From the President

Greetings Alumnae, Parents, and Friends of Notre Dame Academy,

Every *Notre Damian* is a celebration of our NDA community as we share stories and accomplishments of our students, faculty, staff and alumnae. This is especially true of our graduation issue acknowledging the successes of our graduates who enter the larger world as our newest alumnae. In each senior exit interview, I tell these young women that as they finish their four years in our school community they will forever be a part of our amazing community of over 10,000 alumnae – joining them in graciously and courageously accepting the many challenges and opportunities that lie ahead.

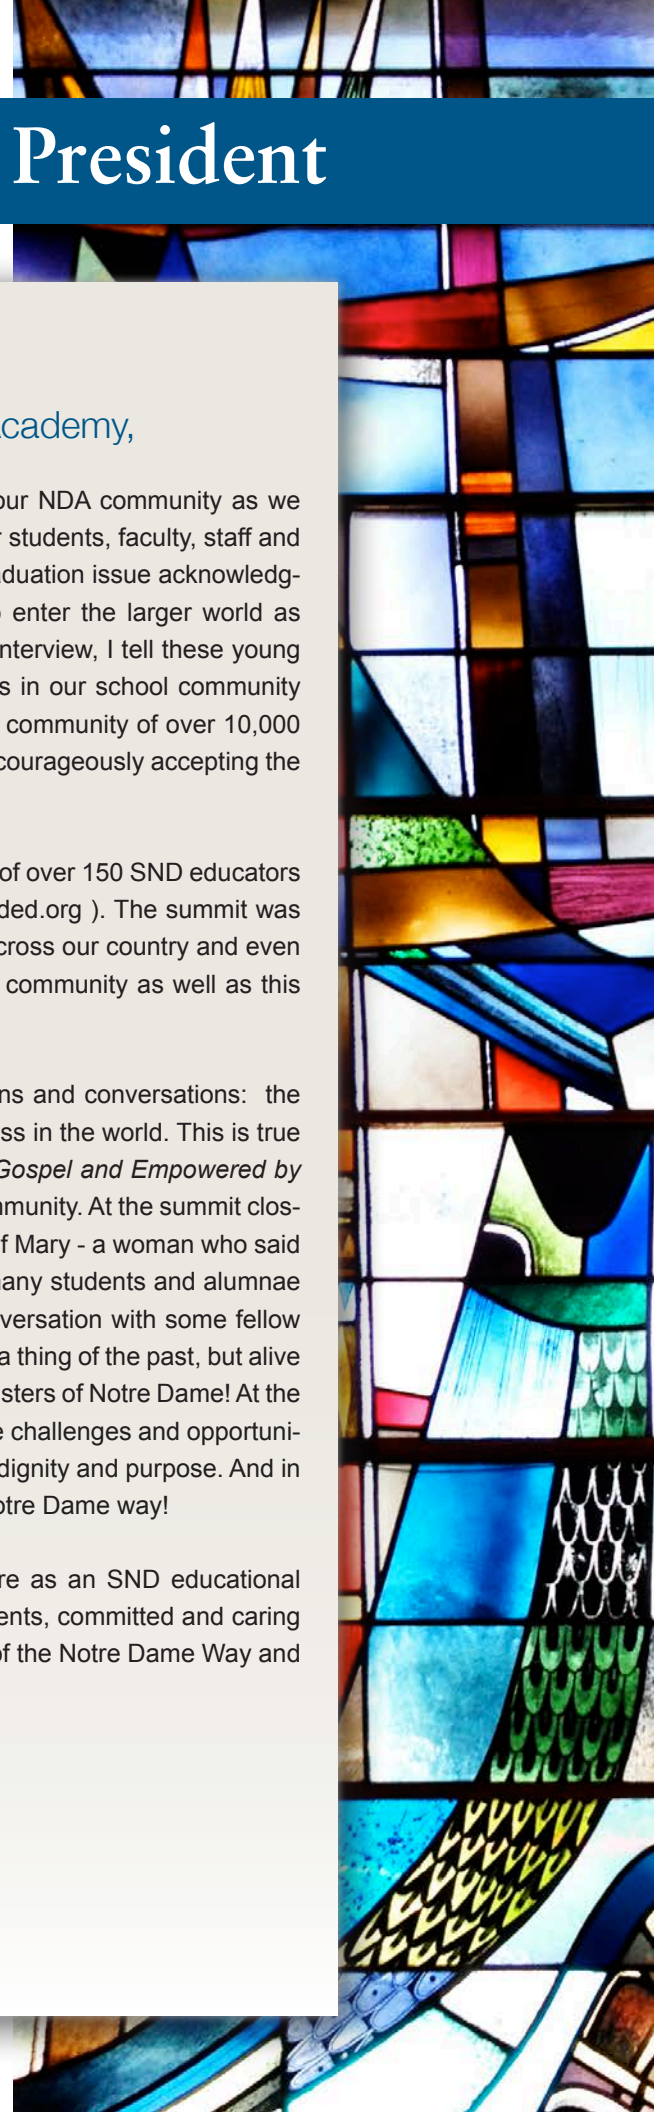

This past week I attended our SND National Education Summit, a gathering of over 150 SND educators from six states, sponsored by the SND National Education Office (www.snded.org). The summit was a reminder and affirmation that the impact of our SND education reaches across our country and even around the world. Our recent graduates become part of our own alumnae community as well as this larger network of SND graduates making their mark on the world.

Throughout the Summit, two themes were most evident in the presentations and conversations: the Marian devotion of the SNDs and their charism of embracing God's goodness in the world. This is true in our own school as exemplified with this year's school theme *Living the Gospel and Empowered by Mary's Witness* which was woven into our daily experiences as a school community. At the summit closing the Marian devotion was highlighted by a beautiful reflection on the life of Mary - a woman who said yes to the great gift that God offered her. I could not help but think of our many students and alumnae who have said their own "yes" and do so on a daily basis. In a recent conversation with some fellow alumnae, we were reminiscing about the "Notre Dame way". This is not just a thing of the past, but alive and well in our current moment as a school founded and sponsored by the Sisters of Notre Dame! At the heart of that reality are women who say yes to the world. They say yes to the challenges and opportunities they face. They say yes to vision and hope. They do so with a sense of dignity and purpose. And in the chorus of "yes" we find God's goodness in the world. That is truly the Notre Dame way!

At the heart of celebrating our graduates is this affirmation of who we are as an SND educational community – dedicated teachers and staff, hard-working and inspiring students, committed and caring parents, and loyal and successful alumnae who have embraced the vision of the Notre Dame Way and say yes to creating a better world for all. Something to celebrate indeed!

May you live the story of God's goodness each day,

Dr. Laura Dickman Koehl '75

Welcome

Notre Dame Academy acknowledges the importance of family connections and welcomes our Class of 2022 Student Legacies!

NDA is proud to be an educational institution where generations of members from the same family tree attend. Legacy students make up a sizable population on our campus in part because of the incredible experience NDA has provided to so many young women over the years. The Notre Dame Academy experience tends to be passed from mothers to daughters, from grandmothers to granddaughters and beyond. It is important to know that sisters, mothers, aunts, grandmothers and great-grandmothers all qualify as legacy connections at NDA. From the Principal

Blessings Alumnae, Families, and Friends of NDA!

It is often said that we “live in a bubble” in the high school world. In some ways I believe that to be true and not necessarily a bad thing. Hopefully for each of our students at NDA, high school is a safe place for them to grow in their faith and an environment where they can come to understand the young women God intends them to be.

At our graduation ceremony this year, I once again had the privilege of saying a few words to our graduates. I asked them what might happen if they were able to take a bit of our NDA bubble with them as they enter the next phase of their lives. I invited them to consider what might happen if they took the culture inside the bubble of Notre Dame Academy out into the world. I believe that taking the safe and empowering space these young women have experienced at NDA over the last four years to all of the places they will go in their lifetime could transform the world. I challenged them to take the values they learned and the culture they experienced at Notre Dame Academy and truly make a difference by sharing them with the world.

As a class, our recent graduates earned over \$15 million dollars in scholarships. An incredible 40% of them received offers of half tuition or more to the colleges and universities that they will be attending in the fall. During their time at NDA, they have been well prepared academically and empowered spiritually. They are ready for all that will come their way.

Notre Dame Academy, a Catholic high school dedicated to Mary and committed to academic excellence, exists to educate women to make a difference in the world. The young women of the Class of 2018 have certainly learned the mission of Notre Dame Academy over the past four years. Now it is time for these amazing young women to LIVE the mission as our 10,000 plus alumnae do all over the world.

I wish the Class of 2018 abundant success in all that they choose to do in the future. I challenge them to make good choices and remind them of their responsibility as graduates of Notre Dame Academy to make a difference in the world.

Thank you for your support of Notre Dame Academy. I wish you and your family a blessed and safe summer.

In Notre Dame,

Jack VonHandorf

Oh, the Places they Will Go!

Our recent graduates are headed to 43 different colleges and universities in 12 different states this fall. Spencer Johnson, father of recent graduate Kelsey Johnson, built a M*A*S*H-style directional sign post showing the Class of 2018's roads to success!

CLASS OF 2018 TOP HONORS

Each year at NDA's Senior Breakfast, a graduate is honored by the Sisters of Notre Dame with the Distinguished Graduate Award. This year, Rachel Massie was the recipient of this special award.

The Sisters of Notre Dame Distinguished Graduate Award recognizes graduates in schools sponsored by or affiliated with the Sisters of Notre Dame National Education Partnership, as being outstanding witnesses to a Notre Dame education.

The names of the award recipients are recorded each year in a book kept in the Motherhouse (international headquarters) of the Sisters in Rome, Italy. Its place is on the altar dedicated to Sr. Maria Aloysia, the founder of the Coesfeld SNDs and an outstanding educator.

Emily Farmer

Lauren Judy

Congratulations to Emily Farmer and Lauren Judy. Emily was named valedictorian of the Class of 2018 and Lauren was named salutatorian.

Emily is the daughter of David and Laura Farmer. Emily will be attending the University of Cincinnati next year where she will be studying Aerospace Engineering.

Lauren is the daughter of Chris and Teri (Plummer '87) Judy. Lauren will be attending the University of Kentucky this fall and plans to major in Engineering with a minor in Spanish.

NDA Honors Patroness At May Crowning

Notre Dame Academy celebrated its annual May Crowning Mass on Friday, May 4. It was a special day to honor NDA's patroness, Mary, and to reflect on its educational mission as a school dedicated to Mary.

As is the NDA tradition, the honor of crowning Mary goes to a senior. All seniors are invited to submit a reflection about the Blessed Mother and how they have viewed her as a role model. This year the honor of crowning Mary went to Katelyn Noll with the honor of carrying Mary's crown in procession going to Caroline Garvey.

Emily Farmer, Caitlyn Zieleniewski, Stephanie Meyer and Rachel Massie made up the honor guard. All six of these young women showed great devotion and appreciation for the Blessed Mother in their reflections.

Following the ceremony, the Sisters of Notre Dame distributed Miraculous Medals to members of the freshman class and students new to NDA this year.

NDA Students Selected for KY Governor's Scholars Program and KY Governor's School for the Arts

An overwhelming number of NDA students were selected this year to participate in the Kentucky Governor's Schools Programs. A total of 19 NDA students have been accepted to these select summer programs!

The Kentucky Governor's Scholars Program (GSP) announced in April that 10 Notre Dame Academy students have been named Governor's Scholars for 2018. Additionally, The Kentucky Center Governor's School for the Arts (GSA) announced that 9 students from Notre Dame Academy have been accepted into the Kentucky Governor's School for the Arts 2018 program and 6 NDA students were selected as GSA alternates in 7 different art forms.

Notre Dame Academy juniors Emma Donaghy, Kate Williams, Onali Fernando, Megan Bezold, Olivia Marita, Anna Resing, Annie Gronotte, Elly Piatt, Olivia Ossege and Casey Shelton have all been selected to participate in the 2018 Governor's Scholars Program.

Notre Dame Academy's Sam Wichmann, Natalie Gerdes, Sarah Zimmerman, Kenzie Eberhart, Katherine Donaghy, Zoe Moelling, Jillian Seither, Carena Bhola and Gabrielle Weber have been selected to participate in the 2018 Governor's School for the Arts program. Lauren Schutte, Kirsten Carle, Olivia Ossege, Casey Shelton, Sara Mathew and Ellie O'Hara have all been selected as alternates.

NDA Science Research Student Competes at International Level

Sophomore Molly Kleier represented Notre Dame Academy and the state of Kentucky at the 2018 Intel International Science and Engineering Fair (Intel ISEF). Held in Pittsburgh this year, Intel ISEF is the world's largest international pre-college science competition and the most powerful STEM talent pipeline in the world. Approximately 1,800 high school students from more than 75 countries, regions and territories showcased their independent research at Intel ISEF in May.

"Each year, millions of high school students from around the globe work hard to attend ISEF," said NDA Principal Mr. Jack VonHandorf. "We are very proud that one of our students was among the best and brightest young scientists and innovators presenting at ISEF this year. I congratulate Molly and her mentors, Mrs. Terri Perrino and Mr. Patrick Strickley on their commitment to NDA's continued success in the STEM fields."

CLASS OF 2018 HONORED AT ACADEMIC SIGNING

On May 9, Notre Dame Academy held an Academic Signing in honor of the Class of 2018 for their outstanding academic achievements. NDA's Class of 2018 earned \$15 million in scholarship offers. A total of 60 seniors (40% of the class) received at least half the cost of tuition through scholarships and grants at the institutions they plan to attend this fall. This is a true testimony to the education and preparation young women receive at Notre Dame Academy!

NDA Student Council Named NASC National Gold Council of Excellence

Notre Dame Academy's Student Council has once again been awarded with the highest honor of National Gold Council of Excellence this year. The National Council of Excellence is a national award program created by the National Association of Student Councils to recognize student councils that maintain strong year-round programs and work to improve their schools and communities through their leadership activities. In order to receive the award, NDA's Student Council had to demonstrate proficiency and quality in its program that was measured against standards developed by the NASC, which is a program of the National Association of Secondary School Principals.

NASC honors these student councils for implementing a strong leadership program that meets council goals; functioning in an ethical and responsible way; and engaging others in leadership, spirit, civic, and service activities.

"The NDA community truly appreciates our Student Council acting as a liaison between the student body and the administration and faculty of NDA," said NDA Principal Mr. Jack VonHandorf. "These young women are very committed to organizing activities for the entire school, giving our students a more enriching experience at NDA."

Hands -On Learning at NDA

Students in Mrs. Ziegler's Anatomy and Physiology class have had some incredible hands-on learning this school year. In an effort to share career pathways with her students, Mrs. Ziegler invites various speakers to her class throughout the year. In May, Jeff Arlinghaus, a nurse-anesthetist with St. E's and NKU's Anesthetist Program, (also father of Jenna Arlinghaus '17) came to NDA and taught the students how to administer spinals, epidurals and intubation of the trachea.

NDA alumna Jill Weidner '05, a second year Nurse Anesthesia Resident, came to help Mr. Arlinghaus with the spinal and epidural anesthesia simulation at NDA.

2018 Spring Sports Update

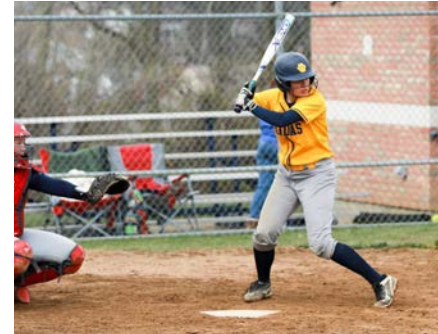

The spring sports awards program was held on June 4, bringing the season to an end for the teams of tennis, lacrosse, bass fishing, track and field, and softball. Congratulations to all of our Panda spring athletes on a great season!

TRACK & FIELD

The 2018 track and field season started out strong with a second place finish at Boone County relays. Through weeks of cold and rainy training, these young women stayed focused on our season goal: regional champions. As the season was closing, their mindset shifted from pacing and individual events to the team's strategic response to competition. In meets and practice, these women learned how to focus themselves toward winning as a team and responding to competition. It came down to the final race at the Regional Championship to determine their standings. Ryle had a small lead with NDA and Dixie heights striving for a close second. The last race came down to a photo finish and showed that NDA had won the race. With that, it solidified their position in second place and they proudly accepted the trophy for a whole team and truly whole season worth of tenacious training and determined spirits. A big accomplishment from their previous positions in regionals, they took home regional runner-ups!

The softball family enjoyed another winning season despite a lot of adversity. The team was hit hard with injuries and horrible weather costing the team valuable experience with such a young squad. The team was led by seniors Lauren Durstock, Lindsey Meier, and Grace Schmidt. The Pandas ended their season with a 16-14-1 record capturing their 6th straight District title. The season ended in the semi-finals of the 9th Region tournament with a loss to eventual champion Ryle Raiders. The senior group ends its career with 2 Regional Championships and 4 District titles, with an 85-42-3 overall record in their 4 year span. The cupboard is full however with 13 players returning from this year's team. The young Pandas are hungry to get back to the title game.

SOFTBALL

LACROSSE

After winning their first regional championship in 2016, the Notre Dame lacrosse team made it 2 out of 3 by winning the regional championship again in 2018 (runner-up in 2017). They also tied the regional champion 2016 team for most wins in program history with 13 this season and earned their 4th straight qualification to the Kentucky Elite 8 State Tournament. The program saw continued growth as a record 66 student athletes participated in lacrosse in 2018 making it one of the fastest growing sports at NDA.

The tennis team had a short, yet successful season! Due to the lack of spring weather, the majority of the season was played the last 2 weeks of the season, which made it challenging to test the players skills under pressure. This young team had a tough season, but finished Regional Runner-up and Conference Runner-up. These players have a lot of growth ahead of them, which will only make the Panda Tennis Team more of a threat in the seasons to come!

TENNIS

NDA Athletic Hall of Fame

Notre Dame Academy has inducted many alums, parents and coaches into its Athletic Hall of Fame over the years. Take a look at our growing list with the most recent 2017 inductees included. We appreciate the time, hard work and dedication put forth from these past athletes, parents and coaches!

20th Annual Golf Outing Tees Up

Don't miss Notre Dame Academy Athletics 20th Annual Golf Outing on Friday, July 27, 2018, at Twin Oaks Golf Course. The event is a wonderful opportunity to get out on the links while benefiting NDA's Athletic Program. For more information about the outing, including sponsorship opportunities, go to <http://www.ndapan-das.org/athletics/golf-outing.aspx>.

Making a Difference Together!

NDA hosted a very successful Orange and White Game this spring along with St. Ursula Academy. Student Council representatives from both schools presented a check for \$6,310 to Cincinnati Children's Hospital Leukemia and Lymphoma research in May.

In Loving Memory

The Notre Dame Academy community extends its deepest sympathy to the families of our alumnae on the death of their loved ones. These individuals will be remembered by the NDA students and faculty during their monthly masses throughout the school year. We are grateful for your continued support of Notre Dame Academy in the form of memorials, honorariums, and special intentions.

Marian Circle Commemorative Bricks

Would you like to purchase a commemorative brick that will be part of the Marian Circle at Notre Dame Academy? We are currently offering NDA alumnae and 2018 graduating seniors a special price of \$150 per brick. If you are not an alumna or graduating senior, bricks can be purchased for \$300 each. The bricks are installed on the Marian Circle during the summer.

All of the proceeds from this program are designated for the Sister Mary Agnetis Scholarship Fund. If you are interested in purchasing a Marian Circle commemorative brick, simply fill out the form on page 33 and return it to NDA. Please know that Notre Dame Academy is grateful for your support of this program.

Thank you For Your Support!

Thank you to all of our alumnae, parents, past parents and friends who contributed to the 2017-18 Annual Appeal. The success of the appeal would not have been possible without you and the support of the entire Notre Dame Academy community.

Your generosity to the Annual Appeal has enabled us to supplement the tuition, which is paid by the school families, as well as to provide scholarship and work study opportunities for students who otherwise might not be able to attend Notre Dame Academy. You have made a difference in the lives of the students of today and your support will continue to benefit the students of tomorrow. Thank you for helping us reach our goal of \$285,000 and for supporting our efforts to educate young women to make a difference.

The Notre Dame Academy financial Annual Report and complete listing of all benefactors will be published and distributed in the fall of 2018. Donations made using the remittance envelope in the centerfold of this issue of the Notre Damian will be credited to the 2018-19 Annual Appeal.

Forever NDA

A LEGACY SOCIETY
FOR
NOTRE DAME ACADEMY

Jean Glenn Gordon reflects on her days at Notre Dame Academy with especially fond memories. A member of the class of 1940, Jean attended both Notre Dame elementary and high school on Fifth Street in Covington. She later went on to receive her Bachelor of Science degree in Biology and Chemistry at Thomas More College (formerly Villa Madonna) and then her Masters in Education from the University of Cincinnati.

Now at the young age of 96, Jean still remembers how her mother was greatly influenced by the Sisters of Notre Dame, having received instructions to become a Catholic when Jean was just a child. Jean's mother stressed to Jean and her sister the importance of good education and how critical it was for them to succeed. Her days at Notre Dame Academy, under the leadership of Sister Mary Agnetis, were formative in helping her set goals and strive to be a successful and independent woman.

Jean believes that Notre Dame Academy gave her basis for her sound education and put her on the right track for her life. A member of the Notre Dame Academy Forever Legacy Society, Jean has now chosen to pay it forward by remembering Notre Dame in her will and estate planning. Countless future generations of NDA students will become the beneficiaries of Jean's generosity.

Leaving A Legacy - Forever NDA Legacy Society

Please mark your calendars for a girls day on Saturday, September 29, 2018! We will be having our 2nd Annual Alumnae Day BUT this year we will be having Volleyball, Basketball and Soccer games. We had a great turnout last year and are looking forward to an even better one this year! It's a day full of drinks, food, games, and sporting events for those that would like to participate. Alums do not need to partake in competitive play to enjoy the day!

2018 Alumnae Dinner Theater

We had another great turnout for our Alumnae Dinner Theatre! The evening started with dinner and drinks shared among friends and former classmates. Following dinner and drawings for alumnae giveaways was this year's NDA/CCH musical drama, *Pippin*.

Honoring Generations of Families on NDA's Family Tree

Notre Dame Academy is grateful for the sacrifice and commitment many families have made over the years in order to provide their daughters with a Catholic education rooted in the tradition of the Sisters of Notre Dame. These young women have grown into generations of women making a difference in the world.

To honor the generations of families who have attended Notre Dame Academy, there is a family tree display in Alumnae Hall. On this tree are leaves recognizing families who have had four or more sisters graduate from Notre Dame Academy. Surrounding the tree are clouds recognizing families who have had four or more generations graduate from NDA.

Has your family earned a leaf or cloud on the Notre Dame Academy Family Tree? If your family has had four or more sisters graduate from NDA or four or more generations graduate from NDA, your family can get either a leaf or a cloud. All leaves and clouds are provided on a request basis. If you qualify for either a leaf or a cloud but aren't sure if your family already has one, you can check the lists of those who have leaves and clouds online at <https://www.ndapandas.org/alumnae/leaf-and-cloud.aspx>.

If your family has earned a leaf or a cloud, you can request one through the form on NDA's website. Available space is first come, first served. There will be a charge for any new leaf and/or new cloud added to the NDA Family Tree. Please note that changing/removing a name requires making a new leaf or cloud.

If you have any questions about the NDA Family Tree, please contact NDA Advancement Associate Jan Gilliam at gilliamj@ndapandas.org or 859-292-1850.

The Notre Dame Family Tree Leaves honor all families who have had four or more sisters graduate from Notre Dame Academy.

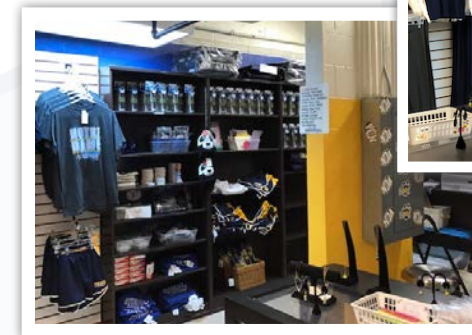

The Notre Dame Family Clouds honor all families who have had four or more generation's graduate from Notre Dame Academy.

NDA Awards WMAD Alumnae Service Grant

The Women Making A Difference (WMAD) Service Grant was created in 2018 to further the mission of Notre Dame Academy: educating women to make a difference in the world. The purpose of this grant is to enable each NDA alumna recipient to continue the ethic of service as she actively engages in seeding and developing an innovative outreach project that addresses an imminent societal need. As such, the project should also stimulate the personal growth of the recipient, whose involvement goes beyond a leadership role. Funds from the annual WMAD luncheon will be set aside in order to assist with qualifying service project opportunities.

This year we are pleased to announce that Kelly Kleier '11 is the recipient of the WMAD Service Grant. As President of the Diocesan Catholic Children's Home (DCCH) Young Professionals Board, Kelly will collaborate with other volunteers to facilitate a new service project through DCCH. The Anti-Anxiety Kit Program will benefit boys and girls, ages six to 14, who have been removed from their homes as a result of extreme abuse. These kits will bring peace and healing to victims of child abuse and will provide the children the necessary tools to make positive choices that will change their lives.

DCCH Young Professionals Board members Katie Weiskircher, Kelly Kleier, Matt Kriege and Seth Connelly with DCCH Executive Director Bob Wilson (Center)

Notre Dame Academy is proud of Kelly and her involvement with DCCH and recognizes that she is truly a woman making a difference in our world.

For more information regarding the WMAD Service Grant visit the Alumnae section of our website or email Denise Bowman at bowmand@ndapandas.org.

NDA Athletic Department Replaces Time-Honored Fruit Sale Fundraiser

After 42 years, the Notre Dame Academy Athletic Department is replacing its long-established fundraiser, the annual NDA Fruit Sale. Notre Dame Academy's decision to replace the Fruit Sale was based on parent feedback over the past few years requesting a less labor-intensive and time consuming fundraiser. NDA administrators recognized the increasing demands on students and families and sought a fundraising option that was less demanding for its athletes but equally beneficial to the Athletic Program at NDA. This fall, rather than hauling boxes of fruit to homes around the tri-state, NDA athletes will be reaching out to family and friends selling customized Notre Dame Academy coupon books.

The NDA Fruit Sale was started in 1976 by Notre Dame Academy parents Bill Bieger and Al Stoeckle. In 1987 when their first daughter enrolled at NDA, Jan and Ken Schmidt started helping out with the Fruit Sale and took over the operation of the fundraiser in 1989.

Each October for the past four decades, NDA athletes have been supporting the sports they play by selling boxes of fruit. Over the years the number of boxes of fruit sold increased with the expanding athletic department and addition of new teams, but one thing remained constant - the cooperation and camaraderie experienced by those involved.

"On the weekend the fruit was delivered, our athletes worked side-by-side with 200 plus parents unloading three to four semi-trailers, assembling and filling the mixed boxes of fruit, stacking the fruit and conveying orders to cars for delivery," said Jan Schmidt. "The sale has been a great example of the school's athletic community and the community at large working together as a team for all of our athletes."

"The Fruit Sale has been a very worthwhile fundraiser for NDA athletes over the years netting well over \$1.5 million dollars," said NDA President Dr. Laura Koehl. "The sale netted around \$77,000 for Notre Dame Academy's athletics at the highest point and the number of boxes of fruit sold grew to around 4,000."

Many alumnae would say that the NDA Fruit Sale is as much as tradition at their alma mater as the Panda. Over the years, the well-established fundraiser has provided countless student athletes the opportunity to follow their passion and participate in athletics at Notre Dame Academy.

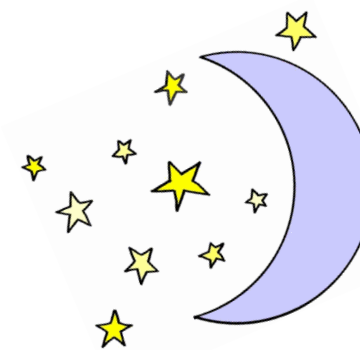

"We are most grateful to all of the parents who have worked tirelessly throughout the years helping us with the annual Fruit Sale - especially Jan and Ken Schmidt," said Notre Dame Academy Athletic Director Myanna Webster. "For the Schmidts, the NDA Fruit Sale has become a family tradition. Each year Jan, Ken, their children and even their grandchildren, have worked untold hours to ensure the success of the Fruit Sale and provide our athletes the chance to participate in sports at NDA," added Mrs. Webster. "We thank Jan, Ken and the entire Schmidt family for their dedication to this important fundraiser over the past thirty years."

As with many traditions, the NDA Fruit Sale has run its course and will now be replaced with the sale of customized Notre Dame Academy coupon books through Access to the City. Student athletes will receive the books in October but there will be no worries of bad weather affecting fruit crops or perishable items. The coupon books will be effective from the time of sale until the December 31 of the following year.

"Notre Dame Academy is thankful to our families and the community at large for the tremendous support they have shown the NDA Fruit Sale over the years," said Dr. Koehl. "We appreciate our benefactors and hope that they will continue to support our student athletes by embracing our new coupon book fundraiser in years to come."

2001
Emily Antony Koenig writes "I live with my husband (Cole Koenig, 2001 Cov Cath alum) and our 2 daughters (Cordelia, almost 5 years and Clementine, 19 months) in eastern North Carolina. I am a clinical pharmacist in primary care/ anticoagulation with the Department of Veterans Affairs. Serving our nation's vets makes me proud every day! Here is a picture we took when visiting Cincinnati recently."

2004
Jen France married Derek Lemmons in October 2017.

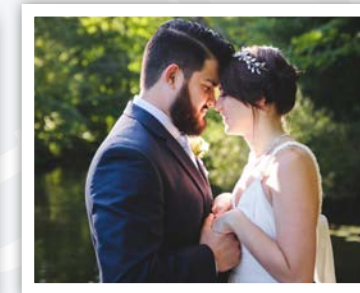

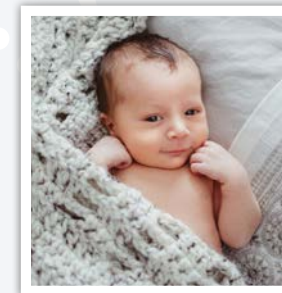

2005
Hannah Good, an English-professional writing major from Park Hills, was just named editor-in-chief of Western Kentucky University's *Talisman* magazine and website for 2018-2019. She currently serves as web editor and was previously the copy editor. Hannah was selected by the Student Publications Committee, an 11 member group composed of students, faculty and staff from across the university. The *Talisman* is a life and culture magazine published each semester, focusing on long-form storytelling and exceptional photography and design.

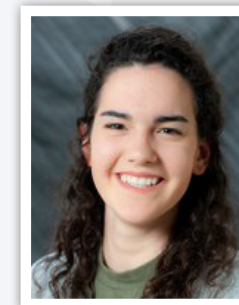

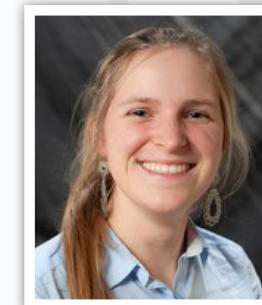

2007
Allison Stark Hausfeld and husband Philip, welcomed twin girls Elizabeth Ann and Josephine Marie on March 2, 2018.

2011
Korie Linnemann DeCilles married Andrew DeCilles on September 9, 2017. The happy couple then welcomed baby boy, Sterling Paul, in the Spring of 2018.

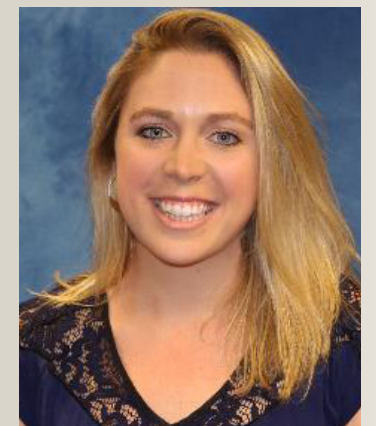

2014
Emma Jacobs and Katie Maurer were both recently named 2018 Fulbright Scholars. Emma writes "Katie and I have received Fulbright Scholarships to be English Teaching Assistants in Galicia, Spain, for the upcoming year. We will be given the wonderful opportunity of serving as cultural ambassadors to represent the United States in the classroom setting and assisting in English language learning. To complete the Fulbright Scholarship, we must also implement a side project while in Spain. Mine is to create a STEM club for female students at the school I will be teaching, with the goal of fostering an interest in the sciences. Katie's is to implement a drama club so that Spanish students can interact and engage with English in a more interactive way. We were both highly influenced by our experiences at Notre Dame Academy to choose these as our side-projects, and much of the inspiration to apply to the competitive program came from the confidence and faith that the NDA community gave to us in high school."

I plan to translate my experiences from Fulbright into my future as a physician. In Fall 2019, I will be attending medical school. Katie hopes to become a Spanish and/or English as a Second Language teacher upon her return to the United States, so there is no doubt that what she learns during our time in Spain will be extremely useful to her future career. We are extremely excited to be partaking in this experience, and to see what we will learn from this unique opportunity."
