## LETTER FROM THE PRINCIPAL ◀

Blessings friends,

It's difficult to believe that it is already May. This month at NDA, we focus on wrapping up another school year, finals and graduation. More importantly, as a school dedicated to Mary, we focus on our Blessed Mother during the month of May. As a school rooted in the traditions of the Sisters of Notre Dame, I would like to share a reflection on Mary each week with you during the month of May written by one of the Sisters of Notre Dame. I will start off with [Our Lady of Fatima](#) written by Sister Mary Ruth Lubbers, SND. I think you will enjoy this reflection as it ties in very well with our theme this year of *Living the Gospel Empowered by Mary's Witness*.

**Please take a minute to sign up for one of our Strategic Plan Feedback sessions below. Our first session is to-night.** An important part of the strategic planning process is hearing from you, our parents. In order to get your input, we will be holding feedback sessions for NDA stakeholders both today from 4:30-6:00 p.m. and next Wednesday, May 9 from 8:00-9:30 a.m. I hope to see you at one of these sessions!

In order to give the construction crew as much lead time as possible to get started on all that needs to happen this summer with our *Excellence Without Boundaries* construction, **THE CAFETERIA WILL BE CLOSED AFTER THIS FRIDAY, MAY 4. STUDENTS WILL NEED TO PACK THEIR LUNCHES FOR THE REMAINDER OF THE SCHOOL YEAR BEGINNING NEXT MONDAY MAY 7.** Only snacks and drinks will be available for purchase from that time on.

In closing today, I would like to congratulate Sister Mary Ethel Parrott. Sister Mary Ethel was awarded the Judith Clabes Lifetime Achievement Award at yesterday's Outstanding Women of Northern Kentucky Awards Luncheon. Upon accepting the award, Sister Mary Ethel remarked that she believes there are two transformative things in the world: education and love. She added that she has been fortunate to experience, and she hopes share, an abundance of both. We congratulate Sister Mary Ethel and thank her for the abundance of education and love she has shared with our NDA community!

In Notre Dame,

Mr. Jack VonHandorf

## GOVERNMENT STUDENTS GET FIRST HAND LOOK ◀

Mrs. Stratman's Government class recently had the opportunity to see first hand how our legal system works when they visited the Kenton County Justice Center. They observed arraignments, a bench trial and several misdemeanor and felony hearings. The girls observed the courtrooms of Judge Ann Ruttle (NDA alumna), Judge Douglas Grothaus and Judge Patricia Summe (NDA alumna and Woman Making a Difference honoree). Judge Summe then took the students on a tour of the center, where they visited the grand jury room and the holding pens where the accused await their hearings.

## HOST FAMILIES NEEDED FOR GERMAN STUDENTS FOR FALL 2018 ◀

NDA is in the process of recruiting international students as part of our Fall 2018 enrollment. We are again working with our sister school in Germany (Liebfrauenschule Vechta). Notre Dame Academy has become such a great experience for the girls from Vechta that we have been asked to increase from 2 to 3 German exchange students for the fall semester. At this time we are seeking families who would consider hosting these students. Please email Mrs. Katie Caccavari at [caccavarik@ndapandas.org](mailto:caccavarik@ndapandas.org), if you would be interested in more information about this opportunity. Your reply is not a commitment, but would help us to know which families would consider supporting our international student enrollment by serving as host families.

## **NDA ATHLETIC DEPARTMENT REPLACES TIME-HONORED FRUIT SALE FUNDRAISER** ◀

After 42 years, the Notre Dame Academy Athletic Department is replacing its long-established fundraiser, the annual NDA Fruit Sale. Notre Dame Academy's decision to replace the Fruit Sale was based on parent feedback over the past few years requesting a less labor-intensive and time consuming fundraiser. NDA administrators recognized the increasing demands on students and families and sought a fundraising option that was less demanding for its athletes but equally beneficial to the Athletic Program at NDA. This fall, rather than hauling boxes of fruit to homes around the tri-state, NDA athletes will be reaching out to family and friends selling customized Notre Dame Academy coupon books.

The NDA Fruit Sale began in 1976 by Notre Dame Academy parents Bill Bieger and Al Stoeckle. In 1987 when their first daughter enrolled at NDA, Jan and Ken Schmidt started helping out with the Fruit Sale and took over the operation of the fundraiser in 1989.

Each October for the past four decades, NDA athletes have been supporting the sports they play by selling boxes of fruit. Over the years the number of boxes of fruit sold increased with the expanding athletic department and addition of new teams but one thing remained constant, the cooperation and camaraderie experienced by those involved.

"On the weekend the fruit was delivered, our athletes worked side-by-side with 200 plus parents unloading three to four semi-trailers, assembling and filling the mixed boxes of fruit, stacking the fruit and conveying orders to cars for delivery," said Jan Schmidt. "The sale has been a great example of the school's athletic community and the community at large working together as a team for all of our athletes."

"The Fruit Sale has been a very worthwhile fundraiser for NDA athletes over the years netting well over \$1.5 million dollars," said NDA President Dr. Laura Koehl. "The sale netted around \$77,000 for Notre Dame Academy's athletics at the highest point and the number of boxes of fruit sold grew to around 4,000."

Many alumnae would say that the NDA Fruit Sale is as much as tradition at their alma mater as the Panda. Over the years, the well-established fundraiser has provided countless student athletes the opportunity to follow their passion and participate in athletics at Notre Dame Academy.

"We are most grateful to all of the parents who have worked tirelessly throughout the years helping us with the annual Fruit Sale especially Jan and Ken Schmidt," said Notre Dame Academy Athletic Director Myanna Webster. "For the Schmidts, the NDA Fruit Sale has become a family tradition. Each year Jan, Ken, their children and even their grandchildren, have worked untold hours to ensure the success of the Fruit Sale and provide our athletes the chance to participate in sports at NDA," added Mrs. Webster. "We thank Jan, Ken and the entire Schmidt family for their dedication to this important fundraiser over the past thirty years."

As with many traditions, the NDA Fruit Sale has run its course and will now be replaced with the sale of customized Notre Dame Academy coupon books through Access to the City. Student athletes will receive the books in October but there will be no worries of bad weather affecting fruit crops or perishable items. The coupon books will be effective from the time of sale until the December 31 of the following year.

"Notre Dame Academy is thankful to our families and the community at large for the tremendous support they have shown the NDA Fruit Sale over the years," said Dr. Koehl. "We appreciate our benefactors and hope that they will continue to support our student athletes by embracing our new coupon book fundraiser in years to come."
