## LETTER FROM THE PRINCIPAL ◀

Dear Parents,

Labor Day is just around the corner and the school year is well underway. Please note that there is no school next Monday (9/3) and the girls have a late start next Wednesday (9/5) to accommodate a faculty/staff meeting in the morning.

Thanks to all who attended the Theater meeting last night. We had a great showing from NDA and CCH students and parents. We are all looking forward to the 2012-13 NDA/CCH Theater season and enjoying the many talents of our students. Please watch for further information about our shows and auditions. Parent volunteers will be needed and welcomed.

There are some special events coming in the next two weeks. On Tuesday, September 4, the Student Council will sponsor a student/faculty volleyball game after school. Students who are selected to participate on the student team will bring home a permission slip for your signature. Picture Day is September 7 in the morning. Your daughter will be given her picture forms next Tuesday. Also on Friday of next week (after the pictures are taken), the freshmen will be attending the play, *To Kill a Mockingbird* at the Cincinnati Shakespeare Theater. The cost of the play and transportation is included in the school fees already paid. Your daughter will bring home a form for your signature to give permission to attend this field trip.

Parent Mini Night is just around the corner on September 12 from 7:00-9:00 p.m. This is a special evening when you can visit each of your daughter's classes for a 10-minute overview about course expectations and activities. Your daughter will bring home her Wednesday schedule for you to follow that night. This is not a time for individual parent-teacher conferences as the teachers will be addressing parents for the entire class. If you need an individual consultation with a teacher that should be scheduled at another time.

Power School is accessible if you wish to check on your daughter's progress. It is still very early in the quarter so there will not be many grades yet in each class. Also please remember that with only a few grades to date, the overall grade average at this time should be viewed in that context. Of course, it is not too early to talk with your daughter about how her classes are going and where she is finding particular challenges and successes. Encourage her to take ownership of her work and be engaged by asking questions and participating in class.

All freshman parents should receive an invitation from the Advancement Office to attend a welcome dinner at 6:00 p.m. on September 12, before the Mini Night. This will be an opportunity to meet other new parents as well as hear about the activities of the Advancement Office and ways you can get involved.

Finally, speaking of ways to get involved, please mark your calendars for the PTO meeting on September 11 at 7:00 p.m. The meetings are held in the Faculty room off the main foyer. Please join us to hear about the many activities PTO sponsors and ways you can be a part of these exciting events.

May you know God's goodness each day,

Dr. Laura Koehl

## NEWS FROM THE STUDENT LIFE OFFICE ◀

The year's first Student Council Mixer was a huge success! A big "thank you" to Notre Dame's very dedicated Student Council members, Mrs. Gronotte, Sister Paul Ann, and Sister Rachel for facilitating the event. The student body is already looking forward to the next big event, which features a volleyball competition between faculty members and students. Join us on Tuesday, September 4 at 3:00 in the gymnasium for a competitive camaraderie between students and faculty. Students, come show your school spirit and help your class be the first of the year to earn NDA's Spirit Stick!

Scheduled for Friday, September 21 is Club Orientation – a highlight of the school year and held as an opportunity for all students to learn more about how they can get involved at NDA. At Club Orientation, registered clubs will present a skit, video, and/or song, so the entire student body can learn about the opportunities available. All students are encouraged to take part in the fun by joining at least one club.
