

An e-Newsletter for the Families of Notre Dame Academy

## LETTER FROM THE PRINCIPAL ◀

Blessings friends,

It's a good week to be an NDA Panda! We began the week with a couple of very important announcements. NDA President Dr. Laura Koehl announced the initial launch of our \$7 million **Excellence Without Boundaries - Empowering 21st Century Women** Capital Campaign to renovate our 20th century building into a 21st century environment. Thanks to a strong leadership team, the campaign is well on its way to reaching the \$7 million goal for the campaign. Please see more about our capital campaign below.

Also this week, we held a special assembly for the NDA community to announce a \$1.995 million bequest from NDA alumna Ruth Wehage Schroer '38. With the exception of previous gifts made to Notre Dame Academy from the Sisters of Notre Dame, this is the largest individual gift ever made to NDA. The gift will support Notre Dame Academy's capital campaign and will establish the Ruth Wehage Schroer Scholarship. You can read more about this incredibly generous gift below.

We continue to focus on *Embracing Dignity in Self, Others and Community* during Respect Life Month. This week we held a dress down day to benefit those in need as well as a blood drive. Next week we welcome NDA alumna and pro-life speaker Liz Carl to speak to our juniors and seniors. I am very proud of the commitment our community continues to demonstrate supporting the value and dignity of life.

On November 7, NDA will hold **Student/Parent Teacher Conferences** from 2:30 - 8:30 p.m. Students taking responsibility for their education is a hallmark of the NDA experience. Student/Parent Teacher Conferences are a wonderful opportunity for our students to take ownership of their education and I encourage you and your daughter to attend teacher conferences this year.

While this is optional and may not have been common practice in the past, every student can greatly benefit from a personal conversation with her teachers. We are blessed with very qualified and dedicated faculty members at NDA who are invested in making each student's educational experience at NDA the best it can be. Please encourage your daughter to take advantage of this great opportunity, to be responsible for her education, and attend this year's Student/Parent Teacher Conferences.

Students will fill out a form prior to November 7 that will help them prepare and actively participate in the conference. You can view the form [HERE](#). Also, online sign-ups for conferences will be open beginning today through November 2. You can sign up for this year's Student/Parent Teacher Conferences [HERE](#).

I close my letter today with a grateful heart. I am grateful for the many supportive alumnae, parents and friends of Notre Dame Academy. Together we can make a tremendous difference in the lives of our students and in the world.

In Notre Dame,

Mr. Jack VonHandorf

## EXCELLENCE WITHOUT BOUNDARIES EMPOWERING 21<sup>ST</sup> CENTURY WOMEN

Notre Dame Academy has announced the launch of a \$7 million capital campaign to renovate our 20th century building into a 21st century environment where we will continue to serve as a premier Catholic high school, providing excellent academic and co-curricular programs that prepare our graduates to be outstanding female leaders serving the world.

Thanks to a strong leadership team, the campaign is well on its way to reaching the \$7 million goal for the **Excellence Without Boundaries - Empowering 21st Century Women** capital campaign. The campaign has already raised \$5 million, over 70% of the \$7 million goal in the campaign's initial phase, a six-month period of intense internal planning and preliminary gift solicitation behind the scenes. The initial phase ended on Monday with the public announcement of the campaign which was a special ceremony honoring NDA alumna, Ruth Wehage Schroer '38, who bequeathed \$1.995 million to NDA and will support the campaign. NDA's goal is to secure the remaining 2 million over the course of the next twelve months.

In light of NDA's tradition of holistic education, the campaign will support four funding priorities: Chapel Renovation; a 21st Century Collaborative Learning Center; a new Food Court and Student Commons; and Elevator and ADA compliance.

With our Catholic identity at the heart of our Notre Dame Academy education, the chapel has long been an important space within our school building. Having a special place where students can go for quiet reflection or to pray and honor God is increasingly important in this technological age. With a focus on the spiritual formation of our students, Notre Dame Academy plans to renovate and expand our chapel so that it will hold at least one full grade level and their teachers.

The centerpiece of the Excellence Without Boundaries campaign is a 21st Century Collaborative Learning Center. For several years, Notre Dame Academy has led the way in educational technology and STEM related fields. Educators at NDA believe that fundamental skills such as collaboration, communication, creativity and critical thinking are required for success in today's global community and they have integrated core competencies that have enabled students to thrive in the 21st century. NDA's 21st Century Collaborative Learning Center will support the new and innovative ways that NDA students utilize a library to access online resources and collaborate with others to problem solve and create new ideas.

Social engagement is an important element of the Notre Dame Academy experience. The goal for NDA's new Food Court and Student Commons is to create a space that will serve as a home away from home for students. It will provide an environment that is conducive to quiet study time and accommodate small or large group events as well as the entire NDA student body for assemblies and presentations.

A second elevator in NDA's school building will provide equal access for all. Half floor areas will be renovated into classroom spaces that will be fully accessible to provide equal access.

"This is an exciting time for Notre Dame Academy," said NDA President Dr. Laura Koehl. "Through our Excellence Without Boundaries campaign, we have embraced the bold vision God has for us: equipping our students to lead the way as Catholics in this globally competitive information age. Dr. Koehl added, "This campaign powerfully supports NDA's commitment to academic excellence and mission of educating young women to make a difference in the world."

# NOTRE DAME ACADEMY Receives \$1.995 Million Bequest

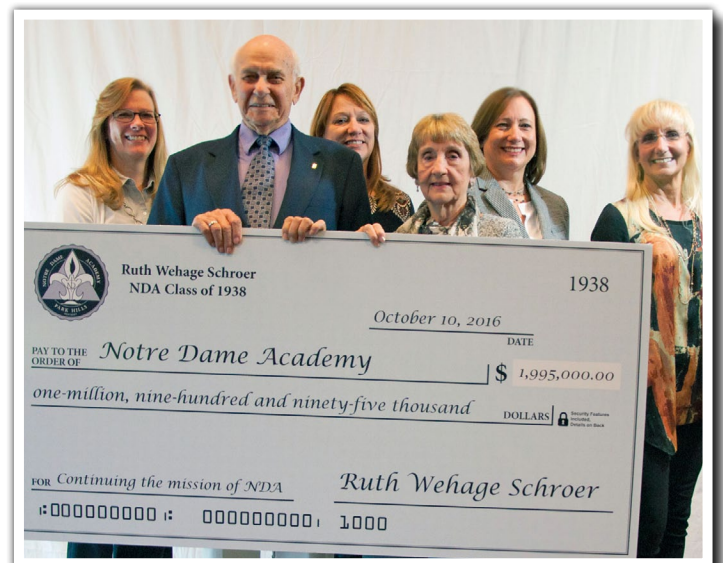

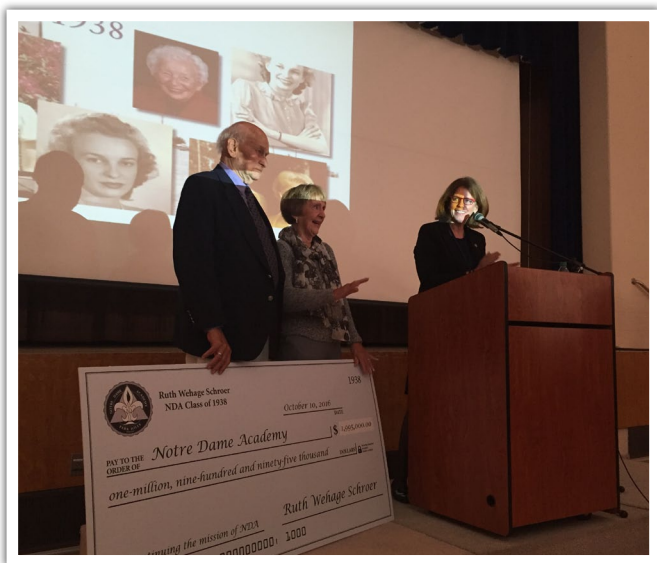

Notre Dame Academy has received a \$1.995 million bequest from the estate of one of its alumna, Ruth Wehage Schroer '38. With the exception of previous gifts made to Notre Dame Academy from the Sisters of Notre Dame, this is the largest individual gift ever made to NDA. The gift will support Notre Dame Academy's **Excellence Without Boundaries - Empowering 21st Century Women** Capital Campaign and will establish the Ruth Wehage Schroer Scholarship.

Notre Dame Academy invited Ruth's surviving family members to a special ceremony Monday morning where NDA President Dr. Laura Koehl announced the news of the \$1.995 million bequest to the NDA community. "As an Notre Dame Academy alumna, Ruth Wehage Schroer clearly lived the mission of her alma mater by making a difference in the world," said NDA President Dr. Laura Koehl. She added, "Ruth's generous gift will help generations of students receive an NDA education in a 21st Century learning environment."

In line with Ruth's enthusiasm for education and libraries, her gift will support the addition of NDA's 21st Century Collaborative Learning Center. This collaborative learning space will support the new and innovative ways that NDA students utilize a library to access online resources and collaborate with others to problem solve and create new ideas.

Ruth Wehage Schroer graduated from Notre Dame Academy in Covington, Kentucky in 1938 and attended Xavier University Evening College. Ruth married Ralph Schroer in 1942 and the couple moved to Cocoa Beach in 1958 where Ruth worked as an executive secretary for NASA Kennedy Space Center aircraft operations. Ruth was a Charter Member of the Church of Our Saviour where she served as a Eucharistic Minister and past president of the Catholic Women's Club. Ruth was also a devoted volunteer and passionate supporter of the Cocoa Beach Library. She retired from NASA in 1975 and volunteered as a tax counselor for the elderly until 1996. Ruth's husband of 57 years passed away in 1999. On November 21, 2015, Ruth passed away at the age of 95.

We are very grateful to Ruth and her family for their support of academic excellence at Notre Dame Academy!

Four of these students also presented one of the break-out sessions about their Service Learning Project from their Freshman Year. Fallon McAllister, Sydney Sparks, Claire James and Grace Lawler shared with other students and teachers how they fundraised for Restavek Freedom, an organization that advocates for the end of child slavery in Haiti.
