine. She is a 1990 graduate of Notre Dame Academy along with her sister Julie Thelen Lee '87, mother Marita Ayres Thelen '64, grandmother Helen Catherine Steltenkamp Ayres '36 and their great-grandfather Rudolph who attended NDA while it was a co-ed grade school in the early 1900's. Continuing the NDA Legacy are Nicole's daughters, Alisha Grosser '15 and Kayla Grosser '19. This makes five generations from one family attending Notre Dame Academy!

## 1992

**Tricia Gorman** got engaged to Paul D. Naehring at the beginning of December of 2018 while vacationing in Punta Cana, Dominican Republic.

## 2000

**Garri Read Hunt 2000** and Bella Suwinski, daughter of Joy Stephens Suwinski, representing their Panda pride on an out of uniform day at Mary, Queen of Heaven School!

## 2001

**Christina Wagner Browning** and her husband, Travis, welcomed their first child on February 15. Here's a picture of their beautiful daughter, Alexandra Marie.

## 2003

**Erin Flanagan Laytart** writes, "Future Panda, Corinne Kathleen was born on October 19, 2018 at The Christ Hospital. During our stay, a wonderful staff that included fellow NDA alumnae Amy Moore Rochon '03 and Kathy Yancy Schutte '70, gave us care."

## 2007

Maren Rose and Sloane Katherine were born on November 13, 2018 to **Hilary Spenlau Costello**. She and her husband are in love with these two!

Graduates from the Class of 2000, Jennifer Ferguson Martinkovic and Adrienne Conrad, are pictured in front of the Notre Dame Cathedral in Paris, France.

Leah Suetholz Jonas '85 recently visited Paris, France.

Michelle Curtin Weigold, Class of 2005, is pictured in Havana from her recent two-week trip to Cuba. She says, "It was certainly unlike anywhere I've ever been before and especially since I'm a Spanish teacher, I absolutely loved it!"

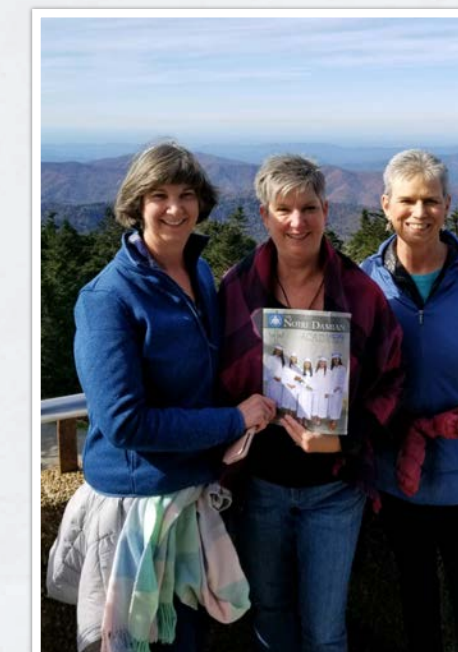

Recently, the Burke sisters visited Ireland to explore their Irish roots. They got to enjoy the beautiful views too! From left to right: Tricia Burke Podacar '66, Terry Burke Lievestro '75, Cindy Kling Burke '72, Marlene Meier Moehlman '68, Cindy Burke Meier '67, Seana Burke Kobak '78, and Jeana Burke Wahlbrink '77.

Katie Hughes, Class of 2005, completed the climb of Mount Kilimanjaro this winter. She felt the powerful presence of God all around her while making her trek up the tallest mountain in Africa, along with it being the largest free standing mountain in the world.

The mother/daughter duo of Monica Mitchell Namyar '88 and Ronnie Brandner Mitchell '61 enjoyed a fall break in London. They of course remembered to bring their *Notre Damian* along.

On their annual trip to the Great Smoky Mountains, Cathy Greene Feldmann '74, Mary Ellen Greene Meier '71, and Terrie Meier Lonneman '74 enjoyed the view from the top of the observation tower at Clingman's Dome.

Karen Von Handorf Donath '68 trekking thru Patagonia!

Ellen Kendall, Class of 2015, spent the month of January running a science camp for kids at the Light and Leadership Initiative (LLI) in Huaycán, Peru. While at LLI, Ellen met the director of their fair-trade fashion line who is also an NDA grad, Jill Schneider, Class of 2011. Both, Jill and Ellen, loved having the opportunity to share the Notre Dame mission with Huaycán com

Sandy Grollig Oster '66 writes "Another mission trip to El Salvador took me to Santa Domingo School where this pic was taken with part of our team of 9 from St. John Neumann parish in Strongsville, Ohio. We took food, stuffed animals, bubbles, candy, underwear, mirrors, flip flops & water to 9 extremely remote cantones communities around the Chiltiupán area. Valle Nuevo celebrated the completed water project with us by serving us lunch. This project brought running water to 19 families in this cantone. We built 2 pilas (washing stations), gave Fr. Martine vestments, and visited the 4 Cleveland martyrs gravesite in San Pedro Nonualco. Thursday was a tour of St. Oscar Romero's Cathedral & tomb, his home and chapel, Romero Library, the Jesuit martyrs site, the memorial wall from their civil war and an artisan marketplace. A week filled with highs and lows! The people are so grateful. They have so little but want to share what they do have. A truly life changing experience!"

Sharon Foldy '70 and Jeanine Kerl Mount '74 pose with a Notre Damian while working at the Precinct 13 polling place in Brookline, MA on November 6th (the day of the midterm elections). Sharon and Jeanine had never met until they worked at this polling place a year ago. They spent 10 hours at the "Voter Check-In Table" that day, which gave them time to talk. Somehow they pieced together that both were NDA alumnae! Since meeting, they have now spent 5 more election days at that same "Voter Check-In Table" and have had good opportunities to share memories about their years at Notre Dame Academy.

The Classmates of 1971 gathered for their Christmas celebration at Summit Hills in December.

The Class of 1979 had a good group attend a dance at Saint Agnes.
