Educating Women to Make a Difference in the World

Panda Press Weekly

January 10, 2024

THE *nda* LIFE

Dear Parents,

January is in full swing at NDA and we have many important upcoming events as you will see below. Our students and faculty continue *Radiating God's Goodness* and accomplishing great things!

It seems as though winter has finally found us. The cold weather months come with the possibility of school closings and delays due to natural elements, hazardous road conditions or power outages. Please remember that the decision to close or delay school is made with the safety of students, parents and faculty/staff in mind. If there is a need to delay or close school, NDA will use the emergency notification system SwiftK12 to communicate to all school community members through email, text and phone. This decision will also be publicized on all of our social media accounts along with the website.

On Friday, Bishop Iffert joined us for our first celebration of the Eucharist in 2024. His presence and words of wisdom inspired our faith community and set a positive tone for our second semester.

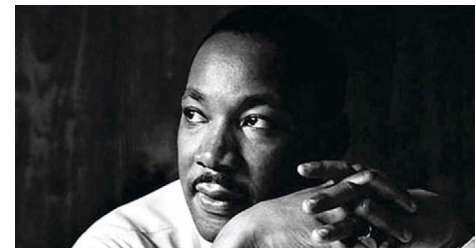

On Monday evening we invited our future Pandas to review their HSPT test scores. The Class of 2028 is a very talented group of young women! At the meeting, NDA offered \$33,550 in academic scholarships to 14 of these incoming freshmen based on their outstanding performance on the HSPT. We congratulate these students and look forward to welcoming them to NDA in the fall. If you know a young woman who is ready to make a difference in the world, our Freshman Priority Application Period for the 2024-25 school year is from January 8 - February 9, 2024 and our online application form can be found online [HERE](#).

PLEASE NOTE: On Monday we celebrate Martin Luther King, Jr. Day and there will be no school. It is important that we take time to recognize and celebrate Dr. King's life and his example. We talk a great deal about 21st Century educating at NDA. There are many facets of 21st Century learning, one being the education of students to work effectively in a diverse and multicultural society. In order to be effective leaders and to promote justice for everyone in our society, students need to understand and appreciate the world's wide range of people and cultures.

At Notre Dame Academy, we strive to be a community enriched by our differences. By expanding our students' knowledge and understanding of the diversity in our world, we encourage an awareness of the global community. Thanks for your continued support of our mission. Please know that we are grateful to partner with you in this important work!

In Notre Dame,

Mr. Jack VonHandorf

The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education.

Martin Luther King, Jr.

Have a great day and make good choices!

FACULTY/STAFF NIGHT NDA BASKETBALL

On Monday, January 8, NDA faculty and staff were honored and celebrated at the basketball games against Simon Kenton. The team showed their appreciation to the faculty with free pizza and brownies, along with a varsity come from behind victory over the Pioneers. It was an exciting night of basketball and an honor for the faculty and staff to be recognized by the team.

POSITIVE PANDAS HOPE DAY

During PPT time, the HOPE squad hosted a Hope Day to encourage everyone to use positive affirmations today and every day. The students were invited to take a Mindful Minute to focus on personal affirmations by decorating and adding to a positive affirmation banner. Many of the girls enjoyed this brain break to remind themselves of the positive aspects that they share with our NDA community.

UPCOMING EVENTS CATHOLIC SCHOOLS WEEK CELEBRATIONS!

Catholic Schools' Week will be celebrated nationally during the week of January 28 - February 3. Our Student Council has been working hard to determine various activities that can be held to highlight the blessings of our Catholic education. A few of the events that will occur that week are: Mass and a reception with the Sisters of Notre Dame, Pajama Day, the annual volleyball game versus CCH, Decades Day, and a rebranded Talent Show titled, "PaNDA's Got Talent." Students are asked to consider participating in the Talent Show in one of two ways - showcasing a true talent or performing a skit / dance / act with a group of friends in a lighthearted way. The hope is that this encourages more girls to participate and will have the format of a variety show to showcase the amazing talents of our Pandas and also some lighthearted comical skits as well. Students who are interested can complete the [Talent Show Form](#). Please consider showcasing your talents or performing a skit / dance with some friends!

PARKING LOT REMINDERS

As we continue to promote student safety at dismissal time, we appreciate the cooperation of all drivers – both students and those who are picking up. A reminder to those of you who pick up at the end of the day: the Theatre lot, in addition to parking spots 1-21 are reserved for those who are picking up. This allows foot traffic to bypass the student drivers when they leave the parking lot. It also ensures the safety of our student drivers who are exiting the parking lot first.

HOST A STUDENT!

INTERNATIONAL PANDAS

HOST FAMILIES NEEDED

NDA is once again going to host international students from our sister school in Germany (Liebfrauenschule Vechta) for a portion of the 2024 fall semester. Two students will be experiencing The NDA Life for 6-8 weeks. The German students would love to be in the US to celebrate Halloween if possible, so we are exploring the idea of having the girls arrive here in mid-September and depart at the beginning of November. These students speak English very well and are screened thoroughly by their school before they are allowed to apply for this exchange program. Please call or email Katie Caccavari, NDA Director of Enrollment, at caccavarik@ndapandas.org/859-292-1829, if you would be interested in more information about this opportunity. Your reply is not a commitment but would help us to know which families would consider supporting our international student enrollment by serving as host families.

Archery -

The Panda Archery team began practicing on November 7. The team is composed of 32 archers. Thus far this season the team has competed in 6 tournaments - Ryle High School, NDA, Twenhofel Middle School, Cooper High School, Covington Catholic and Villa Madonna. There are 10 additional tournaments on this year's schedule which will conclude in March at the Kentucky NASP State Tournament in Louisville. The Annual NDA Panda Tournament held in December was again a great success; welcoming 505 archers representing 26 schools from Northern Kentucky, Louisville and West Virginia.

Additional Archery News: The Archery Pandas competed in the Villa Madonna Tournament last weekend. The team shot a season high score of 3008 which included 110 tens. The Pandas were led by Ava Boertlein at 271, Morgan Russell at 270, Reagan Carman at 263, Lucy Siegert at 259 and Lea Youtsey at 259. Next up for the Pandas is this weekend at the Community Christian 3D Tournament. Also, Ava Boertlein was 5th high school girl and Morgan Russell was 6th high school girl. ARCHERY PANDAS ROCK!

Bowling -

This being our second year in NKAC has gone quite well. We ended up with 11 roster players, 9 sophomores, 1 freshman and an 8th grader from St. Agnes. NDA practices on Wednesday at Erlanger Strike and Spares with everyone learning and getting better each week. The coach was able to get everyone their own bowling balls which has been a big factor for them improving each week. The young ladies are very competitive which shows during our weekly matches against our conference high schools. They have been able to secure a couple of conference wins with the girls bowling their highest games so far.

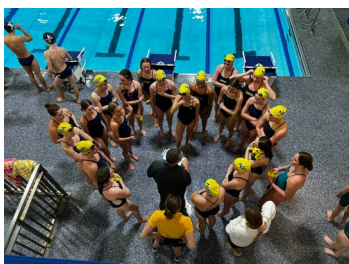

The team has entered into 5 tournaments, 2 of which were in Ohio. During the team's most recent tournament Freshman Haley Pelstring captured the number 1 all tournament team in a field of approximately 180 girls bowlers from across Ohio.

Regionals are scheduled for the 18th and the 20th where they are preparing for a bid to go to the state tournament in Louisville.

Additional Bowling News: Recently, in a match against Cooper High School, Cami Noris bowled her highest game so far with a 182 along with a 165. Ella Webster's new high game of 133 and Linda Frances' high game of a 138.

Winter Sports Recap Continued

Basketball -

The Varsity basketball team is currently 12-2 & ranked 9th the State media rankings. Team Defense has been a major strength as the Pandas allow just 38 points per game & ranks 17th in the state in Team Defense. Sophia Gibson leads the Pandas in scoring with 13 points per game & rebounding at 9 per game. Maya Lawrie leads the team in assists with 6 per game. Emma Holtzapfel leads the team in 3-Point Field Goal at 38% while averaging 10 points per game.

The Junior Varsity team is currently undefeated with 5 wins while the Freshman team has won 7 games and lost 2. Both will begin Regional Tournament play this month.

Swimming -

The Notre Dame Academy AquaPandas started the season by winning both the Boone-Conner Sprint Meet and Flying Turkey Invitational. Their first meet at the newly opened Kenton County Aquatics Center at Scott HS resulted in winning the Nicole Tucker Invite hosted by Dixie Heights HS. On January 6, the team hosted 16 Catholic high schools from Greater Cincinnati and the Commonwealth of Kentucky (roughly 325 swimmers) at Keating Natatorium (St. Xavier HS) in the inaugural NDA Catholic Invitational. The team finished 3rd overall! The weekend of January 13-14, the team will travel to Baltimore, MD to represent NDA in the National Catholic Championships at Loyola University Maryland.

The post season begins on February 2, as the AquaPandas look to defend their Regional title and culminates with the State meet on February 24 at Lancaster Aquatic Center at the University of Kentucky.

Additional Swimming News: NDA hosted the first annual Catholic Invitational at Keating Natatorium on January 6. The AquapaNDAs honored their seniors and placed 3rd overall out of 11 teams. Friday, they will travel to Baltimore to compete in the National Catholic Invitational at Loyola. Go Pandas!

Diving -

Savannah Bien has placed 2 or 3 in each of the 5 meets so far this season. Each diver has learned new dives and will be able to enter the maximum number of divers (4) for the regional meet since each dive has the required 11 dives.
