

THE *nda* LIFE

Dear Parents,

As we approach the culmination of the Lenten season and prepare to celebrate the joy of Easter, I want to take a moment to reflect on the significance of Holy Week within our Catholic school community. This past Monday, our entire student body came together to observe the Stations of the Cross. The Stations of the Cross serve as a powerful reminder of the importance of faith, compassion and selflessness in our lives. It was a solemn and meaningful experience as our students journeyed through the final moments of Jesus' life. Through participation in the Stations of the Cross, our students were able to deepen their understanding of the sacrifice Christ made for us and feel the tremendous love He has for us.

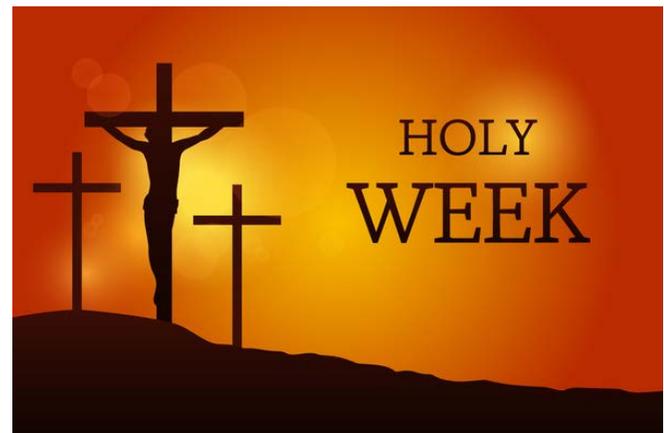

Today marks the beginning of our Easter break, offering a valuable opportunity for reflection and reconnection. As I think back on the many activities and events at NDA over the past three months and look forward to the remainder of the school year, I consider the importance of balance. Our students are active and involved in so much; however, it is also important for them to take time for themselves and for reflection. We all need to take time once in a while assess our lives and strive to achieve balance. I hope you can take some time as a family during this break to be together.

Please be assured of our prayers for you and your family during this holy season of Easter. On behalf of our faculty and staff, I wish you a safe and happy Easter and may the peace and joy of the resurrection fill your heart.

Thank you for your continued support and partnership in nurturing the spiritual growth and development of our students. Together, we form a community grounded in faith, love and service.

In Notre Dame,

Mr. Jack VonHandorf

PRAYER SERVICE

SETTING THE TONE FOR HOLY WEEK

On Monday, we gathered as a school community to commemorate the beginning of Holy Week. We heard student reflections about their service experiences this year that related to the different stations of the cross. We heard students reflect about their suffering and how we, like Mary, can overcome horrible suffering. We heard the Panda Tones sing the infamous Holy Week song, "Were You There?" The students did an amazing job of entering in silence and exiting back to their classrooms in silence. It set the tone for a somber week before we celebrate the defeat of death and the hope of salvation.

TOTAL SOLAR ECLIPSE

DISMISSAL ADJUSTMENT FOR APRIL 8

Due to the nature of the total solar eclipse on Monday, April 8 NDA will dismiss at 1:50 to allow the students to be safely home in order to view this historical and astronomical event.

BETTERING OURSELVES

WELLNESS FEST!

In an effort to provide some fun and useful programming to our students, the Student Services Team and Student Council worked together to create our Wellness Fest which occurred last Friday for our half day of school. The students got the privilege of hearing from Brian Schreck, a certified music therapist who works with terminally ill patients and their families to provide them with joy and normalcy during the roughest of times. Thrive Empowerment Center (Covington) presented to the girls about positive self talk and behaviors that boost a positive mindset. The students also got some choice in one of the sessions when they were able to do yoga, play games or make bracelets and hang out with their friends. Finally, it would not be a NDA Wellness Fest if we did not incorporate some type of service. We were able to use our time to benefit the Disabled American Veterans by making Forget Me Not flowers for the people they serve. It was a great day focused on bettering ourselves, being mindful, and showing gratitude. We hope the students enjoyed it. We send a huge thank you to all of those who presented to our students and helped to organize the day!

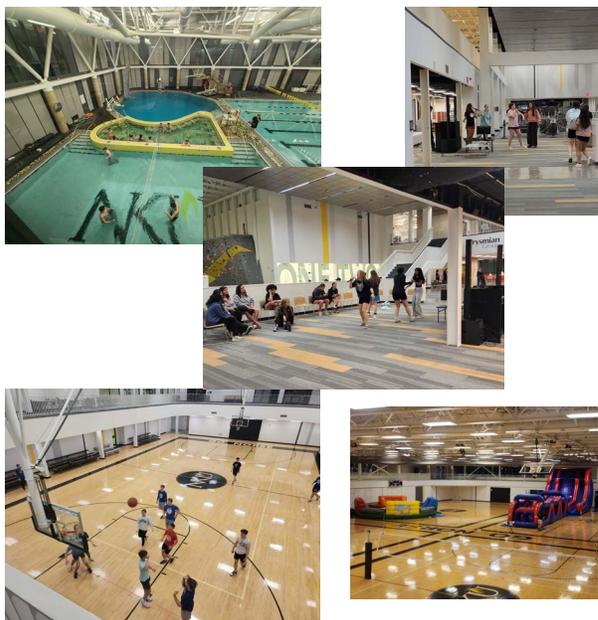

PROM FASHION SHOW

To conclude our half day of instruction on March 22, we held the annual Prom Fashion Show. This was organized by members of Student Council along with Ms. Hilbert and Mrs. Kroger. Many students volunteered to show off prom dresses worn by family members and many of our faculty and staff even got in the spirit of prom by strutting down the runway. It was a great end to our day together and a fun way to get the students excited for their prom.

RED CARPET GLAMOUR 2024 PROM

On March 22, the juniors and seniors got to enjoy a night of dinner, dancing and camaraderie at the annual prom. This year's theme was "The Red Carpet." The co-presidents of the senior class worked with Mrs. Phillips and Mr. Strickley to put together an amazing night for our students. The evening began with a delicious Italian dinner and desserts. The night continued with endless dancing. Right before students were permitted to leave the Princess and the Duchess were announced. Congratulations to Megan McKeown who was crowned as the Princess and Hannan Dusing who was crowned as the Duchess. The students seemed to enjoy the DJ and the ambiance of Music Hall could not be topped. Hopefully they all had an incredible time. It was a wonderful event and we greatly appreciate all of those who worked so hard to put on this great event for our students, especially Mrs. Phillips and Mr. Strickley.

NKU REC CENTER AFTER PROM

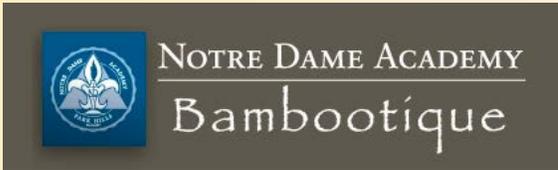

The party continued after prom at NKU in the newly renovated Rec Center. The students had free reign of the entire center including the basketball courts, volleyball courts, swimming pool, hot tub, bouldering wall, etc. Beyond that, a group of parents put together an amazing night including karaoke, a henna tattoo artist, inflatables, amazing food and almost enough prizes for every student to receive something. The number of parents who volunteered to help chaperone, donate items, or transport items was amazing and our students and staff are very grateful for the amazing support. The students were tired and ready to relax and the parents even thought of that and supplied them with rafts so they could float around the pool. It was an incredible event and a HUGE thank you goes out to Crystal Pohlman and all of the parents (even some who don't have NDA juniors or seniors) who helped to make it possible for our students.

SPRING MUSICAL SOUND OF MUSIC

The Sound of Music is a beloved show around the world. Based on the true story of the Von Trapp Family Singers, this musical captures a personal tale of growth and hope amidst the horrors of World War II. The Sound of Music tells the tale of young postulant Maria Rainer, whose free spirit has trouble fitting into the rules and regulations of Nonnberg Abbey. Commissioned by the Mother Abbess to serve as the governess for seven motherless children, Maria transforms the Von Trapp family home from a place of dour rules and regulations to one filled with joy, with laughter, and with music. But as the forces of Nazism take hold of Austria, Maria and the entire von Trapp family must make a moral decision.
