

## 2023-24 Thomas More Dual-Credit Information Sessions

Come join the Thomas More Dual-Credit Program for its 2023-24 series of information sessions. During these sessions, prospective students and their families can learn more about what makes the Thomas More Dual-Credit program an excellent opportunity for students to explore and earn college credits at a reduced tuition rate.

Sessions will be hosted virtually during the fall and spring semesters. These sessions are open to anyone, but RSVPs are required. Once you RSVP for one of the information sessions, you will receive multiple email reminders leading up to the event that will provide you with the Zoom link and password to join. Those who RSVP will also receive a copy of the presentation following the event.
