

February Student of the Month

CATHRINE GHAZALA

Congratulations to Senior Cathrine Ghazala who is February's Student of the Month. According to Personal Counselor and DFC Faculty Moderator Mrs. Hildreth, Cathrine serves as Co-President of NDA's Drug Free Club this year. She has given countless hours to faithfully plan and execute the club's many efforts and events to keep our school community safe and drug free. Cathrine has contributed good insights and fresh ideas at the monthly meetings, provided encouragement and enthusiasm at our Coffee & Cocoa Reward Mornings, helped procure gift cards for rewards and reliably distributed the weekly and daily rewards to club members. Cathrine was also a key part of the success of this year's very successful Freshman Semi-Formal Dance! Keep up the awesome work, Cathrine!

- Participates in Cross Country, National Honor Society, National English Honor Society, Pandaversity, Uganda Pandas and Book Club.
- Attends Crossfit many times per week to stay healthy and reap the benefits of the supportive community (she sees Pandas there, too)!
- Serves as the Co-President to Drug Free Club and Spanish Club.
- Advises all Pandas to get involved, speak out and try something new. For example, try something new by going to a sporting event, sitting with someone you don't know at lunch and taking a more challenging class.

Mrs. Hahn, her history teacher, says "Cathrine is always attentive in class and on task. She is always ready to answer a question or give an opinion on whatever issue we are discussing. She is very positive, and supportive of the other students in the class. Cathrine has an excellent work ethic, and gives 110% to her classwork"

Other teachers agree that Cathrine is hardworking, supportive contributes positively to class. They also add she is kind-hearted, thoughtful, conscientious and arrives to class with a smile on her face.

We are proud to call you a Panda!
