LETTER FROM THE PRINCIPAL ◀

Blessings friends,

In our Advent Journey we are reminded of the significance of prayer and community in our lives. While time seems to pass even more quickly than usual through the holidays, it is important for us to take time out during this busy season to pause and remember the blessings of people and community.

It is difficult to believe that we only have two more weeks of classes before our Christmas break. Our student council has done a terrific job decorating our school building with all sorts of holiday cheer to prepare us for the upcoming holidays.

Friday, December 8, is the Feast of the Immaculate Conception and therefore school will be closed. I hope you are able to attend Mass with your daughter on Friday as it is a Holy Day of Obligation. I'm sure our students will enjoy the day off but considering our school theme this year, I think they will also find themselves inspired on this special day by our Blessed Mother and her willingness to say "yes" to God. I hope they see her humility and courage in following the Word of God and are *empowered by Mary's Witness!*

Please note: Due to our adjusted calendar this year, our exams will be January 16, 17 and 18 and a schedule will be shared with the students and parents soon.

In order to be prepared for any upcoming inclement weather, we tested our emergency notification system this week. If you did not receive the "TEST" notification, please contact our school office at 859.261.4300.

A very special thank you to the students and parents who came out this past weekend to support our annual fruit sale. It could not have been done without you. Also we are especially grateful to Jan Schmidt for the planning, hard work and infinite number of hours she contributed to making this fundraiser for our athletic program a success.

I suggest that you encourage your daughter to take some time during this season of Advent for joyful preparation and peaceful reflection of the importance of prayer and community in our lives and the coming of our Lord on Christmas day.

Have a great week!

In Notre Dame,

Mr. Jack VonHandorf

Regional Youth Leadership Opportunity

All sophomores were emailed information about the Regional Youth Leadership Program for the Chamber of Commerce. The program is for juniors but they recruit during the sophomore year. Regional Youth Leadership is a series of sessions held monthly during the school day from August through March. Each session is held at a different business or organization and managed by community leaders. The Program looks for a diverse group of students who are not necessarily the very top students. They want students who have leadership potential, are well rounded, enjoys community service and is a B student or better. For more information, please see the RYL website and application link below:

Green Dot is a nationally recognized bystander strategy focused on preventing violence in all its forms, including bullying, dating violence, and sexual assault. The strategy is based on the belief that each of us holds power as bystanders to actively prevent violence, and to shape our community's norms. Green Dot Specialists trained and practiced with Notre Dame Academy Freshmen and Seniors in November and December about different ways they can intervene in potentially harmful situations, using the "3D's:" Direct intervention, Delegation, or Distraction. NDA Sophomores and Juniors will be trained in January. No one has to do everything, but everyone has to do something.
