LETTER FROM THE PRINCIPAL ◀

Greetings parents!

We were hopeful for a full week of regular days, but with the water main break today, that is not to be the case. We are thankful to get in a school day with 25-minute classes today and appreciate your support in picking up your daughters early. Our maintenance staff is confident they can get this resolved by the end of the day.

It is an honor and joy to report that our five National Merit Semifinalists all qualified as Finalists in the National Merit Scholarship competition. Congratulations to seniors Stephanie Hacker, Maggie Hackman, Szophia Komaromy-Hiller, Abby Marshall and Abigail Martin. These young women, their teachers and parents are to be commended for this recognition of commitment to hard work and academic success.

Speaking of academic success, congratulations to our Academic Team who placed second in the District competition that included Quick Recall and written assessments. Our team advances to the Regional competition this weekend and we wish them well in their efforts. Way to go Academic Team Pandas!

Scheduling for next year's courses begins on Monday, February 25 and should be completed by February 28. Students will be able to access Power School and register for electives. Teachers have met with students and completed course recommendations for the core requirements. For information about the scheduling process please go to the counseling page on our website (<http://www.ndapandas.org/academics/counseling-and-student-services.aspx>). Our academic counselors have begun meeting with each student to review their course plan for next year.

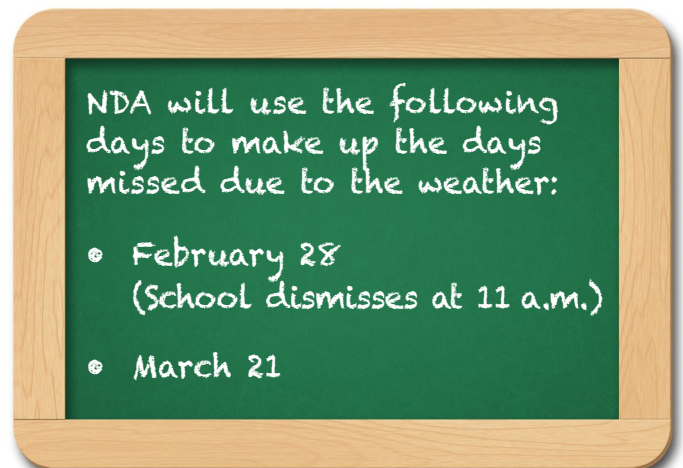

It has come to our attention that several parents have not received the second quarter report cards that were sent home electronically. This is a new system we are using with Power School and they are working on resolving the issue. Since we do not have a clear indication of how soon that resolution will come we are printing paper copies and sending them home with your daughters next week.

Sophomore parents please remember that, on Wednesday, February 19th from 3:30 p.m. to 7:00 p.m., Herff Jones will be at NDA to provide information about class rings and placing orders.

There is much to share about the happenings at NDA. I hope you take the time to read all that is listed below to stay current on activities and accomplishments. Also, please visit our website (www.ndapandas.org) for additional information about our programs and services as well as news articles about NDA.

May you know God's goodness each day,

Dr. Laura Koehl

TECHNOLOGY UPDATE ◀

Students taking the SWAT Course are getting their projects ready for the [KySTE Conference](#) on Thursday, March 6, in Louisville. The topic of the presentation is called, "Professional Development in a 1:1 iPad Implementation Demands Student Participation."

Students will present on practical recommendations for iPad uses in an academic setting. Some examples are; assignment workflow, utilizing iTunesU, iCloud workflow with the iPad, and some recent filming projects. Please look for more specific news in the coming weeks.

Please remind your daughters to bring their iPad to school each day. We are seeing an inordinate amount of iPad sign-outs in the SWAT Help Desk, enough to prompt us to require students to sign a release: [NDA iPad Loaner Policy](#). Additionally, we are finding students keeping the loaners longer than we would like. General maintenance calls for us to examine them on a regular basis. Your support is greatly appreciated!

BUSINESS AND TECHNOLOGY DEPARTMENT NEWS: ◀

Notre Dame Academy students in the Accounting I class, under the direction of Mrs. Gronotte, recently completed **Be Entrepreneurial**, a program designed to inspire and prepare students to start an entrepreneurial venture by developing a business plan while still in high school. This program is sponsored by Junior Achievement, a world-wide nonprofit organization providing in-school programs that focus on three pillars of student success: work readiness, entrepreneurship, and financial literacy. Junior Achievement provides a business volunteer to guide the students through weekly sessions. Mr. Coleman Nelson, an Assurance Associate with PriceWaterhouseCoopers Public Accountants, spent several weeks visiting the classroom and guiding the students through the sessions. The students brain-stormed new business ideas by thinking about how to improve a product or how to solve a problem. They learned about marketing and understanding the customer, competitive advantages, and ethics and social responsibilities that are associated with entrepreneurship. They concluded the sessions by developing a written business plan. The students will have the opportunity to continue their work by preparing for a regional high school Entrepreneurship competition at NKU.

HAVE A HEART FOR THE HOMELESS ◀

DONATIONS THIS WEEK - Please consider donating the following items for a Diocesan Service Project this weekend, "Have a Heart for the Homeless". Items needed: adult socks, men's t-shirts (small, medium, & large), and/or toiletry items (travel size soap, shampoo, toothpaste, deodorant, shaving cream, razors, toothbrushes etc). Donations accepted until Friday at 3:00 p.m.

"Have a Heart for the Homeless," a service event for youth of high school age, will be held on Sunday, February 16, 2014 from 4:00 to 5:30 p.m. in Howard Hall at the Diocesan Curia Building, 1125 Madison Ave., Covington, KY. Part of the "Together As One" diocesan youth ministry program, the event will involve the assembly of gift bags to be distributed to homeless persons through the Emergency Shelter of Northern Kentucky. Youth who attend are asked to bring donations of adult size socks, men's T-shirts (S, M, & L), and/or travel size toiletry items (soap, shampoo, deodorant, toothpaste, shaving cream as well as toothbrushes and shavers). An RSVP for the event is requested, but not required. To donate items, to RSVP, or for more information, contact the Diocese of Covington, Department of Catechesis and Formation at catechesis@covdio.org or 859-392-1500 ext. 1527 Or Mrs. Bridget Price at NDA at priceb@ndapandas.org or 859-292-1836. Students can also sign up through their x2Vol website.
