

*November Student of the Month*

# CAROLINE MUCK

Congratulations to Senior Caroline Muck who is November's Student of the Month. Mrs. Wagner, who has worked with Caroline on Student Council since Freshman year says, "Caroline is a positive student with a lot of energy and a desire to make life fun. She is always fun to be around and is able to laugh at herself when she makes mistakes."

- Serves on Student Council for the fourth year in a row. Caroline truly loves being a part of Student Council (this year she is Senior Class Co-President) and says it is one of her favorite parts at NDA. StuCo helped her meet a ton of people, develop more relationships and work on her leadership skills.
- Prioritizes her health with daily workouts at CrossFit, plans to run in the Flying Pig relay and naps with her Golden Retriever, RJ.
- Participates in the following clubs at NDA: Student Council, NHS, NEHS, Green Dot and Drug Free Club.

Caroline is considering the University of Dayton after she graduates from NDA. Until then, she looks forward to her Senior retreat in February and painting her uniform skirt later this year!

Caroline's advice to other students is to "learn to manage your time" and to "not procrastinate on homework." From a student who manages her own time really well and continually works to improve herself, this is advice worth taking!

Math teacher and StuCo Faculty Moderator Ms. Hilbert describes Caroline as a "natural leader and excellent student." Her English teacher says Caroline "always comes in with a positive attitude and is such a pleasure to be around." Thank you for passing along the positivity, Caroline!

*We are proud to call you a Panda!*
