

An e-Newsletter for the Families of Notre Dame Academy

LETTER FROM THE PRINCIPAL ◀

Blessings friends,

Welcome to the 2019-20 school year! When our students returned to campus on Monday they brought with them their incredible energy and enthusiasm for education that is such an important part of Notre Dame Academy. There is nothing quite like the joy on their faces as they greet each other on that first day!

This is Notre Dame Academy's 114th year and as always, we continue to educate our students in the tradition of the Sisters of Notre Dame. This year, as we focus on the first Educational Principle of the Sisters of Notre Dame, *The Centrality of our Good and Provident God*. In doing so, we will concentrate on *Cultivating Hope and Happiness, Strengthened by God's Love*.

At our first all-school assembly on Monday, I spoke to the students about the importance of being present at school and engaging in the many activities that make up the school day. I encouraged them to find their passion and get involved and participate in high school. I also asked them to make an effort to reach out to everyone to help us continue to be an inclusive environment for all students at Notre Dame Academy. I talked to them about the importance of learning to be servant leaders and being kind to one another. I challenged them to be the best version of themselves, take healthy risks and to be resilient even when things do not work out as they expect them to. Finally, I told our students that my prayer for them is that they have a healthy high school experience in the 2019-20 school year.

We are off to a great start of the school year. Please don't hesitate to contact me if you ever have any questions or concerns.

On behalf of our faculty and staff, please accept my gratitude to you as parents for sending your daughters to NDA. We are blessed to have each and every one of them as part of our community and look forward to a healthy and productive school year.

Thank you for partnering with us as we strive to educate young women to make a difference in the world!

In Notre Dame,

Mr. Jack VonHandorf

*Cultivating hope and happiness,
Strengthened by God's love.*

I can do all things through Christ who strengthens me.

FROM THE DESK OF
Dr. Laura Koehl

Greetings Parents!

I would like to welcome each of you to the 2019-20 school year! As Mr. VonHandorf mentioned, this year as we celebrate the first Educational Principle of the Sisters of Notre Dame, *The Centrality of our Good and Provident God*. We cannot help but have great faith in God when we see evidence of God's goodness all around us here at NDA everyday! And how blessed we are to work towards the realization of what is hoped for in the goals and dreams of many.

As we embark on a new school year, I am filled with gratitude for your dedication to Catholic education and academic excellence and I thank you for sending your daughter to Notre Dame Academy. I am also very appreciative for the talent and loving spirit our faculty and staff bring to our school. I hope this year is filled with the realization of many things you hope for. May you know God's Goodness and Provident Care each and every day.

Thank you for all you do to advance the mission of NDA!

Gratefully,

Dr. Laura Dickman Koehl '75
