LETTER FROM THE PRINCIPAL ◀

Blessings friends,

Today we celebrated our Common Reader Day at NDA and I hope you have the opportunity to talk to you daughters about the incredible learning experience we shared as a community. We began the day with small group discussions which were followed by a special presentation from the author of *A Pearl in the Storm*, Tori Murden McClure. We were all inspired not only by Tori's amazing story but also by her insights about humanity. The day continued with a special presentation by WLWT meteorologist, Randi Rico, and afternoon breakout sessions. It was one of those days where everything came together beautifully - we celebrated our theme of *Embracing Dignity in Self, Others and Community* and we lived our mission by educating young women to make a difference in the world. I would like to thank our Student Services Team and our Athletic Department as well as all of our student, faculty and staff volunteers for planning such a meaningful intellectual experience for our school community.

We had our first Panda Parent Club meeting of the school year this past Monday. I would like to encourage all of our parents to join us on the second Monday of each month from 7:00 - 8:00 p.m. in the faculty conference room for our meetings. Also, there are many opportunities for NDA parents to volunteer for various events and committees. Please see the link in the PPC section below for the PPC Parent Volunteer Form.

One important reminder for parents - when picking up your daughter after school, **please do not park in the fire lane located in the front of school**. Also, we ask you to please not park in the aisles of our parking lot as the students are exiting. Please use one of the open spaces as you wait for you daughter. I realize that everyone is in a hurry to get on with the day and afternoon activities however, the safety of our students is always our primary concern.

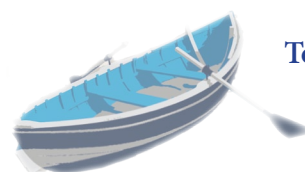

In her speech today, Tori Murden McClure stressed to our students the importance of getting in the habit of doing their homework. She also told them to have "tolerance for adversity and comfort for uncertainty." I hope you can use those ideas to spark a meaningful conversation with your daughter over the next week.

As always, thank you for partnering with us in your daughter's Catholic education!

In Notre Dame,

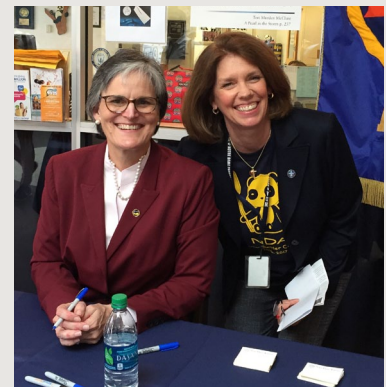

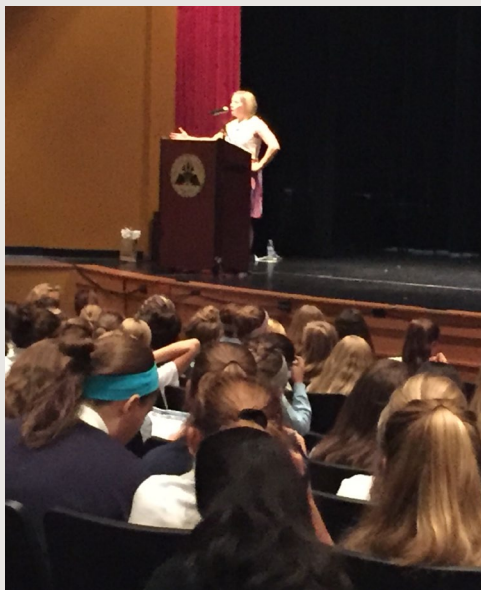

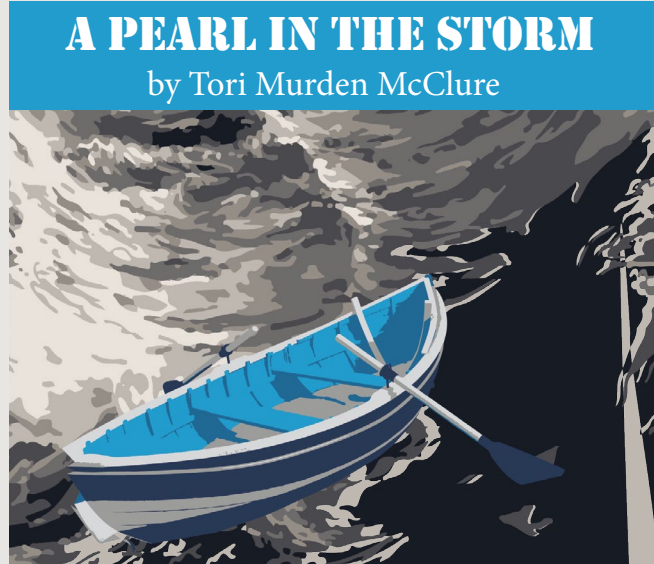

Mr. Jack VonHandorf

Our helplessness makes us human. Love is what makes our humanity bearable.

Tori Murden McClure
