

# **Dear Parents.**

It's hard to image that we are already beginning the fourth quarter of this school year. While we have a great deal to look forward to these next couple of months, I think it's important for us to take a look back before we look ahead.

As many of you remember, on March 13, 2020, Governor Andy Beshear advised schools in Kentucky to stop in-person classes for at least two weeks. At that point, we had only just learned of COVID-19. We didn't know much about the virus and we certainly had no idea how it would impact our lives for the next two years. Our juniors and seniors will remember that we gathered our students on that now infamous Friday the 13th to tell them that we would be moving to virtual learning the following week. On Tuesday, March 17, 2020, Notre Dame Academy students and teachers broke new ground with the inception of Remote Learning @ NDA. Our community worked very hard in that last quarter of the 2019-2020 school year to remain focused and engaged in meaningful learning. Remote Learning @ NDA continued through the end of the 2019-2020 school year with NDA's Class of 2020 attending a virtual graduation ceremony and a drive-through diploma pick-up.

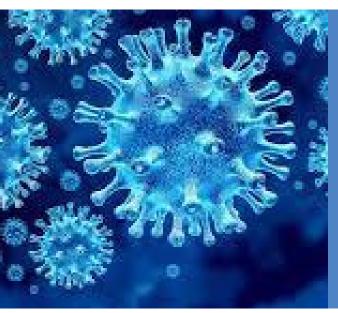

Understanding how imperative in-person learning is to the health and well being of our students, we began the 2020-2021 school year with many health and safety measures in place to ensure the safe return of our community. We briefly went back to remote learning through the winter holidays but returned to the classroom once again on January 4, 2021. Since that time we have been blessed to experience in-person learning at NDA. Over the last two years at NDA, we have sanitized, masked, socially distanced and more in order to continue our mission of educating women to make a difference. As the world commemorates the second anniversary of the beginning of COVID-19 and the extraordinary ways it has impacted lives, at Notre Dame Academy we are counting our blessings.

While many other schools have experienced an achievement gap due to the disruption of COVID-19, at Notre Dame Academy we are grateful that our students have stayed on track academically throughout the past two years. Our students, faculty, staff and administrators supported each other and became more resilient than before. We collaborated with each other and gained many life lessons and tremendous perspective. Most importantly, the COVID-19 global pandemic has strengthened the faith of our NDA community and deepened our relationships with God. Our NDA community is truly blessed.

Thank you for the tremendous amount of support you have shown us over these past two years. It is a privilege to educate your daughters in the tradition of the Sisters of Notre Dame. Now let's start looking forward to all of the wonderful things ahead for us at NDA! Blessed!

In Notre Dame.

Mr. Jack VonHandorf

## PREVENATIVE HEART SCREENING

Dear Parents,

MCORE Foundation will be back at Notre Dame Academy on Saturday, April 2, 2022, to provide our preventative heart screening program. We have worked with MCORE to provide a screening program to our community since 2019. This is an amazing opportunity for a student to have their heart evaluated for any abnormalities in a cost-effective and convenient manner, especially if they have had Covid-19. We encourage anyone interested to watch our video to learn more about MCORE Foundation.

Did you know that you may now order another set of Free-at-home COVID-19 tests? We are encouraging everyone to take full advantage of this free offer again. For your convenience and personal home use. Please click on this link to order.

#### CATHOLICS AT THE CAPITOL

# CATHOLIC CONVENTION OF KENTUCKY

Last Thursday, the following students joined over 100 other people from the Diocese of Covington at the Catholic Convention of Kentucky held at the state capital in Frankfort: Mia Bishop, Kira Kent, Josie Bozeman, Allison Dilbert, Tori Danneman and Sam Spellman. Accompanied by Associate Principal, Mrs. Grayson, the students have only positive remarks about the convention.

Mia says "the Catholics at the Capital was an amazing experience. I learned a lot about different topics and heard different viewpoints and opinions. I was able to ask questions along with my other peers in order to better grasp content."

Sam added that "throughout my time at NDA, the phrase 'women making a difference' has always been in the forefront of my mind. After participating in Catholics at the Capitol, I really feel as if I have started to make an a little difference in this big world. During my visit, I was able to collaborate with legislators to share a catholic view on important issues being discussed in the 2022 legislative session. Overall, this experience has taught me that every voice deserves to be heard and cherished!"
