LETTER FROM THE PRINCIPAL

Greetings Parents,

As we are celebrating the gift of Catholic Schools this week, I want to send you a special note of gratitude for all you do to support Catholic education. By sending your daughter to NDA each day you show your commitment to a well-rounded education that helps each student utilize the gifts God has given them to be a woman who will make a difference in our world. Our Catholic education is not possible without the ongoing support of our parents, so thanks for all you do!

On Monday, we celebrated "nunday" and honored the Sisters of Notre Dame at our school Mass. Twenty-five of the sisters were in attendance and sophomore class presidents (Ana Calvolpina and Ellie Fathman) read each of their names. As the sisters stood to be recognized they received a warm round of applause from the student body. Mass was followed by a reception for the sisters with students representing each class. It was great to see the students enjoying their time with the sisters and getting to know more about all they have done for NDA.

It's time to start planning for the 2012-13 school year. In preparation for the scheduling process, Mrs. Monohan has sent emails to all parents with information specific to your daughter's grade level and a list of important dates. This includes a course listing of requirements and electives for each grade year.

Again, thanks for all you do to support Catholic education and NDA!

May you know God's goodness each day,
Dr. Laura Koehl
