

THE *nda* LIFE

Dear Parents,

I hope you and your family enjoyed a blessed and joyous Easter break. It was a wonderful opportunity to reflect, think and pray. It was also a great chance for our students to relax a bit before the final weeks of the school year.

It is with much excitement that I announce the valedictorian and salutatorian of the class of 2022. Congratulations to Ana Kothandram who is the class Valedictorian and Katie Crail who is the Salutatorian. These young women have excelled in their high school careers and this recognition is a sign of their ongoing commitment to academic excellence.

As you know, our students have been working hard to make a difference at Notre Dame Academy and at our sister school in Buseesa, Uganda with this year's student fundraiser, the Panda Prowl 5K. This annual student fundraiser benefits our tuition assistance program as well as a variety of student and program needs at NDA. It also benefits our sister school in Buseesa, Uganda by assisting with a student's education, health needs and other basic necessities. While those are worthy benefits, perhaps even more beneficial are the lessons this fundraiser teaches our students. By working to raise money for their school and our sister school in Uganda, our students learn the significance of giving back. Through this lesson in philanthropy, NDA students are developing empathy, organizational skills, collaboration and leadership. They are also learning how to promote a sense of community through their work as they become witnesses to the differences they make when we provide them a platform to cultivate change.

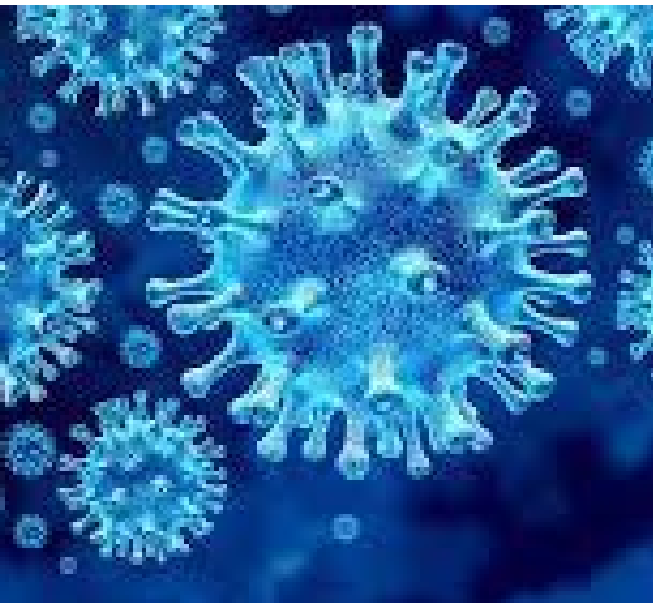

This Friday our students will participate in the Panda Prowl but they need your help to reach their goal and make a positive impact. If your daughter has not yet reached her goal of raising \$100 for this year's student fundraiser, please [CLICK HERE](#) to make a donation to support her efforts. I thank you in advance for your support!

Enjoy this special time of year. As always, thank you for sending your daughters to Notre Dame Academy. We are blessed to have each and every one of them as part of our community *Living the Gospel with a Spirit of Compassion, Hope and Joy!*

In Notre Dame,

Mr. Jack VonHandorf

WEEKLY UPDATE COVID-19

As of today, Wednesday, April 27, we have had 4 new reported cases of a member of our community testing positive for COVID-19 within the last week. We have had 0 additional members of our community who are currently in quarantine due to a reported exposure to COVID-19.

We will therefore, continue with a RECOMMENDED MASK POLICY at NDA. Masks are recommended at school and extra-curricular events but not required.

As we move forward, please keep NDA updated on any COVID-19 related issues involving your family. In the event that someone in your household is being tested for COVID-19 or your daughter is exposed to or tests positive for COVID-19, please contact one of our school nurses, Tina Sizemore, RN. or Melanie Martin, RN., at 859.292.1843 | ndanurse@ndapandas.org.

FROM THE SCHOOL NURSES COVID-19 CASES RETURN

Dear Parents,

As you can see in the report above, after several weeks of reporting no COVID-19 cases at NDA, we have 4 new reported cases this week. This is reflective of the uptick in cases in our community and around the country. While the positivity rate in Kentucky is up to 4.35% this week, the [NKY Health Department COVID-19 Data Dashboard](#) is still showing our COVID-19 community level as low which suggests that people stay up-to-date with COVID-19 vaccines and get tested if they have symptoms.

We are doing our best to keep our community safe and healthy the remainder of this school year. Please be vigilant if your daughter is experiencing symptoms and let us know if someone in your household is being tested for COVID-19 or your daughter is exposed to or tests positive for COVID-19.

MCORE Foundation will be back at Notre Dame Academy on Saturday, May 21, 2022, to provide our preventative heart screening program. We have worked with MCORE to provide a screening program to our community since 2019. This is an amazing opportunity for a student to have their heart evaluated for any abnormalities in a cost-effective and convenient manner, especially if they have had Covid-19. We encourage anyone interested to [watch their video](#) to learn more about MCORE Foundation.

You can register for your daughter's heart screening [HERE](#).
