LETTER FROM THE PRINCIPAL ◀

Blessings friends,

Our students and faculty have returned from Labor Day weekend re-energized and ready to continue *Cultivating Hope and Happiness, Strengthened by God's Love*. I hope you enjoyed the long weekend and are feeling refreshed as well.

Last week we incorporated PANDA PRIME TIME into our schedule and I'm happy to report that it has been going very well. I encourage you to talk to your daughter about how she is using this flexible time period on Tuesdays and Thursdays.

There are a few important upcoming events listed below that I would like to bring to your attention:

- On Monday, **September 9**, from 7-8 p.m. in Alumnae Hall, we will have our first **Parent Panda Club (PPC) meeting** of the school year. As I told you at our Parent Meetings in August, this year at our PPC meetings we will be focusing on topics of special interest to our parents. At our first meeting, there will be a special presentation on **Powerschool Unified Classroom** to help you better monitor your daughter's progress at NDA.
- On Tuesday, **September 11**, we will have our **Parent Mini-Night** at 7:00 p.m. I hope you will attend this special event to learn more about your daughter's classes and meet her teachers. I look forward to seeing you there.

As the principal of Notre Dame Academy, I spend a great deal of time observing our students and faculty both in and out of the classroom. In doing so, I am reminded of how blessed we are to be part of the NDA community. While I am often impressed with the work ethic of our students in the classroom, I also see the grit of our students at athletic events. I see their spirit at extracurricular activities and I see their joy as they laugh with each other everyday in the cafeteria. In all of these circumstances, I witness our young NDA women learning, growing, serving others and becoming women who will make a difference in the world. I find my job very rewarding!

I thank you, our parents, for allowing us to partner with you in the education of your daughters. Thank you for your continued support and commitment to the mission of Notre Dame Academy.

In Notre Dame,

Mr. Jack VonHandorf

*Cultivating hope and happiness,
Strengthened by God's love.*

I can do all things through Christ who strengthens me.
