LETTER FROM THE PRINCIPAL ◀

Blessings friends,

Happy New Year! It's been an exciting week at Notre Dame Academy. We began on Monday with a presentation to our students by Dr. Koehl about an important announcement from our sponsors, the Sisters of Notre Dame (SND), regarding the future care of the sisters, plans for a new SND eldercare facility at St. Charles Community, and a reconfiguration of the St. Joseph Heights property. This announcement comes as the Sisters of Notre Dame prepare for the launch of the restructuring of their four U.S. provinces into one "SND-USA" in 2020.

To help the students better understand the significance of the SND announcement and NDA's ongoing partnership with the Sisters of Notre Dame, Dr. Koehl began her presentation with a video about the heritage of the SNDs at Notre Dame Academy which you can find [HERE](#). As the video says, "Inspired by the spirit of St. Julie Billiart proclaiming God's goodness and provident care, the Sisters of Notre Dame of Covington, Kentucky, began sponsoring Notre Dame Academy in 1906." The sisters were empowered by Mary's witness and said "yes" to God's calling to serve when they established Notre Dame Academy. Well over 100 years ago, the Sisters of Notre Dame were *Becoming Fully Alive Through Education and Love*. We continue to follow the example of the sisters today and are forever grateful for all they have done and continue to do for us at NDA. Their dedication to providing excellence in Catholic education to the young women of the Greater Cincinnati area at Notre Dame Academy has been a blessing to over 10,000 graduates over the years! You should have received a letter from Dr. Koehl via email about this announcement. In case you missed the email, I have included Dr. Koehl's letter on the following page. If you have any questions about the announcement, please feel free to contact Dr. Koehl or me.

In December, 149 future Pandas took the High School Placement Test (HSPT) at NDA and Monday evening we invited them back to review their test scores. The Class of 2023 is a very talented group of young women! At the meeting, NDA offered \$48,500 in academic scholarships to 24 of these incoming freshmen (representing 8 local grade schools) based on their outstanding performance on the HSPT. We congratulate these students and look forward to welcoming them to NDA in the fall. If you know a young woman who is ready to make a difference in the world, our Freshman Priority Application Period for the 2019-20 school year is from January 7 - February 15. Potential Pandas can learn more about all that NDA has to offer by calling our Director of Admissions, Katie Caccavari, at 859.292.1829.

Exams will be next week on Monday, Tuesday and Wednesday. Students are dismissed for the day at the end of their last exam on each of those days. Please make sure your daughter gets plenty of rest and eats a good breakfast on exam days. More information about exams can be found in the announcements below.

We are blessed to be a school sponsored by the Sisters of Notre Dame. We look forward to our ongoing collaboration and partnership with the sisters. Please keep them in your prayers as they make changes to their living arrangements and leadership structure.

In Notre Dame,

Mr. Jack VonHandorf

NOTRE DAME ACADEMY

Educating Women to Make a Difference in the World

January 7, 2019

Dear Alumnae, Parents and Friends,

Our sponsors, the Sisters of Notre Dame (SND) of Covington, KY, recently announced some exciting news regarding the future care of the sisters, plans for a new SND eldercare facility at St. Charles Community, and a reconfiguration of the St. Joseph Heights property. This announcement comes as the Sisters of Notre Dame prepare for the launch of the restructuring of their four U.S. provinces into one "SND-USA" in 2020. The Sisters of Notre Dame have served our community in the ministries of education, healthcare, and social justice since 1874. While they are planning many internal changes and personal transitions, the Sisters of Notre Dame remain focused on their mission, ministry, and quality care for the sisters.

This recent announcement by the SNDs and the eventual launch of SND-USA does not impact our sponsorship by the sisters in any way. Notre Dame Academy remains a school sponsored by the Sisters of Notre Dame and recognized as such as part of the Covington Diocesan system of schools. We are blessed with a rich heritage rooted in the charism of the Sisters of Notre Dame and NDA's tradition of excellence in education will continue for years to come.

The announcement does create some exciting new possibilities for the growth of our campus. The SNDs have been through many studies in the course of determining what comes next for St. Joseph Heights, which currently provides residences, assisted care living, and administrative offices for the Covington sisters. A task force has been formed with NDA Board member Sister Mary Judine Lambert, as the SND representative, to explore the feasibility of NDA taking on the management of the current provincial center. The new SND-USA province would lease office space and some housing space for sisters who would not require extensive services. Members of the task force will soon visit the property to evaluate how NDA would eventually integrate the building as a campus facility and how it could be funded.

The forward-thinking SNDs began entrusting the administrative components of their ministries to laity in 2008 with the adoption of a governing Board of Directors and the President/Principal model at Notre Dame Academy. In 2010, their strategic plan continued when I was named the first lay principal of Notre Dame Academy and in 2014 when I became the first lay president. Today Mr. Jack VonHandorf and I are honored to carry on the work of the sisters as lay principal and president, leading Notre Dame Academy in the tradition of the Sisters of Notre Dame. Our collaboration with our SND sponsors is focused on our SND heritage and prepares the way for future generations of SND educators and administrators at NDA.

The NDA community is forever grateful to the Sisters of Notre Dame and all they have done to make Notre Dame Academy a premier Catholic high school, providing excellent academic and co-curricular programs that prepare graduates to be outstanding female leaders serving our world. We are blessed to be a school sponsored by the Sisters of Notre Dame and look forward to our continued partnership.

You can read more about the SND announcement and the launch of SND-USA at www.sndky.org. I ask that you keep Sr. Mary Ethel and her leadership and administrative teams in your prayers throughout this transitional period for the sisters.

May you know God's goodness each day,

Dr. Laura Koehl '75
President

HONORING THE HERITAGE OF OUR FOUNDING SISTERS ◀

Today was a monumental day at Notre Dame Academy as our new Coesfeld Cross was hung in our nearly completed chapel.

The Sisters of Notre Dame originated in Coesfeld, Germany. This particular style of crucifix, was prevalent throughout churches and homes in Coesfeld in the 14th century and is found in the church of St. Lambert in Coesfeld. St. Lambert's is the parish church where Hilligonde Wolbring and Elisabeth Kuhling prayed and made the decisions leading to the founding of the Sisters of Notre Dame. Thus the Coesfeld Cross is very significant in the history of the Sisters of Notre Dame.

The forked cross is a "tree of life" showing God taking on our great human suffering. The hands of Christ are turned in the position of a blessing. This crucifix represented the love of God for people who had suffered much.

In seeing the cross, Dr. Koehl commented, "This feels like such a milestone for sure as it is so connected to our heritage - and in this space that is the very heart of our school."
