## LETTER FROM THE PRINCIPAL ◀

Blessings friends,

I hope you enjoyed a wonderful Thanksgiving break with family and friends. Our students, faculty and staff are *Becoming Fully Alive Through Education and Love* during this season of giving. Last Tuesday, the NDA community came together in prayer at our annual Thanksgiving Prayer Service with gratitude for all that God has given us. During our prayer service, two of our students, Mara Schutt and Nina Simkonis, gave witness to the merits of service to others by speaking about their mission trip to the Dominican Republic this past summer with Sr. Maria Francine Stacy. They spoke of the joy they found in the children with whom they worked. Each of them expressed a deep sense of gratitude for the opportunity to serve. After the prayer service, Student Council members presented the results of the CANdamonium food drive to the student body.

Speaking of this year's Canned Food War, I would like to congratulate our NDA Pandas on "Canning the Cru". Our students collected a total of 5,471 canned food items which have been donated to St. Vincent dePaul. Our partners in this canned food competition at St. Henry collected 4,461 items. NDA would like to thank the St. Henry Crusaders for helping us make a positive difference in the world and feeding families in need. I would like to express my gratitude for your support and generosity this year to our annual food drive as well. I am always amazed by the spirit in which your daughters take ownership of this annual event.

Our students are very generous in sharing their gifts and talents with others. They find great joy when partaking in the service work that is so much a part of NDA. I am very proud to be the principal of such an incredible and spirited group of young women committed to making a tremendous difference in the world!

In Notre Dame,

Mr. Jack VonHandorf

## 2019 MARCH FOR LIFE: IT'S NOT TOO LATE TO JOIN US ◀

Saving lives, ending abortion, and promoting a culture of life is why we march each year in Washington D.C. If your daughter would like to attend this important event on January 18, 2019 and be a voice for the voiceless please have her stop by front office to pick up permission slip forms. If you have any questions please email Mrs. Theresa Van Auken at [vanaukent@ndapandas.org](mailto:vanaukent@ndapandas.org). Parent chaperones who are virtue trained are needed so please let Mrs. Van Auken know if you are able to join us.

## GOOD FORTUNE COMES TO THOSE WITH MANNERS! ◀

Mrs. Brennan's Entrepreneurship class recently studied Business Dining Etiquette to polish their business skills. They put their lesson into practice by dining at the Oriental Wok on Friday, November 9. It was a delightful learn experience for everyone! NDA Campus Minister Bridget Price accompanied them as a chaperone and tried several new dishes herself.

## SEW AWESOME! ◀

Mrs. Brennan's Textiles class students couldn't wait to unpack NDA's new sewing machines. Two families generously donated 30 Janome sewing machines to the Textiles classroom for class use and for use by the Textiles Club. We are thrilled with the new machines. They are quiet, and make sewing so much easier. We are grateful to these anonymous donors and are keeping them in our prayers!

## WORK STUDY AND VOLUNTEER OPPORTUNITIES IN THE LONGSHORE DINING HALL ◀

Do you have just one day a month to volunteer for two hours in the NDA cafeteria? Helping out is neither difficult nor time-consuming and our current volunteers have fun visiting the school and seeing their daughters, granddaughters and friends. Volunteers are also welcome to stick around after their two-hour shift for lunch with "the crew". Grandparents in particular seem to love this job, so please consider asking your daughter's grandparents if they would like to help out. If you are interested in volunteering, please contact Karen Brungs at 859.292.1856 or [brungsk@ndapandas.org](mailto:brungsk@ndapandas.org). The schedule is online and you can sign up [HERE](#).

**ALSO**, we have a Work Study position open in the Longshore Dining Hall dishroom as well. If you are interested in this position, please contact Karen Brungs at 859.292.1856 or [brungsk@ndapandas.org](mailto:brungsk@ndapandas.org).

## COUNSELING AND STUDENT SERVICES ◀

### GSE

The [Governor's School for Entrepreneurs](#) is now accepting applications for the Summer 2019 program,

which will run from June 23 through July 13, at Northern Kentucky University. Students currently in **9th, 10th and 11th** grade can apply, and they can receive high school **class credits** and **scholarships** to Kentucky colleges and universities through their participation. Most of all, if they have that creative spark and drive, it can prepare them to succeed in life as entrepreneurs!

Warren Buffet stated in 2011 that he remembered, "reading a study that sought to correlate business success with all sorts of variables, ranging from I.Q. to which school one attended. The only thing that mattered, it turned out, was the age at which people started their first businesses." An opportunity in high school to experience a program like The Governor's School for Entrepreneurs could be invaluable. ([See Highlights from 2018 GSE!](#))

### GSA

Students can attend a **GSA PREP WORKSHOP** offered by the KY Governor's School for the ARTS, along with an Info Session, on **December 1** at Thomas More University. Students must [Register](#) in Advance and pay a \$10 fee. [The Governor's School for the ARTS](#) applications are open in all nine Art Forms: Architecture, Creative Writing, Dance, Drama, Film & Photography, Instrumental Music, Musical Theater, Visual Art, Vocal Music - but only until January 11!

### ADHD Driving Study at CCHMC

Cincinnati Children's Hospital Medical Center is doing a research study for teens who have ADHD. The study hopes to help students aged 16-19 that have a history of ADHD and a valid drivers license to become safer drivers. There is possible financial compensation for the study. Contact the coordinator at 513-803-1343 or [ADHDdriving@cchmc.org](mailto:ADHDdriving@cchmc.org) for more information.

### New College/Degree Finder Tool for Regional Colleges

The **GC3 Degree** Finder is a searchable database containing every program and degree at the 18 GC3 colleges and universities, including branch and regional campuses. In less than a second, a counselor, student or parent can access over 1900 programs available at all or a single GC3 institution or find all of the GC3 institutions offering a particular program. # IMPORTANT REMINDER

We have been experiencing some issues on our parking lot recently, especially during the afternoon pick-up period. Please review our parking lot policies and procedures below to ensure the safety and well-being of our students and the children from St. Julie Learning Center.

## PARKING LOT POLICIES AND PROCEDURES:

1. Please be cautious of students walking to and from the parking lot to the school entrance. Students should be crossing at crosswalks.
2. When picking up your daughter after school, please park in an empty numbered spot and advise your daughter to meet you at the car.
3. For safety purposes and as advised by the Park Hills Fire Department, it is important to keep the parking lot aisles and all fire lanes clear. **PLEASE DO NOT line up for afternoon pick up in the aisles of the parking lot or in fire lanes.**
4. The back of our parking lot is shared with the Sisters of Notre Dame and Julie Learning Center. Signs have been installed and the spaces left unnumbered for the parking that is needed for the Sisters that live at St. Joseph Heights, their employees and the spaces needed for parents to pick up their children from Julie Learning Center. There is a shift change that takes place at 3:00 p.m. for the workers at the Heights. The Julie Learning Center has pickup that begins at approximately the same time as our dismissal.
5. PLEASE SEE THE PICTURE BELOW to see available parking for afternoon pick-up.

6. Students who drive to school need to purchase a parking permit at a cost of \$25.00 for the year. All parked cars must show a parking permit for the current year. Students are to park on the main lot in the student parking area in their designated spot. A car parked on the lot without a permit or in a reserved area will result in a violation. A car parked in a fire lane is subject to police citation and may be towed at the owner's expense.

We certainly understand that the parking lot can be a frustration at times. We have worked with the Kentucky Transportation Cabinet District 6 to look at solutions. They have added additional time to our light to help with our traffic flow at the end of the day.

Thanks for your help in this matter and for keeping the Notre Dame Academy campus safe for not only our students but for the children from St. Julie Learning Center and people at St. Joseph Heights.
