

THE *nda* LIFE

Dear Panda Families,

As we move into the final weeks of the school year, there is a sense of both excitement and reflection across our campus. This is a meaningful time at Notre Dame Academy, filled with milestones, celebrations and opportunities for our students to finish strong.

One of the highlights of this week is the announcement of our Class of 2026 Valedictorian and Salutatorian. Congratulations to Jacie Hail and Linda France on this well-deserved honor. Their dedication, leadership and commitment to excellence reflect the very best of NDA, and we are incredibly proud of all they have accomplished.

We also celebrate the many ways our students continue to grow and lead beyond the classroom. From students being selected for the Regional Youth Leadership program to those serving our community through outreach efforts like the recent baby shower for local mothers, our young women are living out our mission each day. Their compassion, leadership and willingness to serve others are a true reflection of our Catholic identity.

As we look ahead, there are many important dates and events on the calendar, including Arts Fest, Academic Awards and senior celebrations. These moments allow us to come together as a community to honor the talents, achievements and journeys of our students.

In the midst of busy schedules, I encourage our students to remain focused, take pride in their work and support one another as we approach the end of the year. Let us also take time to give thanks for the many blessings of this school year and the gift of this community.

Thank you for your continued partnership and for the privilege of educating your daughters.

Walk in Faith,

Mrs. Lisa Ruwe Timmerding '97

GAINING A DEEPER UNDERSTANDING

FR. KUNATH VISITS CLASSROOMS TO SHARE VOCATION AND SACRAMENTS

Students at Notre Dame Academy recently had the opportunity to learn directly from our Chaplain, Fr. Conor Kunath, who visited theology classes to share insights on the sacraments and his vocation as a priest.

During his visit with junior classes, Fr. Kunath spoke about the sacrament of holy matrimony, offering both Church teaching and his unique perspective as a priest. Students explored the meaning of marriage as a sacred covenant, gaining a deeper appreciation for its role within the life of the Church.

Fr. Kunath also met with sophomore classes, where he discussed his vocation and the role of the priesthood. As students study the pillars of the Church and its presence in the world, his firsthand experiences provided meaningful context and connection to their learning.

These classroom visits reflect Notre Dame Academy's commitment to forming young women in faith, encouraging students to engage with the teachings of the Church in a personal and relevant way.

REMINDER: UPDATED DISMISSAL PICK-UP PROCEDURES

Parents and guardians are reminded that students should now be picked up from the theatre parking lot, not the main parking lot, during afternoon dismissal.

This adjustment is in place to improve traffic flow, reduce congestion and enhance safety for students and staff.

Please also note that cones have been placed around campus to help guide traffic and support this updated pattern.

Thank you for your continued cooperation in helping us maintain a safe and orderly campus.

IMPORTANT INFORMATION

ATTENTION PARENTS

There are many outstanding balances for students' lunch accounts. Please be sure to login to our online school lunch management system, PayPams. Parents should have created an account for this system when the student was enrolled. This system will show balances, accept payments, etc. Another option is to call the office and you can be transferred to our Cafeteria Manager, Karen Brungs. She can provide balance information and the office can accept cash or checks to cover the balance. Ensuring that all balances are paid is an expectation that must be fulfilled before official transcripts can be sent to colleges or before students can return for the next school year. Thank you in advance for your cooperation.

GREAT DAY AT NDA!

FOOD TRUCK DAY BRINGS FUN AND FLAVOR TO NDA

This past Friday was a perfect day for Food Truck Day at Notre Dame Academy! With the sun shining bright, students and staff enjoyed a fun afternoon filled with delicious food, laughter, and time spent with friends. It was a wonderful opportunity to step outside, enjoy the beautiful weather, and celebrate our amazing school community together. Great food, great friends, and great memories made it a fantastic day at NDA!

LEARNING TO LEAD

NDA STUDENTS SELECTED FOR REGIONAL YOUTH LEADERSHIP PROGRAM

Notre Dame Academy is proud to announce that Annie Lawrie and Frances Maier have been selected to represent NDA in the 2026-2027 Regional Youth Leadership (RYL) program.

RYL continues to draw strong interest across the region, with 122 applicants from 35 schools this year. Now in its 33rd year, the program has developed more than 1,200 alumni and remains a highly regarded leadership opportunity for high school students.

The program will begin with a mandatory opening retreat at Camp Ernst on September 13. Throughout the year, students will participate in sessions focused on leadership development and community engagement.

Congratulations to Annie and Frances on this outstanding achievement. We look forward to the impact they will make as part of the next generation of regional leaders.

¡BUEN CAMINO!

SPANISH STUDENTS EXPERIENCE THE CAMINO

¡Buen camino! Dual Credit Spanish spent the week learning about the Camino de Santiago, a famous pilgrimage in Spain to the cathedral where the apostle St. James is buried. To end the week with some fun, students in Profe Jones's class went on their own 'Camino' inspired scavenger hunt through the school, solving riddles in Spanish and reflecting in their 'camino passport' on the importance of this pilgrimage. The winners were awarded each an original votive candle featuring the apostle St. James straight from Santiago de Compostela, Spain!

AP SEMINAR PRESENTATIONS

SOPHOMORES SHOWCASE RESEARCH, CRITICAL THINKING AND REAL-WORLD ANALYSIS

Sophomores in AP Seminar took to the IDEAL innovation space as they delivered their individual multimedia presentations and oral defenses, the concluding component of months of research and analysis. Each student explored a complex, real-world issue of their choosing, crafting a focused argument supported by credible sources and reasoning. During the presentations, students not only showcased their findings, but also defended their argument by responding to two personal questions about the research process, demonstrating their ability to think critically and defend their perspectives.

IMPORTANT OUTREACH

NDA STUDENTS SUPPORT LOCAL MOTHERS THROUGH SERVICE AND CONNECTION

Twice a year the Diocese of Covington, St. Elizabeth Hospital and various local groups organize a baby shower for low-income pregnant women and mothers of children under 6 months. Nearly 200 people attend the baby shower. Various parishes, schools and organizations combine to give these moms free gifts and check to see that they have the medical assistance they need. Students from Notre Dame Academy came to help, particularly with the Spanish-speaking moms. They handed out baby clothes and blankets. Moms could also use tickets for a raffle of bigger items like strollers and car seats. We appreciate all our volunteers and especially their use of Spanish to make some of the moms feel more comfortable.

NATIONAL FRENCH CONTEST

NDA STUDENTS RANKED NATIONALLY IN LE GRAND CONCOURS

Twelve Notre Dame Academy students have ranked nationally in the 91st annual event, Le Grand Concours. Le Grand Concours is a national competition sponsored by the American Association of Teachers of French. Students were evaluated for their interpretive reading and listening comprehension skills in French. Over 46,000 students competed in the 2026 event.

Students Mila Kaiser, Sophie Reedy, Mia Rinaldi, Charlotte Breetz, Maura Dwyer, Brook Sweeney (FRENCH I), Ellie Breitling, Evie Scott, Kara Dugan, Grace Rhea (FRENCH II), Olivia Browning (FRENCH III) and Kate Davey (FRENCH IV) earned Honorable Mentions. They are currently students of Angela Lucarelli.

AATF President Will Thompson indicated: As President of AATF, and as someone who has been involved with Le Grand Concours at the chapter level for more than twenty years, I am delighted to extend my congratulations to those students who have participated in the Concours this year, and in particular those who have performed well enough to earn chapter and national honors. I hope their accomplishments encourage them to continue to cultivate their interest in the French language and in France and Francophone cultures in the future. I also want to thank all of the teachers who had students compete in the Concours this year; I sincerely appreciate their commitment to expanding their students' opportunities outside the regular curriculum. I am so pleased that the Le Grand Concours continues to be an invaluable part of how the AATF promotes French in the United States.

BRINGING ANCIENT CITIES TO LIFE

LATIN 2 STUDENTS DESIGN THEIR OWN ROMAN TOWNS

Latin 2 students recently designed their own Roman towns. Working in groups, they chose a location from the Roman empire, and a water source, for their town, gave it a name, determined what and how many of each kind of public building, housing, temples, shops, restaurants, public entertainment, bathhouses, public restrooms, and other resources and necessities their town would include. They mapped out their designs and drew them out and colored them, thinking through every detail, even the layout for their road systems, fountains, and green spaces.

This project was a fun way for students to get creative, work in teams, and gain a deeper understanding of Roman cities and how they functioned. The students excelled with this project and the results were stunning!

PLEASE HELP ENSURE UNIFORM GUIDELINES UNIFORM SKIRT REMINDER

We appreciate the improvement we are beginning to see as students work to take greater pride in their uniforms and in representing NDA well. As the weather begins to warm and many students are no longer wearing leggings, it is especially important to ensure that uniform skirts are being worn at the proper length.

While progress has been made, we still have a long way to go in ensuring that uniform skirts are consistently in compliance with our dress code policy. Rolling skirts or leaving hems unadjusted continues to be an issue, and we are asking for parent support in helping us address this.

FINE ARTS

ART 2 STUDENTS EXPLORE MASTERWORKS FIELD TRIP TO LOCAL MUSEUMS INSPIRES CREATIVITY AND DEEPENS ARTISTIC UNDERSTANDING

The Art 2 class at Notre Dame Academy recently took an inspiring field trip to both the Taft Museum of Art and the Cincinnati Art Museum, giving students the opportunity to experience masterworks up close. Walking through the galleries, we encountered paintings by renowned artists such as Rembrandt, Duveneck, Turner, and Duncanson. Seeing these works in person allowed us to better appreciate their scale, texture, and the subtle details.

Throughout the visit, we practiced using art vocabulary to thoughtfully describe what we observed. We discussed elements like composition, value, color, and brushwork, as well as principles such as balance and emphasis. These conversations helped us deepen our understanding of how each artist constructed their work and communicated meaning. It was especially interesting to compare the dramatic lighting of Rembrandt's paintings with the atmospheric qualities found in Turner's landscapes.

One of the highlights of the trip was a collaborative drawing exercise. Working in teams of two, we selected artworks from the museums and attempted to recreate them. This activity challenged us to closely observe proportions, shapes, and details while also communicating effectively with our partners.

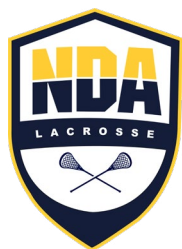

We also had time to independently sketch and reinterpret artworks that stood out to us. This creative exploration allowed us to experiment with our own styles while drawing inspiration from the masters. The ideas and sketches we developed during the trip will serve as valuable references as we begin working on our final pieces back at NDA, making the experience both educational and creatively motivating.

GIVE YOUR STUDENT A STRONG START

ATTENTION CLASS OF 2027 PARENTS

Want your student to get a jump start on the college application process?

Does your student need help with crafting an outstanding college essay?

If so, then your student should attend the CCH College Application Camp this summer! Senior Counselor, Mrs. Jessica Brown, will be hosting a 4-day workshop (8/3-8/6) for seniors to get started on the college application process. This 2.5 hour/day camp session will allow students to have time to work on the application, craft an essay, and create an activity list that highlights their attributes. On the final day of the camp, students will get the opportunity to meet with college reps and get feedback from the experts on their essay and/or application. The reps will also be here to share updates about their schools, and they will also hold a Q&A panel for parents whose student is participating in the camp. So, parents, this is a great time to get all your questions answered on how you can best support your student in the application process. Space is limited so sign up today! <https://payit.nelnet.net/form/HTM2rblm>

Additionally, NDA will host Application Workshops before school starts and when school is back in session. Attending one of these sessions is mandatory and students will learn more about timelines, deadlines, transcripts, letters of recommendation, SCOIR, and actually START a college application during the workshop. It's a really valuable time for students to gain information and ask all the good questions they might have. See the dates below to plan accordingly. Sign ups will be sent out in July. Students will need to attend an NDA workshop even if they attend the CCH camp.
