

An e-Newsletter for the Families of Notre Dame Academy

LETTER FROM THE PRINCIPAL ◀

Blessings friends,

I would like to wish you all an early Happy Founders Day! Next Tuesday, October 1, is a special day for the Sisters of Notre Dame and our school. It is SND Foundation Day commemorating the day our founders Hilligonde Wolbring and Elisabeth Kuhling began their religious life in Coesfeld, Germany. Hilligonde Wolbring became Sr. Maria Aloysia and Elisabeth Kuhling became Sr. Maria Ignatia and they began the Sisters of Notre Dame order in Coesfeld, Germany. These young women were dedicated to providing an education to the many young girls of their region with little to no access to an education.

Next week at NDA, we will celebrate SND Foundation Day remembering the courage, faith and commitment of the founders of the Sisters of Notre Dame and giving thanks that they began a tradition of excellence in education and service to others. It will be a nice way to remind our students, faculty and staff of how the founders of the Sisters of Notre Dame have taught us the significance of *Cultivating Hope and Happiness, Strengthened by God's Love*.

On Thursday, October 3, NDA will hold Student/Parent Teacher Conferences from 2:30 - 8:00 p.m. Student/Parent Teacher Conferences are a wonderful opportunity for our students to take ownership of their education and I encourage you and your daughter to attend teacher conferences this year. I truly believe that every student can greatly benefit from a personal conversation with her teachers. We are blessed with very qualified and dedicated faculty members at NDA who are invested in making each student's educational experience at NDA the best it can be. Please encourage your daughter to take advantage of this great opportunity, to be responsible for her education, and attend this year's Student/Parent Teacher Conferences. We will once again use MyConferenceTime to schedule conference online. You can access the online scheduler by going to <https://www.myconferencetime.com/nda/>.

Please remember the Sisters of Notre Dame in your prayers this week. We are certainly grateful for all that they have done for us at Notre Dame Academy!

In Notre Dame,

Mr. Jack VonHandorf

*Sharing a sandwich,
touching a life!*

Hilligonde Wolbring shared her sandwich with a student. God worked through her to help the poor and called her to begin the Sisters of Notre Dame. She shared her dream with Elisabeth Kuhling. Together they spread God's goodness and provident care around the world.

LOOKING FOR A NEW OR GENTLY USED TRUCK ◀

NDA is in need of a new or gently used truck that will be used to plow snow and keep our campus safe this winter. We already have a plow in good condition. The truck would need to be 3/4 ton, 4 wheel drive, auto transmission, regular cab with an 8 foot bed. If you could help us replace our truck at a reasonable price or know someone interested in donating a truck, please contact Tim Moeller at moellert@ndapandas.org.

SMILES & MILES ◀

by Kate Hail

On Sunday, September 15, twelve National Honor Society members volunteered at the Smiles & Miles 5k race. This race is in memory of Maria Schaffstein, and the frog hop (a mini race for young children) that follows the race honors the memory of Katie Stewart, both of whom were fellow Notre Damians. The race proceeds go to support the kids at St. Agnes School. Notre Dame Academy NHS members helped with registration, check-in, t-shirt distribution, and several members helped with food and drink distribution. The NHS girls were honored to be part of such a wonderful event, and were glad that they could serve the community.

KOHUS TAKES FIRST PLACE ◀

On September 20, Alivia Kohus and her horse 'Carl' competed in and brought home 1st place in the USHJA Zone 5 Horsemanship Championship at the Kentucky Horse Park. The championship consists of 3 phases, a written test, 3' 6" jumping test and equitation on the flat. Participants of Zone 5 must live within Ohio, Indiana, Kentucky, Michigan and Illinois and are all very competitive and talented riders. There were 44 entries this year and Alivia won both the jumping and flat phase giving her enough points to secure 1st place over all. Alivia started riding at age 3 and currently trains with Diana Conlon of Lexington, Kentucky along with NDA freshman, Emma Paley. Along with this competition, Alivia also qualified through to compete in this year's Maclay Finals which has been a long time goal for Alivia.
