ABOUT THE MUSICAL

Dead Serious ... about life is a musical written to appeal to teenagers.
It is upfront ... it is blunt ... it is life!

The story begins at Todd and Stephanie's house. Mom and Dad have left for the weekend, so let the party begin! Throughout the course of the evening, you will meet the characters with their different personalities, their numerous problems and their view about their lives. Dead Serious will expose you to the issues of abortion, alcohol, drugs, religion, sex, cutting, self-esteem and suicide ... issues that everyone would rather ignore.

Well, hang onto your seat, 'cause this musical cuts it wide open. It will make you laugh, cry, hurt, fear and feel ... but most of all Dead Serious will make you take a second look at life. The final message that is communicated to the audience is that suicide only creates more problems than it really solves and that there is a better way to live!
