

THE *nda* LIFE

Dear Panda Families,

As we enter the final days of the 2025-26 school year, we are full of excitement, gratitude, reflection and anticipation for what lies ahead. This week has already been filled with meaningful moments and traditions, and on Friday, we will gather to celebrate the graduation of the Class of 2026. It is always one of the most beautiful and bittersweet moments of the year as we send our seniors forth to continue walking in faith and making a difference in the world.

In the midst of all the celebrations, I also want to take a moment to share a few important updates.

While the school year may be ending, we will continue staying connected throughout the summer with special Panda Press editions in mid-June, mid-July and early August. We look forward to continuing to share updates, celebrations and important information with our NDA family over the summer months.

We are excited to continue growing together in faith this summer through Hallow, the Catholic prayer and meditation app. We know summer routines can quickly become busy and unstructured, and it can be easy for prayer and quiet reflection to slip away. Our hope is that Hallow will help our students and families stay rooted in faith throughout the summer months.

Hallow Summer Listening Options

The Summer Listening Packet is designed to help students stay connected to prayer and faith in a simple and meaningful way. Whether listening in the car, after dinner, before bed or whenever best fits your family's schedule, we encourage all NDA families to participate.

How to Log In: Download the Hallow app or visit hallow.com

Sign in using the email option:

Username: your child's school email address

Password: hallowed

Finally, I would ask our NDA community to continue keeping two beloved members of our faculty and staff in your prayers. We recently received encouraging news regarding our art teacher, Mr. Hunter Fleury. Following the completion of chemotherapy, he shared the wonderful news that his tumor has shrunk by 90 percent and is expected to continue shrinking as the residual effects of treatment continue to work. We also continue to keep Mrs. Leanne Kirn in our prayers as she recovers at home following chemotherapy and surgery. We are grateful to share that she is recovering well, and we ask God to continue blessing both Mr. Fleury and Mrs. Kirn with strength, healing and peace in the months ahead.

As a community rooted in faith, one of the greatest gifts we can offer one another is prayer, presence and support during difficult seasons. Thank you for continuing to surround these families with love and encouragement.

Finally, please continue to keep our seniors, faculty, staff and families in your prayers as we close this school year and prepare for graduation on Friday. It has truly been a year filled with growth, grace and countless blessings!

Walk in Faith,

Mrs. Lisa Ruwe Timmerding '97

FAITH FORMATION SERVICE

A list of 2026/27 Service Requirements and guidelines can be found [here](#). These were shared with our students over the past few weeks in their Religion Class. Students can begin their 26/27 service requirements beginning on June 1, 2026.

A list of any Upcoming Service Opportunities that are shared with the Campus Ministry Office can be found [here](#). This list will be kept up to date during the summer months as well.

MAKE A DIFFERENCE

SENIORS LAST MASS AS A CLASS BACCALAUREATE MASS

The Baccalaureate mass will take place on Thursday, May 21 at 7:00 p.m. at St. Agnes Church. This is the final mass for the Class of 2026 and their immediate families.

Alumnae
Rosary

JOIN US! ALUMNAE ROSARY

Notre Dame Academy alumnae are invited to return to campus this summer for the NDA Alumnae Rosary, a special opportunity to gather in faith and fellowship with fellow NDA women.

The first summer rosary gathering will take place on Thursday, May 21, at 9:30 a.m. in the Notre Dame Academy chapel. We will also have our Alumnae Rosary on Wednesday, June 18, at 9:30 a.m. and it will be held outdoors on campus weather permitting or in the chapel if there is rain.

Whether you are a recent graduate or a longtime alumna, the Alumnae Rosary is a beautiful way to reconnect with the Academy, spend time in prayer and celebrate the lifelong bonds of the NDA sisterhood.

Additional information regarding July and August rosary gatherings will be shared in the June Panda Press Weekly.

All are welcome!

SENIOR SEND OFF

SENIOR SEND-OFF AND ALUMNAE INDUCTION

CLASS OF 2026 CELEBRATES SISTERHOOD, MEMORIES AND NEW BEGINNINGS

The Notre Dame Academy Class of 2026 gathered for one final celebration together during the annual Senior Send-Off and Senior Luncheon, a cherished NDA tradition marking the transition from students to alumnae.

The day began with a beautiful prayer service, giving seniors an opportunity to reflect on their four years at Notre Dame Academy, celebrate their sisterhood and pray for the journey ahead. Surrounded by classmates, faculty and staff, the graduates were reminded that while their time as students is coming to a close, they will always remain part of the NDA family.

Following the prayer service, seniors enjoyed a special luncheon filled with laughter, conversation and memories from their years together. During the luncheon, the Class of 2026 was officially inducted into the Notre Dame Academy Alumnae Association, welcoming them into the lifelong sisterhood shared by generations of NDA women. As part of the tradition, each senior also received a special rosary gift from the Alumnae Department, a meaningful reminder to carry their faith and the spirit of Notre Dame Academy with them in the years ahead.

The day's celebration also included a heartfelt farewell to beloved faculty members Ms. Madelyn Kroger and Ms. Ellen Gerard, who will both be leaving Notre Dame Academy at the conclusion of the school year. Students and colleagues shared gratitude and well wishes as they recognized the impact both teachers have had on the NDA community.

The afternoon continued with a joyful time of reminiscing as students reflected on favorite moments, friendships, traditions and experiences that shaped their time at Notre Dame Academy. From freshman year memories to senior year milestones, the afternoon was filled with gratitude, laughter and excitement for the future.

The celebration concluded with a special senior clap-out as faculty, staff and fellow students lined the halls to cheer on the Class of 2026 one final time. The joyful send-off served as a meaningful reminder that although they may be leaving Notre Dame Academy, they will always carry the spirit of NDA with them.

Student Life

AN NDA TRADITION CLEANING DAY

This Thursday, May 21, Notre Dame Academy will continue its longtime tradition of Cleaning Day. Initiated years ago by the Sisters of Notre Dame and lovingly led for many years by Sr. Paul Ann Hanneken, SND, and Sr. Mary Rachel Nerone, SND, this meaningful tradition reflects the NDA philosophy of taking pride in and showing respect for our school community and building.

All students in grades 9-11 should report to school from 9:00-10:30 a.m. on Thursday for their assigned Cleaning Day shift unless alternate arrangements have already been made. Seniors are exempt as they prepare for graduation activities.

Cleaning assignments have been distributed by Mrs. Timmerding. Students should dress comfortably and be prepared to help care for the Academy alongside their classmates.

Thank you for helping continue this special Notre Dame Academy tradition of service, stewardship and community pride!

MAKING A DIFFERENCE

NDA SENIOR RECEIVES CATHOLIC CHARITIES MENTOR SCHOLARSHIP

Senior Maya Dailey has been selected as the recipient of this year's Catholic Charities Reach and Teach Mentor Scholarship. Through the Reach and Teach program, Maya spent the past two years serving as a mentor to a student at St. Agnes School. From October through April each year, she dedicated 20 weeks to working one-on-one with her student, providing academic support, encouragement and friendship.

Maya's compassion, consistency and commitment to helping others grow made a meaningful impact both inside and outside the classroom. Her dedication reflects Notre Dame Academy's mission of educating young women to make a difference in the world. Congratulations, Maya, on this well-deserved honor!

SPANISH STUDENTS RACE TO THE FINISH!

FUN, GAMES AND FINAL EXAM PREP IN SPANISH CLASS

On the last day of classes, Spanish 1 and 2 students in Profe Jones's classes participated in a final exam 'relay'! Known as 'running dictation' students practiced their reading, listening and writing skills in Spanish by running to read a short text in the target language and running back to their partner to 'relay' as much as they can remember - going back and forth until the entire text was complete! Teams were awarded for speed and overall accuracy.

One class even broke into a rousing game of 'pato, pato, ganso' (duck, duck, goose!) after their relay. What a fun way to close out the year and reinforce the necessary skills for the final exam!

IMPORTANT INFORMATION

ATTENTION PARENTS

There are many outstanding balances for students' lunch accounts. Please be sure to login to our online school lunch management system, PayPams. Parents should have created an account for this system when the student was enrolled. This system will show balances, accept payments, etc. Another option is to call the office and you can be transferred to our Cafeteria Manager, Karen Brungs. She can provide balance information and the office can accept cash or checks to cover the balance. Ensuring that all balances are paid is an expectation that must be fulfilled before official transcripts can be sent to colleges or before students can return for the next school year. Thank you in advance for your cooperation.

IMPORTANT INFORMATION

DRIVER'S TEST REMINDER

If your daughter will be taking her written driving test over the summer, please have her stop by the office before the school year ends. Office hours are limited during the summer, and we would hate for her to miss out on this monumental event because she was unable to get the necessary paperwork.

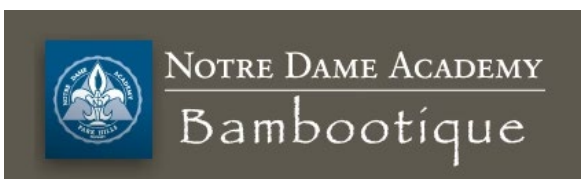

SHOW YOUR NDA SPIRIT

SHOP THE BAMBOOTIQUE

The school year may be winding down, but Panda spirit is still going strong! Now is the perfect time to stock up on your favorite Notre Dame Academy gear before summer begins.

The Bambootique currently has many items marked down, so don't miss this chance to grab great deals while they last. Whether you are shopping for yourself, picking up gifts for incoming freshmen or adding a little extra NDA pride to your summer wardrobe, there is something for everyone.

Stop by the Bambootique in person or shop [ONLINE](#) for all your favorite Panda apparel and accessories!

ROBOTICS IS COMING TO NDA!

NEW ROBOTICS CLUB TO LAUNCH INNOVATIVE OPPORTUNITIES FOR STUDENTS

Notre Dame Academy is excited to announce the launch of a new Robotics Club for the 2026-27 school year!

Students participating in the club will have the opportunity to design, build, program and compete while exploring the exciting world of robotics and engineering. The club will focus on teamwork, creativity, problem-solving and innovation as students work together on hands-on projects and challenges.

In addition to gaining valuable STEM experience, students can also earn a one-half credit through participation in the club.

The new program reflects NDA's continued commitment to innovation and preparing young women to lead in an ever-changing technological world. Students interested in robotics are encouraged to complete the interest form shared through the QR code to the right and Google Form found [HERE](#).

FROM THE MATH DEPARTMENT

2026-2027 CALCULATOR REQUIREMENTS FOR NDA

Dear Incoming Freshman:

As the 2025-2026 school year nears the end, the math department at Notre Dame Academy would like to communicate that all students will be expected to have a NumWorks calculator for their math classes in the 2026-2027 academic year.

For those who may be unfamiliar with NumWorks, it is a more modern and intuitive graphing calculator developed in collaboration with teachers and designed with today's students in mind. Inspired by the electronic devices that students use daily, this calculator's app-based design empowers them to explore and discover mathematics on their own. NDA's math department believes that equipping our students with this device allows us to make math education accessible and approachable for all students.

The NumWorks graphing calculator is included on the list of permitted calculators for all College Board tests (PSAT, SAT, and AP) and it also meets the requirements for the ACT calculator policy. You can read more about exam compliance at <https://www.numworks.com/calculator/exams/>.

The NumWorks graphing calculator (replacing the previously used TI-84) costs \$124.99. The NDA math department was able to generate a discount code for any NDA students interested in purchasing this calculator at a discounted rate. More information about the NumWorks graphing calculator can be found at <https://www.numworks.com/>. We encourage you to explore this option in preparation for the upcoming academic year. There is a NumWorks app that can be downloaded for free onto a device for additional exploration and operates exactly like the device itself.

Below is a discount link that allows you to purchase a NumWorks graphing calculator for \$92.99 instead of the typical retail price of \$124.99. **Please note that this link will expire on July 31.**

All calculators purchased through this discount link will be shipped directly to school where students will receive their new calculators in their math classes.

<https://discountlink.numworks.com/xb4ew3-1>

Please do not hesitate to reach out if you have any questions or concerns. We hope everyone has a wonderful, relaxing summer!

Thank you,

Leslie Litmer

ATHLETIC DEPARTMENT

FROM THE DESK OF THE ATHLETIC DIRECTOR

PANDA ATHLETICS

Good luck to all of our Pandas competing in their Postseason this week!

Tennis – Our Panda Tennis team lost a heart breaking tie breaker to Ryle in the finals of the Regional Tournament. However, we are excited to have three players qualify for the KHSAA State Tournament!

Our doubles team of Malia Christensen and Bella McElwee will compete on Wednesday at 12:45 p.m. Lil Berling will compete in singles play at 11:30 a.m. in Lexington. With a win, she would advance to matches scheduled for 3:15 p.m. and 3:45 p.m. Good luck to our Pandas!

Softball – Softball is hoping to complete their District Tournament tonight at Holmes High School, weather permitting! Currently, the Pandas are leading Holmes 7-1 in the bottom of the third inning. The winner of this game will advance to play Holy Cross tonight at 6:30 p.m. Let's go, Pandas! Should the Pandas win the District Championship, they will host a regional game at NDA on Sunday, May 24 at 2:00 p.m.

Track & Field – Track & Field is headed to the KHSAA State Meet this Saturday, May 23, with 14 team members qualifying to compete! These outstanding student-athletes will compete in 12 of the 18 state events. Good luck to our Pandas!
