THE *nda* LIFE

Dear Parents and Guardians,

It's a busy time at NDA. As we approach the final weeks of the school year, we're moving through a full and purposeful stretch—from classroom learning to campus traditions, awards, arts, send-offs, and studying, there's much to acknowledge as we close out the year.

On Tuesday evening, we held Notre Dame Academy's 48th Annual Academic Awards Night. A total of 153 awards were presented to 83 students in recognition of academic excellence, departmental honors, and Governor's Scholars distinctions. We're proud of their hard work and the steady commitment they've shown throughout the year.

We also look forward to welcoming families to Arts Fest tomorrow evening, May 15, beginning at 5:30 p.m. This event features music, dance, and visual art from our students, and it's a good opportunity to see the many ways they engage creatively at NDA. If you haven't already, please RSVP to help with planning. You will find a registration link on the following page.

Today we celebrated the Class of 2025 at the Senior Luncheon and Senior Send-Off. This annual tradition allows us to recognize our seniors for the contributions they've made to NDA. It's a meaningful milestone as they prepare to finish out their time here.

With exams just ahead, we encourage all students to stay focused and finish the year strong. Good preparation, balanced routines, and consistent effort will go a long way in the days ahead.

As always, thank you for your continued support of your daughters and of Notre Dame Academy.

In Notre Dame,

Mr. Jack VonHandorf

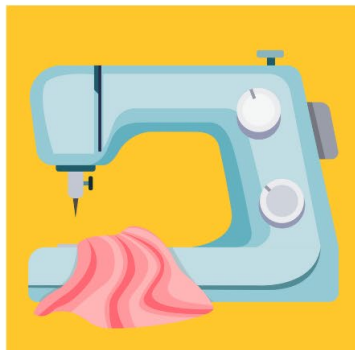

Have a great day and make good choices!

CELEBRATING EXCELLENCE

48TH ANNUAL ACADEMIC AWARDS NIGHT HONORS STUDENT ACHIEVEMENT

Notre Dame Academy's 48th Annual Academic Awards Night took place Tuesday, May 13, in the NDA Theatre, where students, families, faculty, and staff gathered to honor the academic accomplishments of our freshmen, sophomores, and juniors. From 7 to 8:30 p.m., the community celebrated a night filled with pride, gratitude, and inspiration.

This year, 153 awards were presented to 83 students in recognition of Academic Excellence, departmental distinction, the Governor's Scholars Program, and more. These young women exemplify what it means to lead with integrity, curiosity, and purpose. Invitations were emailed earlier this week to students being honored, with updates continuing as new awards were confirmed.

Our sincere thanks go to our dedicated faculty, whose commitment to student learning extends beyond the classroom through mentorship, coaching, and club leadership. We are grateful to the generous donors whose scholarships support academic achievement, and to our Board of Directors for their guidance and vision. We especially thank the Sisters of Notre Dame for their steadfast dedication to education, their selfless service, and their example of living lives rooted in faith and God's goodness.

We are also thankful for the unwavering support of our parents, who encourage their daughters to strive for excellence and live out NDA's mission to make a difference in the world.

Congratulations to all of the honorees. Your hard work, determination, and pursuit of excellence are an inspiration to us all.

AN NDA TRADITION

CLEANING DAY

On Thursday, May 22 the Annual Cleaning Day will occur at NDA. This has been a long standing tradition initiated by the sisters and spearheaded by our very own Sister Paul Ann and Sister Rachel for years. The NDA philosophy is that we take care of and show respect for our building and that all students must contribute to the upkeep and cleaning of the school on this one day of the year. Seniors will be exempt from cleaning day as they practice and prepare for graduation. All other students should plan to report to school from 10:15 until 11:45 for their cleaning day shift. Assignments will be distributed by Mrs. Timmerding in the coming week. Thank you in advance for helping to continue this tradition.

FINAL SCHOOL LITURGIES:

- May 16 - Mass at 7:20 a.m.
- A decade of the rosary will be prayed at 7:45 am on May 15.

MEET YOUR 2025-2026 GAA CO-PRESIDENTS!

FOUR STUDENT LEADERS STEP UP TO ENERGIZE SCHOOL SPIRIT, ATHLETICS, AND PANDA PRIDE

For the 2025–2026 school year, we are thrilled to introduce not one, not two—but four dynamic students who will lead our Girls' Athletic Association (GAA)! Please join us in congratulating Sadie Yapp, Audrey Dyas, Cami Norris, and Joelle Hentz on being named GAA Co-Presidents.

These spirited Pandas will be working together to lead our student section, plan pep rallies, and boost enthusiasm across campus. This year, we decided not to hold a student vote—not because these students didn't earn their spot, but because it was clear we needed a full team to carry the energy and effort that Ava and Georgi brought to GAA leadership this year.

BUILDING 3D PANDA STATUES

HANDS-ON PROJECT HELPS SOPHOMORES CONNECT MATH CONCEPTS TO REAL-WORLD CREATIVITY

The sophomores in Mrs. Kroger's honors geometry classes recently brought math to life through a hands-on project focused on surface area and volume. As part of the assignment, students designed and constructed 3D models, applying their knowledge of geometric formulas in a creative and practical way.

The students were able to showcase their creativity in the form of a panda statue made from cardboard, paper, and many other household items, complete with calculated surface area and volume measurements. This project helped students see how geometry connects to the real world. They weren't just memorizing formulas—they were using them to create something meaningful.

CONGRATULATIONS!

PANDAS ACCEPTED INTO YOUNG LEADERS ACADEMY

Two aspiring junior leaders, Michelle Ross and Phoebe Desch, were both accepted into the Young Leaders Academy for the summer. It is a week-long residential program at the University of Louisville. It is offered to Kentucky high school students and being accepted provides them with a full scholarship that provides them with lodging, meals, and all conference materials. The theme of the conference is "Revisiting American Constitutionalism." Experts in the field of the American founding teach the students lessons regarding the constitution and other issues relevant to the birth of the United States. Congratulations ladies on such an honor; we cannot wait for you to impact our school based on your valuable experience.

THE ANXIOUS GENERATION BY JONATHAN HAIDT CONSIDERING POLICY CHANGE

Earlier this semester, the author of *The Anxious Generation* was available for a presentation with various administrators from the greater Cincinnati area. He spoke about his text and the research that he has discovered regarding the detriments of students using cell phones and social media. The current cell phone policy at NDA is that students must have their phones off and away from 8-3, however we know that this is not foolproof. We are considering the implementation of a new policy for the upcoming school year. To prepare for a change, we are inviting students, parents, staff, and faculty to read this book and view the attached presentation. Should you be interested in providing feedback after reviewing the materials mentioned, please watch upcoming Panda Press Weekly's for more information. We hope to provide forums where the text and presentation will be discussed and parents can provide feedback regarding policy review and various viewpoints.

The presentation by the author is linked [here](#) and is very eye opening in and of itself.

SUPPORT THE EDUCATIONAL CHOICE FOR CHILDREN ACT

NDA Families,

Please review the letter below from Mrs. Kendra McGuire. Please consider clicking the link and sending a message to your Congressman. The Educational Choice for Children Act (ECCA) would benefit our Diocesan schools in countless ways. There are quite a few myths surrounding this act and the bill that was on the ballot back in November.

Please keep these points in mind.

- An estimate of 90% of students could qualify for assistance.
- This does not reduce the funding given to public schools and money is not taken from another government funded entity since it is a tax credit – donors fund it.

Dear Parents,

The U.S. Congress is in talks now to pass the Educational Choice for Children Act. This is a scholarship tax credit that would be created at the federal level, and students in ALL 50 states would be eligible for the funds to help offset the cost of Catholic school tuition. As you know, Kentucky failed to pass Amendment 2 last fall, and our state is quickly falling behind in school choice initiatives across the country. This is making it harder and harder for families to afford a Catholic education and for our parishes to subsidize it.

The USCCB sent out an action alert this week, inviting you to urge Congressional leaders to pass this bill during the budget reconciliation process. Please follow this link to the USCCB's action alert page to send your message: <https://www.votervoice.net/USCCB/Campaigns/125894/Respond>

Here is more information on the bill if you would like to learn more: <https://www.federationforchildren.org/national-school-choice/>

It only takes a few minutes, and hopefully, the more voices they hear from, the better chance we have of this passing! Thanks for your time, and please keep these efforts in your prayers!

Sincerely,

Mrs. Kendra McGuire
Superintendent
Department of Catholic Schools

SENIOR EVENTS INFO AND SENIOR BREAKFAST

Our celebration of Seniors has begun. A reference sheet was shared with students regarding all of the remaining events of the school year and special info about various days. This sheet (linked below) also includes information about students' attire for each event as that has been a burning question from all of them. In addition, there is a letter for parents which includes the registration link for the Senior Breakfast which will occur on May 23 at 8:30 at Receptions. Please see the letter and register; students do not need to register or pay.

ONE LAST LUNCH

SAYING GOODBYE TO SENIOR YEAR

On Tuesday, the seniors enjoyed their last day at NDA, especially their last time in the cafeteria together. Underclasswomen enjoyed some hugs, tears, and camaraderie with the Class of 2025. This last day is always a testament to the culture that is cultivated as the students go through four years at NDA. They develop bonds with students from all grade levels and hopefully lasting friendships.

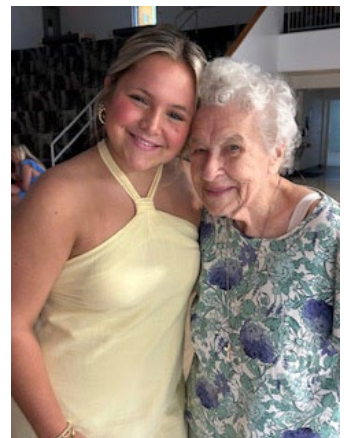

Senior Dinner Dance

A NIGHT TO REMEMBER:

THE SENIOR DINNER DANCE

On Saturday May 10, the seniors enjoyed one last NDA dance: the traditional Senior Dinner Dance. The girls attend this dance without dates so that the focus is on their graduating class and enjoying their time together for one last event. Superlatives drafted by the Publications Class are also read by the Senior Class Co-Presidents. It was a night of fun, laughter and final memories before they transform into NDA Alumnae.
