Educating Women to Make a Difference in the World

Panda Press Weekly

January 17, 2024

THE *nda* LIFE

Dear Parents,

I hope you have managed to stay warm and safe through this week's cold winter weather. **Please note: due to the cold weather, students are permitted to wear sweatpants under their uniform skirts this week.**

Each year in the month of January, we dedicate time to honor the sacredness of life from conception to natural death. Next Tuesday, January 23, we will have a Rosary Prayer Service praying for the sanctity of life. Your prayers as parents are a powerful source of support for our collective commitment to the sanctity of life. Together, we strengthen the foundation of respect and reverence for life in the hearts of our students.

As you can see below, our Pandas are gearing up for Catholic Schools Week which begins on January 29. There are all sorts of plans for this important week when we celebrate the fact that Catholic education instills not only academic excellence but also moral values, fostering a holistic development that shapes individuals into responsible and compassionate members of society. We are all looking forward to our week of celebrating Catholic schools!

One very important event happening on the Friday of Catholic Schools Week is our annual Father Daughter Fun Night. This is one of Notre Dame Academy's oldest and most beloved traditions. It will be held on Friday, February 2 at 7:00 p.m. at NDA. Dads and daughters, come dressed for your favorite sport, team or athlete. You can enjoy appetizers, drink and a dessert bar, games, contests, a photo booth and all sorts of father/daughter activities. Make sure to get your tickets for this fun filled evening for our Pandas and their fathers.

Our Fine Arts Department is preparing for the annual showcase to be held January 26-28. The theme this year is New York City. Please see below for more details including ticket information.

As you will also see below, our annual Women Making A Difference Luncheon is scheduled for Thursday, March 7. This year we are recognizing Betty Baumann Verst (1951), Sandy Bayless Gleeson (1962) and Connie Noll (1985). Please join us in honoring these very deserving women.

Finally, thank you to all of the NDA families who have supported this year's **Annual Fund: Striving for Excellence in All We Teach and Do**. Your commitment to our mission is crucial and greatly appreciated. Thanks for being active members of the NDA community. I feel blessed to be part of such a wonderful team atmosphere, fostering a positive climate among hardworking students, staff, and faculty.

Have a great week!

In Notre Dame,

Mr. Jack VonHandorf

Have a great day and make good choices!

ENSURING SAFETY

PARKING LOT REMINDERS

As we continue to promote student safety at dismissal time, we appreciate the cooperation of all drivers – both students and those who are picking up. A reminder to those of you who pick up at the end of the day: the Theatre lot, in addition to parking spots 1-21 are reserved for those who are picking up. This allows foot traffic to bypass the student drivers when they leave the parking lot. It also ensures the safety of our student drivers who are exiting the parking lot first.

EARLY RELEASE - Page 14

HANDBOOK HIGHLIGHT

Notes from parents requesting that students be permitted to leave school early should be brought to the school office before school so an early release slip can be issued. It is important that the student take care of this when she arrives at school for attendance purposes. Whatever class the student is in at the time of dismissal, she is to present the slip to the teacher at the start and may leave five minutes prior to the time stated on the slip. All students must be signed out of the building in the school office before they leave. A student can sign herself out if she is driving. If the student returns to school, she must report to the school office, so she can be readmitted to classes.

HOST A STUDENT!

INTERNATIONAL PANDAS

HOST FAMILIES NEEDED

NDA is once again going to host international students from our sister school in Germany (Liebfrauenschule Vechta) for a portion of the 2024 fall semester. Two students will be experiencing The NDA Life for 6-8 weeks. The German students would love to be in the US to celebrate Halloween if possible, so we are exploring the idea of having the girls arrive here in mid-September and depart at the beginning of November. These students speak English very well and are screened thoroughly by their school before they are allowed to apply for this exchange program. Please call or email Katie Caccavari, NDA Director of Enrollment, at caccavarik@ndapandas.org/859-292-1829, if you would be interested in more information about this opportunity. Your reply is not a commitment but would help us to know which families would consider supporting our international student enrollment by serving as host families.

FAMILY TIME WELL SPENT

On Friday, January 12, our students gathered together with their families for the first time for the year of 2024. Two of the families listened to the HOPE Squad present to them regarding awareness and strategies to prevent suicide. The presenters discussed the purpose of the HOPE Squad, the curriculum, resources every student could utilize, etc. While this was a heavy topic for the students, it was beneficial as their mental health is a priority. The other two families enjoyed some family bonding time by playing in the gym and the auditorium. Various groups of students competed in some friendly games of dodgeball to build camaraderie and continue to form strong family relationships.
