2 State Champs!
NDA beats Louisville Mercy in a fiveset thriller to win the KHSAA volleyball championship for the first time since 1994. It's the Pandas' first state title in a team sport since 2013.

17 Notre Dame Academy 2019-20 Year in Review

This Annual Report is a wonderful snapshot of how Notre Dame Academy is fulfilling its vision and mission.

Greetings Alumnae,
Parents and Friends of
Notre Dame Academy,

Welcome to our *Notre Damian* Annual Report issue for the 2019-20 school year. We began the year with much hope and enthusiasm for another year of educational excellence at NDA and we ended with something quite unexpected - our first ever Remote Learning @ NDA program. This learning experience was something brand new and challenging as we all responded to the COVID-19 pandemic. Yet our hope did not disappoint as our school community embraced this unprecedented experience with all the creativity and hard work that has defined excellence at NDA for generations.

This issue of the *Notre Damian* documents that excellence in highlighting the many successes of our students, faculty, staff and alumnae. These many stories of success are due to the hard work and dedication of all who embrace the Notre Dame way. At Notre Dame Academy we focus on preparing our young women for success in their family, community and professional lives and this issue abounds with examples of that.

We also acknowledge our many donors and benefactors who support our NDA community with such amazing generosity. True to the charism of our sponsors, the Sisters of Notre Dame, these alumnae, current and past parents, business leaders and friends of NDA demonstrate the commitment to giving back and paying it forward. The many gifts to the annual fund, scholarship programs, our annual Gala and raffle and numerous projects and campaigns make it possible for NDA to carry on our tradition of excellence even in the most challenging of times. Our hearts are filled with gratitude for all who support our school.

I am sure many of us are celebrating Christmas in a much different way than we have in the past. However what is not changed is a spirit of hope that we all feel as we rejoice in the birth of our Lord. That same spirit has permeated the halls of the Academy over this past year and contributed greatly to the stories of success found in these pages. It was certainly fitting that our school theme last year honored the first educational principle of the SND's – the centrality of our Good and Provident God! God's goodness was certainly alive and well as we rose to the challenge of the year with the loving support of so many!

We are grateful to all whose hard work, dedication and generosity contributed to our tradition of excellence. You are the reason we can embrace hope and celebrate joyfully. I leave you with an apt message (Matthew 11:28-30) for our time:

*"Come to me, all you who labor and are burdened, and I will give you rest.
Take my yoke upon you and learn from me, for I am meek and humble of heart; and you will find rest for yourselves.
For my yoke is easy, and my burden light."*

May these words give you hope and cause for joyful celebration this Christmas season and may you know God's Goodness and Provident Care this day and always.

Sincerely,

Dr. Laura Dickman Koehl '75

STATE CHAMPS!

In their own words:

“That PTS season!”

The COVID-19 pandemic provided the backdrop for the volleyball season, as for the school year, but mostly we'll remember the Pandas' 2020 season for ending in a state title, the program's first since 1994.

Enjoy an instant history of the Pandas' historic run to the hardware as told to Publications students Annashea Carlisle, Jada Kramer, Josie Lawrie, Camille McMurtry, Natalie Newsom, Lilli Nordloh, Maggie Smith, Emma Spivey and Sophia Stacy:

Cate Scheper, Emma Grace, Abby Powers, Emily Bentley, Emily Wichmann and Anna Long celebrate after match point in the 21-25, 25-19, 25-22, 22-25, 15-13 victory over Mercy in the state championship game. (Maggie Smith photo)

SYDNEY SCHRODER, senior: Tryouts were very good. With the crazy year we were having I was more excited than ever to get back to volleyball.

MRS. WEBSTER, athletic director: As with all our sports and school in general, we worked very hard to follow protocols and put policies in place that would keep our students safe, healthy and able to continue. This includes things like temperature checks, masks, stringent sanitizing practices and social distancing.

ANNASHEA CARLISLE, senior: We could not use our locker rooms and we only got two tickets for games. The chairs were spaced 6 feet apart, and we had to wear masks whenever we weren't on the court. I was happy we got to play, but it felt very different from last year. We tried to make the best of it and still have fun.

MRS. LITMER, assistant coach/NDA alumna: I think this season was every bit of a process for everyone involved: players, coaches, families, and administration. There were so many “new normals” that we had to adjust to, and I know the players had to somehow get to a good mental place accepting that there were many unknowns because of COVID, resulting in different protocols that changed the way you play together.

The Pandas started 3-2 against a tough schedule, then won 14 of 15 matches to go into the postseason on a roll. But the district tournament began with most of the varsity team in quarantine, putting JV players in the spotlight: They would play as varsity. The Pandas beat Holmes and Holy Cross to move on as district champs.

CLANCY GAY, JV coach: My first feeling when I found out the JV would be playing in districts was excitement. That feeling soon turned to anxiousness once realizing what was at stake. Having the fate of the seniors' season in our hands was nerve-wracking.

ADELE FRANCE, sophomore: I felt bad for how hard they worked all season. At the same time, I saw it as a chance to prove ourselves by letting them play again.

LIZZIE CHUN, sophomore: We had never prepared for a varsity game before by watching film and basing it around that. I felt special — and professional, in a sense — to be a part of something this big.

JADA KRAMER, sophomore: I treated every drill in practice like we were playing Holy Cross. Every time I touched the ball, I imagined it was game point.

MRS. LITMER: We are fortunate enough to be in a program where our JV team can compete at the varsity level, so I also felt so much happiness for that team.

ABBY POWERS, senior: Our JV stepped up to the challenge.

Then it was on to regionals for the Pandas with the varsity ready to return. NDA beat St. Henry, Cooper and Ryle, dropping only one set, in the regional to earn the trip to the state tournament.

EMMA GRACE, senior: We had no time to practice before the (regional) game. Because of that, I was worried we weren't going to play well and lose against St. Henry.

LIZZIE CHUN: Winning regionals was great, and it was the next step to the bigger things. Everyone knew there was a lot more to come because we definitely were not going to stop there.

ANNA LONG, senior: After being quarantined we lost some hope. We were able to win districts with the JV team, and luckily were back to win regionals. Once state arrived, we knew what we had to do.

Straight-set wins over Wolfe County and McCracken County got NDA to the semifinals on Nov. 7 at George Rogers Clark High School near Lexington, hosting because of Covid-19 concerns in Louisville, home of usual host Valley High School. The large gym allowed more fans to attend.

AVA QUIGLEY, senior: Since freshman year I've been wanting to lead a cheering section at NDA. We've been waiting for an opportunity to do this with an energetic crowd at an extraordinary game. It was so exciting to see all of our parents and supporters cheering with us.

MADISON STEFFEN, sophomore: I decided to go because I play on the JV team and I love watching others play. Throughout the whole game — especially towards the end — the student section was out of their seats and wanting the win.

The Pandas beat West Jessamine in four sets in the semifinals to earn a finals spot later that night against Louisville Mercy, one of only three teams to beat NDA during the regular season.

SYDNEY SCHRODER: I was beyond excited. I knew we could beat them and knew that since they beat us in the regular season they would underestimate us.

MRS. WEBSTER: I was very excited, proud, and a little nervous. The volleyball program had worked hard to get that match. I had watched varsity improve all season, had the opportunity to help coach the JV during the district run, and then saw varsity come back with a hunger and desire to win it all. I was a volleyball player and I knew that if they played their game, they could bring home a state title. I was a bit nervous though, knowing what a great program Mercy has and how talented their team is this year.

The Pandas lost the first set, won the next two and took a 19-14 lead in the fourth. But Mercy came back to tie the match, and it was on to the fifth: First to 15 for the state championship.

EMMA GRACE: In the fourth set, we were up by a lot, but eventually Mercy caught up with us and ended up winning that set. I felt defeated, but I knew that I couldn't continue to feel that way if I wanted to win. We had to completely forget about that game and move on.

MR. VONHANDORF, principal: I was concerned after losing the fourth set, but you could tell that our team was not rattled and their confidence unshaken. I was very proud of the way our team handled themselves on the court. They played with a quiet confidence.

MRS. LITMER: I think the journey we were dealt was practice for the five-set, back-and-forth scoring in the state finals. You win, I win, you win, I win ... no one ever gave up!

With NDA clinging to a 14-13 lead, Mercy set up its outside hitter for a kill. But NDA seniors Abby Powers and Cate Scheper were there for the block.

EMMA GRACE: That set took everything we had. No one led by more than two points. I remember looking to Cate and Abby, telling them that if they set their outside hitter, they are going block her and end the game.

ABBY POWERS: It was like everything was in slow motion. When the ball hit the floor, I immediately became flooded with emotions. Everyone played their absolute hardest that night and left everything on the court.

EMILY WICHMANN, senior: I keep on replaying the moment in my head: the ball touching the floor on the opposite side of the court, everyone running towards me ... It's a moment my team and I will cherish forever.

ANNA LONG: The last point was like a big blur. All seven of us had been waiting for that exact moment since we were freshmen. Cate Scheper (1) and Abby Powers blocked Mercy on championship point.

MAGGIE SMITH, senior: Being allowed on the court to take pictures was very exciting but also came with many challenges. It was very hard to keep myself from cheering after every point, and especially after the game winning block. I was so happy to have been able to capture such an amazing moment for the team.

The state championship was NDA's ninth in volleyball and will be remembered not only for the considerable achievement, but for all the obstacles this team had to overcome to earn it.

STATE CHAMPIONS

MR. VONHANDORF: All of our fall sports teams started back in June with conditioning. It was very uncertain if they would have a season, let alone a postseason tournament. In the midst of a global pandemic, would everyone stay healthy? There were many unknowns. When they were on the floor, they were able to block out the uncertainties and unknowns.

SYDNEY SCHRODER: The weekend of state my grandma got very sick. Right before the state finals I found out she was not going to make

it and was being placed in hospice. She was the first person I wanted to tell because I wanted to make her proud one last time.

EMILY WICHMANN: The feeling of winning state was exactly how I dreamt it to be. The feeling of working hard for four years and it finally paying off. I still can't believe my team won state because my team and I always talked about how this is the year — this has to be the year — we finally win state.

EMMA GRACE: Winning state was a feeling that I had never felt before when winning a game. After the last point it was almost as if I had forgotten that that was the winning point. But then it hit me that we had just won everything.

MRS. LITMER: I get goosebumps. I truly feel that the best team in the state won, and it is just amazing to think that it has been 26 years since NDA last won state for volleyball. There has been so much pressure to bring the title back to NDA, placed upon ourselves of course, but it just really feels like a weight has been lifted. Whenever I am in the gym and see the year 2020 on the volleyball state championship banner, I will have so much pride for the girls and the adversity they faced.

ABBY POWERS: Everyone played their absolute hardest that night and left everything on the court. I could not have imagined winning this championship with any other team and I couldn't be more proud of everyone. Playing in this program over the past four years has taught me so much and helped me grow into the person and player I am today. Playing with this team gave me so many memories and friendships.

MR. VONHANDORF: I think that winning a state championship during a school year makes it a little more special. It was great for our community to celebrate the team on that Monday. Events like this bring a community together. To have something positive to celebrate was something we all needed this year.

Blessings Alumnae,
Families, and Friends of NDA!

What a school year it has been! We actually began planning for the safe return of our students to campus in May. By the time August rolled around, I was more anxious than ever to welcome our students back to NDA.

Although school looks drastically different this year with strict COVID-19 mitigation strategies in place, I am happy to report that the spirit of our Pandas is the same. Students' smiles may be covered by masks this school year, but their energy and enthusiasm are undeniable in the way their eyes light up when they see each other.

As the COVID-19 situation is constantly evolving, our 2020-21 School Planning Team developed the "Pandas Return to Campus Plan" with three different plans for the upcoming school year including traditional learning, blended learning and remote learning. With the necessary technology in place, our school community can easily transition between these three plans.

Due to an executive order by Governor Beshear, we transitioned to Remote Learning @ NDA through the end of December. While 23 days of remote learning is not what we had all hoped for this school year, we have to remember that we have already completed 57 days of in-person learning. Those 57 days of in-person learning are a testament to the dedication of our students, faculty and staff to implement the Diocese of Covington "COVID-19 Return to School Requirements" as well as our "Pandas Return to Campus Plan" to help mitigate the spread of the virus in our school. We appreciate the diligence and ongoing efforts of our faculty, staff and students and we are happy to report that we have not had community spread of COVID-19 at NDA.

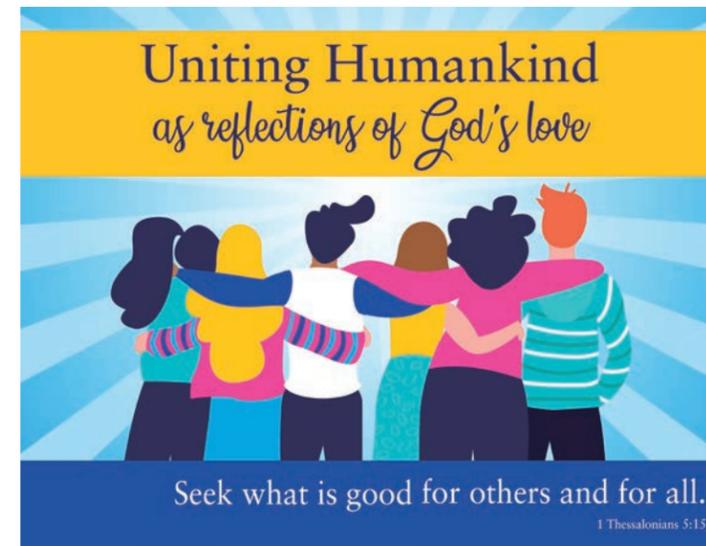

I am extremely grateful that our students continue to be engaged in meaningful learning despite COVID-19 and our temporary transition to Remote Learning @ NDA. Many schools will experience an achievement gap this school year due to the challenges of COVID-19. We are very blessed at Notre Dame Academy to have the framework in place to keep our students on track with their learning this school year. We have led the way in educational technology for nearly a decade giving NDA a clear advantage with remote learning. Several years ago our faculty began participating in Professional Learning Communities (PLC) increasing authentic pedagogy at NDA. We also have a phenomenal group of counselors keeping us mindful of our students' mental wellness and offering students the support they need to be successful.

As people of faith, we trust in the good God and we in turn, find grace and joy in lifting one another up in difficult times. We have encouraged our students to continue to lift each other up throughout this challenging school year.

Thank you for your continued support of our community. On behalf of the faculty and staff at NDA, I wish you and your family a very blessed Christmas and a joyous New Year.

In Notre Dame,

Jack VonHandorf

This is Notre Dame Academy's 115th year and we continue to educate our students in the tradition of the Sisters of Notre Dame. This year we focus on the second Educational Principle of the Sisters of Notre Dame, *The Human Dignity of Each Person as an Image of God*.

Based on that principle, our theme for this year is *Uniting Humankind as Reflections of God's Love*. Through this theme we are committed to the following:

- We appreciate, respect and reverence the uniqueness of each individual and the diversity among all persons.
- We actively support a holistic education which encourages a positive sense of self-worth and the full development of the person.
- We reverence the image of God in each person we encounter through respectful listening and availability.
- We create a welcoming atmosphere that builds relationships leading to unity and community.
- We provide opportunities and environments to help persons to claim and regain their human dignity, identity and self-worth.

Our theme this year encourages us to "Seek what is good for others and for all." This is especially fitting for us as we meet the daily challenges of COVID-19. The responsibility to take the necessary precautions to keep ourselves and each other safe during this global pandemic falls on all of us - in school and out of school. It's not easy but it's important and our students are doing a remarkable job "seeking what is good for others and for all" this school year.

In keeping with our theme, NDA's Student Council distributed "#kind" buttons to our entire NDA community at the beginning of the school year. They chose #kind for these buttons to embody this year's theme and remind us of the importance of kindness to others.

We invite our entire NDA community to share in our year of #humanKINDness!

NDA/CCH Present Macbeth

Due to COVID-19 restrictions, our NDA/CCH theatre group was unable to perform their fall production in person. Under the direction of NDA's new Theatre Director, Jackie Smith, our very talented theatre students presented Macbeth through a filmed production. You can watch NDA/CCH's filmed production of William Shakespeare's Macbeth on NDA's Vimeo channel at <https://vimeo.com/477174316>.

Common Reader Day 2020

On October 28, the NDA community came together to discuss our 2020 Common Reader: *The Book Woman of Troublesome Creek*. This year's selection was inspired by the true blue-skinned people of Kentucky and the 1930's Kentucky Pack Horse Library program. This unique story about Appalachia and the healing power of the written word included many wonderful themes for the students, faculty and staff of NDA.

Among the many discussions and activities of this special day were a virtual meeting with the book's author, Kim Michele Richardson. NDA senior and Student Council Public Relations Manager, Margaret Gartner, did a wonderful job interviewing Ms. Richardson.

In honor of this year's common reader, a book drive was held to provide books to young students who do not have consistent access to books. The successful book drive embodied the theme of our common reader, reminding our students, faculty and staff of the importance of books and reading.

SCIENCE STUDENTS DEBUNK COVID-19 MYTHS

Recently students in Mrs. Proudfit's honors biology class made posters to debunk myths about COVID-19 as a part of their study of viruses. Students chose a claim that they had heard or seen on social media and conducted research to investigate the claim. On each poster, students provided evidence to support or refute the claim. Additionally, students were asked to make the poster eye catching and easy to understand for a general audience. You can see the posters created by the honors biology students at www.ndapandas.org in the News section of the website.

Mrs. Proudfit Published in National Journal

An article written by NDA Science teacher Mrs. Molly Proudfit was recently published in the October edition of *The American Biology Teacher*, the journal for the National Association of Biology Teachers. The article is titled "Sorting Fact From Fiction: Media Literacy in the Biology Classroom" and was published under the Inquiry and Investigations category in the journal.

In the article, Mrs. Proudfit proposes a lesson to help students develop media literacy skills, which are necessary across the curriculum and in students' everyday lives. In the first phase of the lesson, students are presented with a conspiracy theory (flat Earth theory, etc.) and construct media literacy questions to evaluate the claims. In the second phase of the lesson, students apply the questions they have constructed to a pseudoscience claim (climate change is not caused by human actions, fad diets, COVID myths, etc.). You can read Mrs. Proudfit's article on the school website, www.ndapandas.org in the News section of the website.

NDA Students Collect Canned Goods for Those in Need

As part of its mission to educate young women to make a difference in the world, Notre Dame Academy encourages its students to take part in community service regularly. Many of NDA's service events have become annual traditions including the very impactful November canned food drive.

This annual service event began in 2010 when NDA Student Council members wanted to do something to help fill the shelves of a local St. Vincent de Paul food pantry. The NDA community collected nearly 16,000 canned goods that first year and NDA's Student Council has continued to organized a successful canned food drive each year since.

Our Pandas did not let a global pandemic or a transition to remote learning stop them from collecting canned goods to feed the hungry this winter. They were creative in their efforts for this year's CANDemonium and were able to collect 1,949 canned goods along with \$275 to support their efforts.

This year's donations may not have been the highest number of canned goods collected in a single year but the 2020 contributions are possibly the most impressive yet. Students generously dropped off their canned goods at school without any incentive of a friendly competition or out-of-uniform perk. Since students were learning remotely during the majority of the canned food drive, they had to go out of their way to drop off their donations outside of the school day. This year's collections of canned goods also pushed the total number of items donated to St. Vincent de Paul by NDA students since 2010 to over 90,000! That is quite a difference our Pandas have made in feeding the hungry over the past eleven years.

"We are very proud of our students ability to think of others during this challenging time," said NDA Principal, Mr. VonHandorf. He added, "Our students are true servant leaders focused on our 2020 theme, *Uniting Humankind as Reflections of God's Love*."

2020 Fall Sports Update

VOLLEYBALL

Volleyball Takes State!

Volleyball had a wonderful season, winning the program's 9th State Title in a 5 set hard fought match against Louisville Mercy. Senior Anna Long was named the Region and State All Tournament MVP along with being a First Team All State selection and an Under Armour All American Honorable Mention. Senior Emma Grace was a Region All Tournament selection and a Second Team All State selection. Senior Emily Wichman was a Region and State All Tournament selection and Senior Abby Powers was a Region All Tournament selection. The State All Tournament team was rounded out by Sophomore Sydney Nolan. The Pandas were led by Coach Molly McDermott who is the first Volleyball Coach in the State of Kentucky to win a State Title both as a player (NDA 1990) and a coach! She was assisted by two other NDA alumnae Jenna (Schreiber) Leistner, 2010 and Leslie (Schellhaas) Litmer, 2011. Congrats to the entire volleyball team and program on your work and success!

Successful Golf Season

The members of the 2020 Panda golf team displayed resilience and perseverance in a season with many injuries and COVID related lineup changes. Despite all of these obstacles, the team had several successes and the future looks bright. The Pandas finished second in the conference led by Hannah Rice and Emma Meyer with an 84. In the 7th Region tournament the Pandas finished as runner-up with three players qualifying for the KHSAA Championship (Natalie Lovell 6th place with 87, Hannah Rice 7th place with 88 and Emma Meyer 10th place with 92). The three represented our region well but unfortunately did not qualify for day two. Our JV team had a limited schedule this season but many were able to play in varsity events due to players being out and performed extremely well and look forward to their improvement for next season.

Many Personal Bests For Cross Country

The cross country team had a unique year in which they were able to race 3ks, 4ks and 5ks. The team had strong finishes at the Mason County Invitational and Villa Quad meets. Many athletes were able to run personal bests in the 3k, 4k and 5k events. The JV squad won the Diocese Championship. The varsity squad placed 4th at the regional meet and qualified for state.

CROSS COUNTRY

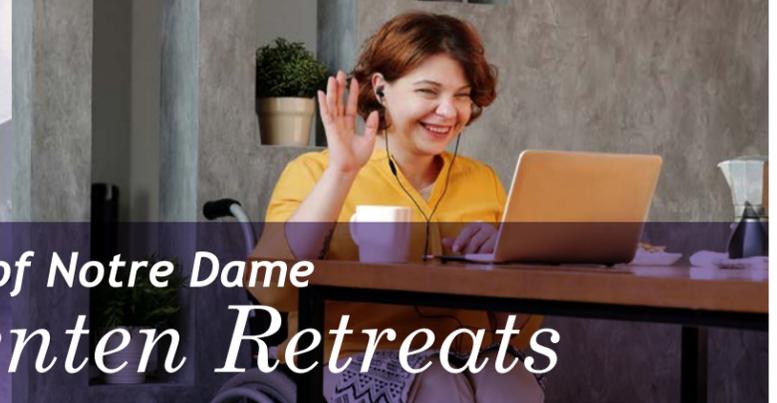

Record Breaking Soccer Season

All three teams within the NDA soccer program enjoyed successes, learned life lessons and created memories to cherish. The hard work it took to get in shape and become a team in a short period of time did not go unnoticed. We are all really proud of each girl within the program for their effort and desire to make the season so successful. The freshman team posted an 8-1 record after going undefeated in the regular season. During regular season, the team only allowed 1 goal and that was on a penalty kick. The JV team finished undefeated with a 10-0-2 record and won the NDA JV Invitational Championship for the 4th year in a row. The JV team improved their style of play throughout the year and were playing some beautiful possession soccer as the season came to a close. The Varsity team finished the season with a record of 15-3, entered the Regional Tournament as the #1 team in the state, and set two new school records. Natalie Schuh set a new Career Assist record with 29 assists. The team set a new record for Fewest Goals Allowed in a season, only allowing 6 goals all year! The team lost in the regional tournament, but still had an incredible journey. We are so proud of our 11 seniors (10 players and a videographer) and thank them for all of their effort and dedication to the NDA Soccer Program!

Advancing the Mission

Become an NDA Corporate Sponsor

Would you or your business like to become an NDA Corporate Sponsor? As a sponsor of Notre Dame Academy, you are sending a message that your brand is strongly aligned with our mission to educate young women to make a difference in the world. Your corporate sponsorship supports and invests in the lives of young women and future leaders in our community.

As a corporate partner with us, you will also have the opportunity to showcase your product and increase exposure to local consumers. You will be featured at the three major fundraising events sponsored by Notre Dame Academy: *The Women Making A Difference Luncheon*, the *Annual Golf Outing*, and the *Autumn Gala*. Depending on your level of sponsorship, you will receive incentives such as foursomes of golf, tickets to the Women Making A Difference award luncheon and the Autumn Gala, and appreciation gifts.

Each level of sponsorship also includes marketing and promotional opportunities such as the NDA web page, the weekly parent newsletter, and various other forms of social media. As a partner with Notre Dame Academy, you will experience important business and corporate networking opportunities with other professionals like yourself.

For more information about how you or your company can become a corporate sponsor for 2021, please contact Nancy Goeke, Director of Major Gifts and Events at 859.292.1851 or goeken@ndapandas.org. Special thanks to our NDA Corporate Sponsors for 2020. You can find a complete listing of our our 2020 NDA Corporate Sponsors on page 40.

President's Blog

Notre Dame Academy President Dr. Laura Koehl shares many NDA mission moments, updates and inspirations on her blog. Dr. Koehl has been contributing interesting and hopeful posts to her blog since March of 2020 with the onset of COVID-19 and Remote Learning at NDA. You can find the latest blog post From the Desk of Dr. Laura Koehl at www.ndapandas.org.

Save the Date for Women Making A Difference Luncheon 2021

Due to a concern for the safety of our guests and attendees, the annual *Women Making A Difference Luncheon* will be held on Thursday, June 3, 2021. It will again be held at the Northern KY Convention Center in Covington. The formal announcement of the 2021 honorees and registration information will be contained in the Spring issue of the Notre Damian.

Forever NDA

A LEGACY SOCIETY
FOR
NOTRE DAME ACADEMY

Leaving A Legacy... Forever NDA Legacy Society

While so many people generously invest in our students during their lives, a planned gift ensures an investment for the future. Leaving a financial gift to Notre Dame Academy is a wonderful way to leave a legacy.

The Notre Dame Academy *Forever NDA Legacy Society* is being established to recognize individuals who have included NDA in their estate plans. This can be done in the form of Bequests, Life Insurance, IRA's, Charitable Remainder Trusts, or Real Estate.

As a member of the Legacy Society, you can be assured that your gift will help secure quality education for future generations of NDA students. In addition:

- Your name will be included on a Legacy Recognition plaque that will be prominently displayed in Heritage Hall.
- You will receive a keepsake pin that you can wear proudly to display your membership in the Legacy Society.
- You will be recognized in the Notre Dame Academy Annual Report.
- You will be invited to Legacy Society and Marian Circle annual events.
- Above all, you and your family will be remembered in weekly Masses by the Sisters of Notre Dame.

If Notre Dame Academy is already in your will, trust or other estate plans, we humbly say, "Thank you!" Please let us know about your plans because it helps NDA plan for the future. Contact Nancy Goeke, Director of Major Gifts and Events at 859.292.1851 or goeken@ndapandas.org for further information about the Notre Dame Academy Legacy Society.

Is Notre Dame Academy currently in your will or estate plans?

Would you like more information regarding the Forever NDA Legacy Society?

Please fill out this form and mail it to:

- I have remembered Notre Dame Academy in my estate plans.
- I am interested in receiving more information as to how Notre Dame Academy can become part of my estate plans.

NOTRE DAME ACADEMY AUTUMN Gala

Autumn Gala Declared a Success!

Special thanks to our Notre Dame Academy community for supporting this year's 2020 Autumn Gala Zoom event! It was a wonderful celebration of our mission at NDA. Thanks to those who participated in this year's virtual Gala and the generous support of our event and corporate sponsors. Thanks also to those who supported the Panda Paw, major raffle, online bidding, special raffle, holy hand sanitizer, etc. We are able to make a difference in the lives of our young women at Notre Dame Academy because of your generosity.

Thank you to our Event Sponsors and the over 200 individuals and businesses who supported the Gala.

NOTRE DAME ACADEMY
Educating Women to Make a Difference in the World

2020-21 ANNUAL FUND

www.ndapandas.org

NDA

We need your help as we foster and develop 21st century leaders.

Mission:

Notre Dame Academy, a Catholic high school dedicated to Mary and committed to academic excellence, exists to educate young women to make a difference in the world.

Revenue from the Annual Fund supports our operational budget and allows us to maintain our standard of excellence at an affordable tuition rate.

The Annual Fund is the largest and most enduring fundraising project of the year involving our entire NDA Community.

Cost Per student: \$9613
NDA Tuition with Fees: \$8250
The Annual Fund makes up the difference

Over 10,000

women have graced the halls of our academy, benefitting from our tradition of excellence as a school sponsored by the Sisters of Notre Dame.

The All-Girl Advantage

At an all-girls' school, young women learn self-confidence and leadership skills, and they excel in the areas of reading, writing, mathematics and science.

The Annual Fund provides the following benefits to our students:

- **tuition assistance and work study** to support families in need
- **technology infrastructure upgrades** to support a multitude of learning needs and options
- **facility security upgrades** to enhance school safety

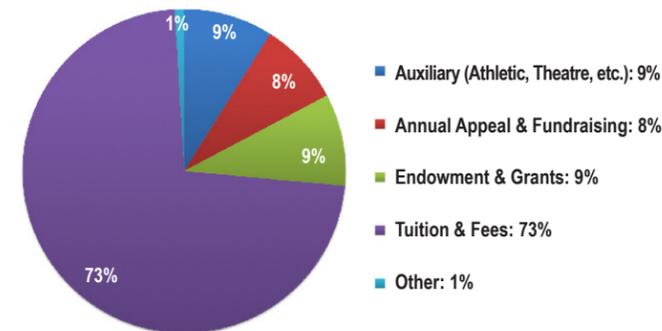

You can make a difference in the lives of our students through your financial support which ensures that a **Notre Dame Academy education** is available to any young woman who seeks it, regardless of financial ability.

YOUR SUPPORT AT WORK: Tuition Assistance Program

The Annual Appeal is an important component of our development efforts as it bridges the gap between tuition and the cost of educating our students. Accessibility to a Notre Dame Academy education is paramount. We strive to keep tuition affordable for all who attend and work diligently to invest in our tuition assistance fund. In the 2019-20 school year, over 33% of our students received some form of tuition assistance. Your Annual Appeal dollars help make that possible.

| NDA/CCH Siblings and Multiple Daughters Programs | \$92,100 |
| Renewable Grants | \$51,000 |

FAMILY/NAMED SCHOLARSHIP Creating a Legacy

Notre Dame remains committed to providing a quality education for all young women who choose to attend, regardless of their financial concerns or issues. Through the generosity of family and individual benefactors, this commitment is supported through many funding sources. One way to support students at Notre Dame Academy is through the NDA Scholarship Program. The NDA Endowment currently houses more than 45 named scholarships and grants.

Establishing a named scholarship is a wonderful way to honor an individual or group, while at the same time, providing essential student tuition assistance through academic and need-based scholarships. Because our scholarships continue in perpetuity, every year deserving students will benefit from your generosity and commitment to educating women to make a difference.

An NDA scholarship can be established with a gift of \$20,000 or more. For further information regarding scholarships and endowments, please contact Nancy Goeke, Director of Major Gifts and Events, at 859.292.1851 or goeken@ndapandas.org. The following is the list of scholarships currently established at NDA.

Service

Served 50 agencies

(15 weekly through junior service program)

12,780 hours of service logged into Mobile Serve from June 1, 2019 - June 1, 2020 (All grade levels included)

Types of Service

NDA service includes working with young children, tutoring grade school students, visiting with the elderly, working with those who are mentally and physically challenged, working in emergency assistance shelters and agencies, rehabbing homes, baby-sitting at Madonna House, cleaning up public areas, assisting with parish festivals and religious education classes, assisting in the voter registration office, and much more.

Grade Level Report

- Freshmen completed 423 hours of service at the following agencies: BeConcerned, HONK, Brighton Center, Rose Garden Home Mission, James E Biggs, The Point, Brookdale Senior Living, St. Vincent De Paul, United Ministries, St. Charles Community, Redwood, and Action Ministry. (This fulfilled their requirement.)
- Sophomores completed 2300+ hours of service at local non-profit agencies.
- Juniors completed 2600+ hours of service at the following agencies: Redwood, Action Ministry, St. Vincent De Paul, St. Agnes, St. Pius X, St. Joseph Crescent Springs, Sonshine Preschool, James E. Biggs, John G. Carlisle, BeConcerned, St. Charles Community, Brookdale Senior Living, and Beechgrove Elementary, St. Anthony.
- Seniors created their own service projects ranging from 2 hours to 50+ hours. They were challenged to find a way they wanted to make a difference in the world and then put it into action. Seniors created projects working with kids, people experiencing homelessness, Special Olympics, Youth sports, Mary Rose Mission, Environmental justice projects, Notre Dame Urban Education Center and so much more.

Student Fundraising

Students collected \$10,307 that was donated to various international, national, and local agencies/causes.

Students collected over 11,000+ items for donations to various local and international agencies.

*Please note: due to Covid-19 we had fewer months in school for collections and drives and students out to service. While we encouraged students to take part in service projects that were not at non-profits (and many of them did) they didn't necessarily record them in Mobile Serve.

THANK YOU TO OUR DONORS

Thank you to everyone who generously supported our 2019-20 Annual Fund, scholarship funds and other NDA funds throughout the year. Every year we seek to raise funds that supplement the difference between tuition and the cost of educating each student (approximately \$1500 per student). Through your generosity and support, you have helped us ensure that a Notre Dame Academy education is available to any and every young woman who aspires to be part of the NDA community. We are truly grateful for the important role you have played. Your participation and support make all the difference! (Capital Campaign funds are reported separately.)

Please note: Names listed are those who gave to the Annual Fund and other NDA funds between July 1, 2019 and June 30, 2020, NDA's fiscal year. Gifts received after June 30, 2020 will be recognized in next year's Annual Report.

Class Reunions Update:

All Class Reunions previously postponed in 2020, including our Golden Girls event, will hopefully resume in Fall 2021. We also hope to celebrate the various 2021 Class Reunions during the latter half of 2021. Please watch your emails for our monthly Alumnae Newsletters, as well as our Notre Dame Academy Alumnae page on Facebook for future announcements.

Details Coming Soon!

Specific virtual details of this event will be shared on the Notre Dame Academy Alumnae page on Facebook and in future Alumnae Newsletters (emailed monthly) as soon as virtual event details are confirmed.

And the winners are...

We are excited to announce the Class of 1979 won the Alumnae Class Competition for the highest participation rate in our 2020 Autumn Gala Raffle, while the Class of 1976 won the highest total amount of ticket sales!

We introduced this contest in early September via our monthly Alumnae Newsletter, our Class Captains who helped send emails to classmates and posts to their particular class Facebook page, and weekly posts on our Notre Dame Academy Alumnae page on Facebook. Alumnae classes competed with each other to have the highest percentage of raffle tickets purchased per class, as well as the highest dollar amount of ticket sales. Raffle ticket purchases were made via an online link and/or by regular mail. Weekly tallies of the Top Five classes were posted on the Alumnae Facebook page so that classmates could see how various alumnae classes were faring throughout the competition.

Close results were occurring between some classes of the 1950s and 1960s in the early weeks of the competition however, classes of the 1970s and 1980s quickly followed. One of the most interesting class competition facts is that the Class of 1979 actually challenged the Class of 1976 for this contest. We are very happy that both classes won!

The alumnae participants of the winning Classes of 1979 and 1976 who purchased a raffle ticket on or before October 16, received a gift card which was mailed to each participant. This contest allowed our alumnae classes to enjoy a friendly competition while showing their class spirit and Panda pride as this allowed all to maintain COVID-19 safety precautions.

Congratulations Class of 1979 and Class of 1976!

Congratulations to our Alumnae Gala Raffle Winners

Thanks to all alumnae and friends of NDA who supported the NDA Autumn Gala Raffle. The raffle was a huge success, with NDA netting over \$14,000. The first place winner was Sue Sturgeon '64, and the second place winner was Julie Hackman '83. Congratulations also to the Class of 1976 who purchased the most tickets, as well as to the Class of 1979 who had the highest percentage of participation. All those from those two winning classes who purchased raffle chances received a gift card from Starbucks.

ALUMNAE MENTORING

The NDA Alumnae Mentoring Program is in its third year and enjoying many more student mentees and alumnae mentors for the 2020-21 year. This program is open to all Juniors and Seniors and at least 30% more students applied and were accepted for admission this year.

Students completed a form over the summer which asked their areas of interest for a future career. It is no surprise that many of them know exactly what they wish to study in college in order to obtain a desired career and how they envision the next five years of their lives along that path. The career areas of interest were split almost evenly between careers in the medical field and careers in business or other professions.

Student mentees were then paired with a wonderful alumnae mentor whose career experience in a particular field of interest for each student is a match. The Alumnae Mentors are helping to guide the Mentees along the next year or two of what each student can expect as they begin college applications and acceptances toward their desired career path, as well as glimpses into the Mentor's field of expertise, how a typical day in their career may look, and lots of career advice.

Email and virtual communication between the Mentors and Mentees will occur between both on a monthly basis. This type of communication adheres to NDA's COVID-19 safety protocols while ensuring the Mentees receive valuable career information from their assigned Alumnae Mentor.

The 2020-21 program kicked off in mid-October with a virtual Zoom meeting for the Mentees. Each Mentee and Mentor were individually emailed information about the person with whom they were paired. The Alumnae Relations Office will continue to check in with all participants of this program throughout the year.

NOTRE DAME ACADEMY ALUMNAE ON THE FRONT LINES

Thank you for making a difference!

We are proud of our over 330 alumnae who have informed us of their front-line service during the COVID-19 pandemic. Our list of these wonderful Pandas making a difference since mid-May has grown steadily over the past six months. We have been highlighting these amazing front-line Pandas daily on our Notre Dame Academy Alumnae Facebook page. This will continue until the end of this calendar year.

When facing lockdowns and stay-at-home orders in March, many of our alumnae in the educational community had to be flexible and creative as they suddenly transitioned to NTI (non-traditional instruction). They continue to be adaptable this school year transitioning between in-person, online and hybrid instruction. You can find the complete list of our alumnae in the educational community submitted to us below.

Our alumnae in the medical community have gone above and beyond battling the novel coronavirus disease (COVID-19) that's been spreading rapidly throughout our city, state and nation over the last nine months. They have risen to the occasion as they put themselves in the path of the virus to offer compassionate care to our most vulnerable populations. You can find the complete list of our alumnae in the medical community submitted to us on the following page.

What advice or wisdom do you have for the current students of NDA?

"Whether you think you can, or you can't, you're right." - Henry Ford

In the last 6 months, we have all truly been tested. It reinforces that time is short, and you should enjoy every moment, every memory, live in the now. The experiences you create, actively create as the owner of your life, will reflect the NDA mantra of "women making a difference." Life is never what you expect of it, and for that, you should truly be grateful. Your generation has the right and responsibility to forge our planet's future, and we have every reason to believe you will leave it better than you found it.

Emily Roebel Edmondson
Class of 1992

How has NDA helped shape you to be where you are today?

During my student days, NDA reinforced the values I learned at home regarding the centrality of religion and finding God in all things. I grew in self-confidence, freedom and appreciation of diversity. I had excellent teachers whom I admired very much and they exerted a profound influence on me. Many of them were SNDs. Their joy, openness to life and genuine care for us students exerted a major influence on me and my choice to become a sister. It was during the retreat provided by NDA in my senior year that I made my final decision.

While teaching here, I enjoyed success, appreciation by my students and great interaction with my fellow staff members. In Buseesa, Uganda, I found the same spirit of joyful simplicity alive and well among the sisters there. Surprisingly, NDA UGANDA, so different in appearance, location and opportunities, had the same "feel" as NDA COVINGTON. I felt at home immediately and was able to adjust to the minor differences like unpronounceable names, grueling schedules, and lack of equipment.

Sr. Judith Averbeck, SND
Class of 1960

The Alumnae Storyboard is a feature which captures the everyday happenings of our alumnae. Each story is posted in the main hallway just outside the cafeteria so that students can see how our alumnae are truly continuing to make a difference in the world!

Is your current occupation what you have always wanted to do? Please elaborate on your response.

My current occupation is what I have wanted to do since starting law school. When I was in high school, and I began to think seriously about my opportunities and what I really enjoyed doing, I started thinking about law school. Once I started college, I knew I wanted to attend law school and became interested in business law. I am currently a lawyer with a large Cincinnati firm working specifically with businesses in the area of employee benefits which is a very specialized practice area. I am the leader of my Practice Group, a member of the firm's Board of Directors, and have had many management responsibilities over the years, but the thing I like best is working with clients, figuring out the best way to help them accomplish their goals, and problem solving. I really enjoy what I do!

Lisa Wintersheimer Michel
Class of 1981

What has been the biggest influence on your life and choices you have made?

My father and his career in law played a large role in my decision to attend law school. However, participating in the science club at NDA fueled my love of science. I believe that the discipline and logical thinking skills that I acquired while managing the rigors of a physics education gave me the confidence to explore all opportunities and embrace new challenges. This led to my career as an intellectual property attorney and ultimately, as a Shareholder of a law firm.

Welcome Freshman Legacies

NDA is proud to be an educational institution attended by generations from the same family tree. Legacy students make up a sizable population on our campus in part because of the incredible experience NDA has provided to so many young women over the years. The Notre Dame Academy experience tends to be passed from mothers to daughters, from grandmothers to granddaughters and beyond. It is important to know that sisters, mothers, aunts, grandmothers and great-grandmothers all qualify as legacy connections at NDA. We welcomed several Class of 2024 Student Legacies to Notre Dame Academy in the Summer 2020 issue of the Notre Damian and we would like to extend a warm welcome to one more of our freshman legacies here:

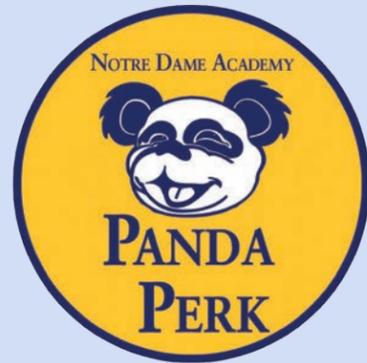

Layla Ficke - Grandmother: Cathy Toe-bbe Ficke 1969, Great-Grandmother: Mary Jeanne Gastright Toebbe 1945
