

THE *nda* LIFE

Dear Parents,

Last Friday, we gathered as a faith community to celebrate our annual May Crowning Mass. It was a special day to honor our patroness, the Blessed Mother, and to reflect on Notre Dame Academy's educational mission as a school dedicated to Mary. This year the honor of crowning Mary went to senior Sophia Ernst. I would like to congratulate Sophia on her brave and inspiring witness to her faith and devotion to the blessed Mother.

I also extend my gratitude to the Sisters of Notre Dame for their continued tradition of presenting each of our freshmen, new students and staff members with a Miraculous Medal during the May Crowning ceremony. Their dedication enriches our community profoundly.

As you can see below, our students are "Radiating God's Goodness" this year in many ways. They have been very diligent in their studies and co-curricular activities this year and they have earned all sorts of accolades for their hard work.

As we approach the end of the school year, there are several important details for our seniors and their families to keep in mind as they prepare for graduation. Please take note of the information below regarding the calendar, Senior Breakfast, graduation photos, ensuring PayPam accounts are up to date and yearbook senior ads. We don't want our seniors to miss out on any of the important events celebrating their time at NDA.

Additionally, I want to bring your attention to the upcoming exam schedule. Senior exams are scheduled for May 17-18, while exams for freshmen, sophomores and juniors will take place from May 20-22. I encourage you to discuss this schedule with your daughter as it can be a stressful time. Let's remind our students to support each other and prioritize healthy choices to manage stress effectively.

Thank you for allowing us to partner with you in your daughter's Catholic education. It is an honor for us to be part of such important work.

In Notre Dame,

Mr. Jack VonHandorf

Student Life

HONORING OUR MOTHER MAY IS FOR MARY

On Friday, May 3 our school community had the honor of celebrating our patron saint, Mary, Jesus' mother. As is NDA tradition, the seniors were offered the opportunity to write reflections regarding their love and devotion to Mary. These reflections were then read by various faculty and administrators. One student was chosen to crown Mary and to read her reflection as the Call to Worship prior to the liturgy. The other student was chosen to carry the crown during the procession at the start of the mass.

Sophia Ernst was chosen to crown Mary. Her reflection stated that she has turned to Mary in times of trouble, fear and anxiety. Saying the words to the prayer "Hail Mary" has become a very comforting and calming habit for her. She embraces the words, thinks about Mary's bravery and her "YES" to God.

As the liturgy continued, another Notre Dame Academy tradition was highlighted as well. New students and staff members were given the Miraculous Medal. The Sisters of Notre Dame were assisted by other faculty and staff in passing out the medals to each student and faculty member. As each new member of the NDA community received the medal, one of our devoted sisters said words such as, "Know always that Mary loves you very much." As the reflection that was read during the liturgy stated, the medals are not magic, but remind us of the power of God and the strength of Mary.

It was a wonderful liturgy highlighting the bravery and courage of our Blessed Mother.

REVIVING TRADITION NEW CAPES FOR MAY CROWNING

In anticipation of Notre Dame Academy's May Crowning event, the school's Textiles teacher, Mrs. Tina Nugent Conradi '82 breathed new life into a cherished tradition. Five beautiful capes, reminiscent of those worn in years past, have been meticulously crafted by Mrs. Nugent to honor the occasion. These capes were worn by the student chosen to crown Mary, the crown bearer and the honor guard at May Crowning this year. The new capes definitely added an extra touch of elegance and reverence to the event!

¡Viva Español

NDA STUDENTS EXCEL IN NATIONAL SPANISH EXAM

The week of April 8, just as classes resumed from spring break, the Spanish classes at Notre Dame Academy took the National Spanish Exam. The test is given in two parts: one is the achievement section consisting of grammar and vocabulary questions and the second is the proficiency test consisting of questions on listening and reading the language. Many students were recognized for their accomplishments. Every level performed better than 60% of the students in the country. Last year NDA Spanish students earned more medals than any other school in KY. We are hoping to keep our record this year when the cumulative results are announced. Thanks to the parents who are always very supportive of their daughters and help them to achieve amazing goals. Congratulations to the following students:

REFLECTING ON NDA'S BELOVED TRADITION BABY DAY 2024

NDA's long-standing tradition, Baby Day, sponsored by Mrs. Johnson's Psychology Class, occurred on Thursday, April 25. Twenty-eight children, including newborns, toddlers, preschoolers and kindergartners were in attendance. The children participated in a variety of activities including an obstacle course, face painting, several other games and fun mini-projects.

Children were also invited to enjoy a taste test, a marshmallow game, as well as several other food-related activities which are always very popular. Students loved working with the children and learned much more than any textbook could ever teach them. Baby Day certainly allowed all of us to experience education at its finest! A huge shout out to our Baby Day coordinators, Annie Bowman and Lily Overbay who kept everything organized and running smoothly. Special thanks to Rory Glynn and his publication students, Sophie Hollenkamp and Anna Farro, for their photography and video skills!

Baby Day is a long-standing tradition that I have been blessed to be part of for many years. It was a pleasure to welcome back many of my former Psychology students and their children. Since I am retiring at the end of this school year, after 41 years at NDA, it was a very special "last" for me. My former Psychology student, Lara (Greife) Heidrich, will be teaching AP Psychology next year. I wish her much success and many blessings!

102 YEARS OF FESTIVAL FUN

CELEBRATE THE SND'S

The Sisters of Notre Dame are busy planning two wonderful celebrations this year on July 4th. First is their 102nd 4th of July Festival. The second is their 150th anniversary of the Sisters of Notre Dame arriving in the United States. Eight sisters traveled from Germany to New York arriving on July 4, 1874, and began ministry at Mother of God school and parish in August of the same year. This began an affiliation with many schools in the diocese of Covington and the Archdiocese of Cincinnati.

The Sisters invite you to participate in their 4th of July Festival. Your presence and partnership gives them the opportunity to share together in the mission of our community!
