

## LETTER FROM THE PRINCIPAL ◀

Dear Parents,

This week we focus on respecting life for all, from conception to natural death. Although our Pandas will not be able to participate in the March for Life in Washington D.C. this year due to COVID-19, they will still have the opportunity to make a difference supporting the pro-life cause. On Friday, our NDA community will join other Diocesan schools in the Day of Prayer and Penance and participate in the Diocesan Mass virtually. Please feel free to join us for the Life March Diocesan Mass - live streamed, here: <https://vimeo.com/covcathedralbasilica>

As you can see below, today we are reporting 11 additional reported positive cases of COVID-19 in our NDA community. While we hoped these numbers would decline by the end of this month, that does not seem to be the case. These positive cases are coming from students exposed to family members with COVID-19 and students exposed at events outside of school. Many of our students continue to participate in athletic and extracurricular activities unrelated to NDA where they are exposed to large groups of individuals and are at times required to travel. We are working very hard to manage these situations and the contact tracing involved. In order for us to continue to follow Plan 1 of our *Pandas Return to Campus Plan* with all students on campus with safety precautions in place, we need your help. Please continue to:

- Report any COVID-19 related issues involving your family or other illnesses your daughter may be experiencing with our school nurse. **Honest communication is critical to our success and the health and well being of our community.**
- **AVOID TRAVELING.** As you will see below, the Diocese has updated its travel quarantine guidance returning to previous guidance which mandates quarantines for travel to states where the positivity rate is 15% or higher. If you do choose to travel, we need you to communicate your travel plans to us. We will continue to require a quarantine for the following:
  - international travel
  - travel via public transportation
  - travel to a state with a positivity rate of 15% or higher
  - travel involving high-risk activities

I realize how tempting it is to make travel plans for our upcoming spring break however, I urge you to consider waiting until school is out this summer to take your family vacation. We are in the process of planning how we will handle the return of our students after spring break and will communicate those plans to you in the coming weeks.

As I have said before, I cannot remember a time when the partnership we have with our parents has been so vital to the education of our students. It is critically important that we continue to work together to keep our students safe and engaged in meaningful learning. Open and honest communication is key to our success!

Have a great week!

In Notre Dame,

Mr. Jack VonHandorf

As of today, Wednesday, January 27, we have had 11 reported cases of a member of our community testing positive for COVID-19 within the last week. As per our requirements, those involved are following the quarantine guidelines in our [COVID-19 Response Chart](#). We have also been informed by several members of our NDA community who have had close contact with someone who has tested positive for COVID-19. Those members of our community are also in quarantine.

We have consulted with the Diocese of Covington about these recent cases and we thank the families involved for reporting this information and helping to keep our school community safe.

**As we move forward, please keep NDA updated on any COVID-19 related issues involving your family.** In the event that someone in your household is being tested for COVID-19 or your daughter is exposed to or tests positive for COVID-19, please contact our school nurse, Tina Sizemore, RN., at 859.292.1843 or [sizemoret@ndapandas.org](mailto:sizemoret@ndapandas.org).

### COVID-19 SYMPTOMS ◀

By misinterpreting signs and symptoms, we can put others in jeopardy. **PLEASE** do not try to diagnose or interpret symptoms you may be experiencing. We are lucky to have a medical professional at NDA to assist us in these matters.

## Remote Learners:

Absent students are **NOT** automatically added to the Remote Learner List. Remote learners **MUST** have permission from NDA administration to be on the Remote Learner List. Students can get admin. permission by communicating with [Mrs. Grayson](#), [Mrs. Sizemore](#) or [Mrs. McLeod](#).
