LETTER FROM THE PRESIDENT ◀

Greetings parents!

This week we are celebrating National Red Ribbon Week and NDA joins with schools around our nation in advocating for a drug free lifestyle. The theme this year is “Love yourself and be drug free” – underscoring the idea of making healthy and wise choices. As a Catholic school we recognize that we are each made in the image of God and that calls us to love and respect the person God made each us to be - living drug free. The Drug Free Club has planned many awareness activities including their Membership Drive (see website [LINK](#)). Please encourage your daughter to join our Drug Free Club, it is a great way for peers to support one another in making the right choices.

Another important choice that our students make everyday is the choice to drive without texting. Texting while driving is extremely dangerous and has become a common occurrence for many drivers. It is important that our young people know how dangerous this can be. On November 11, NDA will host the Distracted Driving Program. Thanks to the generous support of St. Elizabeth Hospital, we are bringing this subsidiary of the National Save A Life Tour to our school community. The program will include education sessions during the school day for our students and a special presentation for parents in the evening. Please mark your calendar and watch for additional information.

This past weekend many enjoyed our fall production of *Almost, Maine*. Congratulations to Director Maggie Perrino, our talented actors from NDA and CCH, and the many students and parents involved in the production. The show was a big success and their talent and hard work are to be commended.

Congratulations to our Soccer Pandas who have claimed the regional championship title. Good luck to all the players and coaches in the State Tournament. Please support our soccer, volleyball and cross country Pandas as they continue in post season play.

Please note that Parent Teacher Conferences will be held on November 25 from 2:30 p.m. to 8:30 p.m. You can schedule these by visiting www.myconferencetime.com/nda. Conference sign up must be completed by Friday, November 21 at 5:00 p.m.

Panda Family Directories are being sent home with your daughter this week.

Please take note of several important announcements related to the following (See below for details);

- Italy Trip Registration October 30
- ExtravaPANDAz November 1

Love yourself,
Be Drug Free

Red Ribbon Week at NDA: October 27-31

Our community will unite to take a visible stand against drug abuse.

The 2014 Theme is: Love Yourself - Be Drug Free

Parents, did you know:

1. Children of parents who talk to teens regularly about drugs are 42% less likely to use drugs than those who don't?
2. Only 25% of teens report having these conversations with their parents.
3. 70% of children who abuse prescription drugs get them from family or friends?

What can you do???

- Educate yourself and your child about the most commonly abused drugs.
- Talk to your children about the dangers of drug use and drug abuse; once is not enough.
- Set clear boundaries and rules, and monitor behavior.
- Secure your prescription medications in places your child cannot access
- Take inventory of the name and amount of medications you currently have and check regularly to see that nothing is missing.
- Properly dispose of old and unused medications. For guidelines visit www.lockyourmeds.org.
- Work with the parents of your children's friends to set common boundaries and monitor behavior so that rules are respected and enforced.
- Set a good example for your family and friends. Your children ARE watching!
