

An e-Newsletter for the Families of Notre Dame Academy

## LETTER FROM THE PRINCIPAL ◀

Greetings parents,

Many thanks to all of those generous individuals who made our Open House such a great success. We welcomed over 175 families to NDA last Sunday. It was great to have so many students, parents and faculty here to welcome them and showcase our school. I want to especially thank our student ambassadors who were so gracious and professional in greeting our visitors and giving tours. They are the best example of the value of a Notre Dame education!

Today we welcomed several of our alumnae to celebrate the All Souls Mass. It was a beautiful celebration remembering our deceased loved ones and we are grateful for the time to come together as a community to remember and pray for those we have lost this past year.

Our Fall Athletic Program is doing very well this year. This weekend the cross country, soccer, and volleyball teams all compete in the State tournaments. Congratulations to our coaches and student-athletes for making it to state and we wish them safe and successful competition. Also I am pleased to announce that senior volleyball player Heidi Thelen was selected as the LaRosa MVP Player of the week. Congratulations to Heidi!

Paper copies of report cards were distributed to students yesterday. We are also using the Power School Announcement system to send the report cards electronically. Please see the description of this below. Paper copies were distributed this quarter in the event any one has trouble receiving the electronic copies as we launch this program for the first time.

On Friday, November 22, NDA will host the Panda sleepover. This is an excellent opportunity for eighth-graders to come and experience Notre Dame Academy and meet other students who are considering enrollment for next fall. If you know of a young lady who would like to join us for this event, please contact Sr. Paul Ann at 292-7736.

May you know God's goodness each day,

Dr. Laura Koehl

## PRAYER SERVICE FOR THE DEATON FAMILY ◀

For where two or three are gathered together in my name, there am I in the midst of them. (Matthew 18:20)

As many may or may not know, Cathie Deaton, young mother of three (including NDA junior Alexandra) has fought a battle against cancer for a year now. It has been a long battle. Many have carried the family in physical and spiritual ways!

With abundant prayer, intense treatments & trying every potential path doctors offered to beat this beast, Cathie, a tough warrior, has fought a hard fight! The most recent tests have shown that the treatments have made a little progress but just not enough. At this point the battle this cancer has on Cathie has exhausted every option for treatment. The Deaton family is taking today to be together and if all goes as planned Cathie will be moved to St. Elizabeth hospice this afternoon.

You are invited to a 30 minute prayer gather **TONIGHT at 6:30 p.m. at St. Agnes Church** for rosary, prayers and intentions for Cathie, Tim, Alexandra, Killian and Zachary. We pray for strength, comfort, peace and understanding as they begin this next step.

No need to RSVP, just show up, bring a friend, bring your kids. Together, we will carry the Deaton family!

Senior AP Art Student Rachel Birrer earned the opportunity to attend Governor's School for the Arts this summer, an experience that Rachel has described as 'amazing'. She spent 3 weeks at GSA, learning from incredible instructors, working on her art, and being surrounded by high school students that were doing the same. While at GSA, a member of the Carnegie Arts Center in Covington, saw Rachel's work and was so impressed that he invited her to show at the Carnegie. As a result, Rachel's work will be on display at the Carnegie Arts Center from December 13, 2013 through February 13, 2014. Congratulations Rachel, and thank you for representing Notre Dame and the Art program. Further information for Rachel's show can be found at: <http://www.thecarnegie.com/season.php>

## SENIOR FIELD TRIP TO NEUSOLE GLASSWORKS AND THE BLDG ◀

On Halloween, the Senior Art Students took the day and visited some incredible working art studios in the area. First, they spent the morning at the always eventful Neusole Glassworks where the students watched demonstrations in the hot shop, a demonstration in flame working, and had a chance to check out the upstairs gallery. After the demos, the students also had the opportunity to make their own piece of blown glass artwork.

After spending a couple of hours at Neusole, they headed to an amazing studio full of creativity in Covington called The BLDG. They heard talks on ALL that The BLDG has to offer. As a group, they work on bringing Art talent into the area to exhibit work. Most recently, they have brought in world renowned-street artists, The London Police, to create graffiti style murals around Cincinnati and Covington. The BLDG also offers a gallery space that houses local artists and a working studio on the second floor for their team of resident artists. If that wasn't enough, they explained how they are also a design team that creates branding and logos for businesses and companies. This local grown team of hardworking artists opened their space to our students, shared their talents and their experiences of what it is like being a professional artist.

TREMENDOUS 'Thanks' to Neusole Glassworks and their artists for taking NDA students in for the day, and another TREMENDOUS 'Thanks' to the crew at The BLDG. Both teams were incredibly kind, courteous, and creative. If you would like more information on either place, please check them out at:

## ART CLUB AND THE MEMORY PROJECT ◀

This year the Art Club will be getting involved in a very special project called The Memory Project. The Memory Project is a project set up where 'Art students create portraits for kids who are neglected, disadvantaged, and/or orphaned'. The way the project works is easy. We sign up, we are then sent the photographs, we create portraits for them, and then send the pieces back to the children. The concept of the Memory Project, as described by its founder, is 'The Memory Project is a unique initiative in which art students create portraits for children and teens around the world who have been neglected, orphaned, or disadvantaged. Given that kids in such situations tend to have few personal keepsakes, we're aiming to provide them with special memories that capture a piece of their childhood. As much as possible, we also want to help the kids see themselves as works of art.'

Thank you to the Art Club Presidential Staff, Kristen Schneider, Hannah Dietz, Rachel Birrer, Maggie Flanagan, and Caren Curk for helping put this project together.
