

An e-Newsletter for the Families of Notre Dame Academy

LETTER FROM THE PRINCIPAL ◀

Blessings parents!

This is our final newsletter of the school year. I appreciate you taking the time to read the information that has been presented each week. Communication is a very important component of our partnership in your daughter's education.

We have had an amazing school year at NDA *Living our Stories of God's Goodness!* As we begin our summer break, we give thanks for the many ways in which God's Goodness and Provident Care have blessed our school this year. I am grateful to our faculty, staff, students and parents for welcoming me during my first year at NDA and for making the 2015-16 school year such a success. I wish our graduates the very best as they continue to live their *Stories of God's Goodness* making a difference in the world!

I would like to congratulate Emily Walter on receiving the 2016 NDA Distinguished Graduate Award from the Sisters of Notre Dame. This is a well deserved honor as Emily is certainly an outstanding witness to Notre Dame education.

Notre Dame Academy recently received the May Jefferson Award for Outstanding Public Service. This award was earned by three of our freshmen: Sydney Sparks, Claire James and Fallon McAllister. Congratulations to these students and thank you for living our mission and making a difference in the lives of others.

Our spring athletes had a great season and they are to be commended for their successful competitions and hard work. The Spring Awards Banquet for the student athletes and their parents will be held next Monday, June 6 at 7:00 p.m.

As announced earlier this year, we are once again requiring a common reading assignment for the coming school year. The book we will read is *A Pearl in the Storm* by Tori Murden McClure. Students are required to read this book prior to their return for the new school year in August. We will have activities and discussion groups as part of our opening activities for the 2016-17 school year. There is a link to all other summer reading assignments below.

I find that I am ending the school year much like I began it - truly impressed with our students and their enthusiasm for education. It is clear to me and I hope to each of you, that at NDA, we are part of a tradition larger than any one of us, a strong academic tradition of empowering young women to make a difference in the world. Thank you for partnering with us. I look forward to seeing our students in August and I wish you and your family a blessed and safe summer.

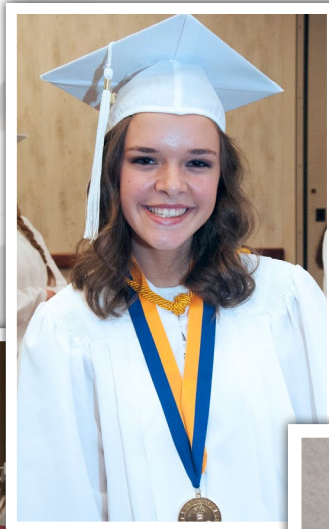

In Notre Dame,

Mr. Jack VonHandorf

2016 Notre Dame Academy Distinguished Graduate ◀ *Emily Walter*

Congratulations to NDA senior Emily Walter who received the Distinguished Graduate Award from the Sisters of Notre Dame at this year's Senior Awards Luncheon. The Sisters of Notre Dame Distinguished Graduate Award recognizes graduates in schools sponsored by or affiliated with the Sisters of Notre Dame National Education Partnership, as being outstanding witnesses to Notre Dame education. The names of the award recipients are recorded each year in a book kept in the Motherhouse (international headquarters) of the Sisters in Rome, Italy. It is placed on the altar dedicated to Sr. Maria Aloysia, the founder of the Coesfeld SNDs and an outstanding educator.

FRESHMAN TAKE ACTION AND MAKE A DIFFERENCE IN HAITI ◀

Children, Inc.'s Service Learning Program is pleased to announce that Notre Dame Academy received the May Jefferson Award for Outstanding Public Service for their service learning project entitled, "Where am I Wearing?" The Jefferson Award Foundation is a prestigious national organization encouraging and honoring community service in America. Founded in 1972 by Robert Taft, Sam Beard and Jacqueline Kennedy Onnasis, they introduced their own public service awards based on the simple premise that each person can make a difference.

This award is offered to acknowledge the contributions made by three freshman students in Ms. Amanda Staggs' class: **Sydney Sparks, Claire James and Fallon McAllister**. The students learned about child slavery in Haiti and decided they needed to take action. The freshman raised \$750 through a Valentine candy sale to support two children with an education and provide supplemental services through the organization, Restavek Freedom. Because of the efforts of these caring Notre Dame Academy students, young children have been saved from the harsh living conditions in Haiti's slave industry and have been given the opportunity for a new life.

NAVIGO SCHOLARS ◀

Congratulations to Stephanie Meyer, Emma Nurre, Ashley Wright and Alenna Fletcher. These students were chosen by Navigo Scholars Program to participate in a career program with US Bank and the Northern Kentucky Education Council. This program gives students the opportunity to get hands on business experience at US Bank in their Information Security areas. The students were chosen, based on their application and interest in the technology field. They will be working with a Coach assigned to them from US Bank to learn about this field and may be offered possible internships in the future.
