LETTER FROM THE PRINCIPAL ◀

Blessings friends,

First of all, I would like to thank all of our you who attended Parent Mini-Night yesterday. I know how busy life can get and I appreciate you taking time to learn more about your daughter's classes and teachers. I would also like to thank our faculty for being there. I received many positive comments about them as parents were leaving the building last night. We are blessed to have such qualified and dedicated faculty members.

I am pleased to announce that we have four National Merit Semifinalists this year! Students are selected for their scores on the PSAT they took as juniors. Congratulations to Abbie Guard, Paige Montfort, Claire Morgan and Brooke Schulte. These students are among a select group of students in our nation to receive this distinction. They scored in the highest category on the national level and were among the highest scoring students in Kentucky. This honor is a testament to their commitment to academic excellence. We wish them luck as they move forward in the scholarship competition!

On Friday, we held our annual Club Orientation program highlighting the incredible number of clubs at NDA. I encourage your daughters to get involved during their time at Notre Dame Academy. These activities provide not only ways to excel but also ways to give glory to God. With the support and encouragement they receive participating in these co-curriculars, our students are able develop into women according to the blessings they bring to the table. At the end of their four years, they find that NDA is more than just a school; it is their home, one where they feel connected by the relationships formed on this campus.

I hope to see you at our Autumn Gala on Saturday, September 24. This annual event is NDA's largest fundraiser and a great evening filled with fun, enthusiasm, good food and great fellowship. The Gala raises funds to help support our programs and services and keep our tuition at a reasonable rate. Your support of the event is critical in maintaining these programs and keeping our tuition affordable. I hope you are planning to attend and share the evening with NDA faculty, families and friends. Time is running out, so if you have not reserved your place at the Autumn Gala, please drop your RSVP in the mail or call 859.292.1851 to make a reservation today.

Working with your daughters each day is a privilege for all of us. Thank you for trusting us and partnering with us as we strive to educate young women to make a difference in the world.

In Notre Dame,

Mr. Jack VonHandorf

FOUR NDA STUDENTS NAMED NATIONAL MERIT SEMIFINALISTS ◀

Four Notre Dame Academy students have been named National Merit Semifinalists in the 2017 National Merit Scholarship competition. NDA seniors, Abbie Guard, Paige Montfort, Claire Morgan and Brooke Schulte, are among the 16,000 Semifinalists named in the 62nd annual National Merit Scholarship Program.

These academically talented high school seniors now have the opportunity to continue in the competition for some 7,500 National Merit Scholarships worth more than \$33 million that will be offered next spring. To become finalists in the National Merit Scholarship Program these young women must now submit scholarship applications that include information about their academic records, co-curricular activities, leadership abilities, honors, awards and employment.

“We are very proud of these NDA scholars and their selection as National Merit Semifinalists,” said Mr. Jack VonHandorf, Principal of Notre Dame Academy. “They are to be commended for their commitment to academic excellence and diligence in the classroom. We congratulate these young women and their families as we celebrate this honor.”

GOOD NEWS! ◀

Good news from the Sisters of Notre Dame mission in Uganda, East Africa. The Daily Monitor in Uganda reports that our sister school, Notre Dame Senior Secondary Academy in Buseesa is the second best school in the entire country. This ranking was determined after the Uganda Ministry of Education sought to determine which schools provide the most holistic development of their students. The ministry worked with Ark, a UK consultancy firm, to analyze criteria beyond national exam results, the typical measurement of success.

CONGRATULATIONS ◀

Congratulations to Katie Hellmann, Hannah Hammond, Harper Lamb and Claire Benson on being accepted into the Northern Kentucky Lawyers NaviGo Scholars Group. It is a great honor as there were only two spots in the program for NDA but they made room for two more because they were so impressed with the applications from all of these students.

(Pictured: Katie Hellman, Hannah Hammond, Tim Hanner from NaviGo, Harper Lamb and Claire Benson)

This competitive program allows students thinking about a path to law school to explore the legal profession by meeting with a variety of lawyers representing numerous areas of practice where a law degree is necessary, and would like to learn from these experienced professionals about what their day to day job entails.
