Proud to Partner with **Hallow**

Dear Notre Dame Families,

Notre Dame has partnered with Hallow, **the world's #1 Catholic prayer app**, since last school year, and we are excited to share it with every family. Hallow exists to make growing in relationship with God simple and accessible, no matter where your relationship with Him is at. This partnership gives our staff and students access to this wonderful resource, helping us keep faith at the forefront of school life and strengthening the mental and spiritual health of our school community.

Hallow contains over 12,000 audio-guided prayers spanning from quick minute meditations to entire holy hours, dozens of music albums and 'praylists,' and everything in between. The app is specifically designed to offer something for everyone, and in the classroom and at our school Masses and events, we'll use Hallow to help:
