Educating Women to Make a Difference in the World

Panda Press Weekly

THE *nda* LIFE

Dear Panda Families,

It is hard to believe that summer is coming to a close; it seems to have come and gone so quickly, as it does every year. The end of summer can bring about sadness, but in the education world, it symbolizes new and fresh beginnings along with excitement. We are anticipating an incredible year with your daughters and we are so excited to welcome all of our students back to campus when school begins on Tuesday, August 12—less than two weeks away! The energy is building here at NDA, and we can't wait to see the halls filled with your daughters' smiles once again.

Before we dive into the new school year, we hope every parent will join us for our **Parent Information Night on Thursday, August 7**. This evening is an incredible opportunity to connect with our NDA community. The event will begin with a Meet and Greet from 5:30 to 6:15 p.m., where you can enjoy light appetizers and take time to connect with our new president, Lauren Hitron, the new assistant principal, Stacey Turner, and me.

Following that, we will host the Parent Information Session from 6:15 to 7 p.m., where you'll hear about our goals for the year, receive important policy updates, be introduced to new faces, and hear about our rebranded Panda Parent Club (our version of a PTO). If you are a freshman parent, we invite you to stay from 7 to 8 p.m. for our Freshman Gift Gathering Party, a fun way to meet other new families and support NDA!

A special thank-you to the parents who met with me this week to offer thoughtful input as we finalize our updated cell phone policy. Your voices and partnership are helping shape a learning environment that puts student focus and well-being first.

Please be sure to read this week's entire Panda Press Weekly, as it contains very important back-to-school information to help your daughter start the year strong. Next week's Panda Press Weekly will highlight a few key changes at NDA, include key information, and will welcome our new faculty and staff.

Thank you for entrusting us with the privilege of walking alongside your daughters on this exciting journey. We're ready for a fantastic school year and can't wait to celebrate the start of it together!

As I will tell your incredible young ladies time and time again: Walk in Faith!

NOTRE DAME ACADEMY

Educating Women to Make a Difference

Dear NDA Families,

Welcome to Notre Dame Academy! It is truly an honor to begin my first year as President, and I am so excited to embark on this journey with you. Alongside our leadership team, dedicated faculty and staff, I look forward to walking with you during your daughter's high school years. Thank you for placing your trust in NDA as we help your daughter grow into a confident, compassionate woman who will make a meaningful impact on the world.

As we begin the school year, I encourage you to stay connected through the Panda Press Weekly, which is full of news, updates and helpful reminders. There are so many ways to get involved at NDA, from school events to volunteer opportunities, and the strength of our community truly comes from the participation of families like yours.

Like many of you, I am also new to NDA. What drew me here was the school's deep-rooted commitment to educating young women in a Catholic, academically rigorous environment. Since arriving, I have experienced firsthand the warmth, spirit and purpose that define this remarkable school. NDA is indeed a school devoted to Mary, inspiring young women to lead lives of purpose and goodness.

I am grateful to work alongside our new principal, Mrs. Timmerding, who brings both instructional leadership and a deep alignment with our Catholic values. Together, along with our exceptional Leadership team, faculty and staff, we are here to support you every step of the way.

Thank you for choosing Notre Dame Academy and Catholic education for your daughter. I look forward to getting to know you and your family in the year ahead.

Go Pandas!

PARENT INFORMATION NIGHT

We hope you'll join us for Notre Dame Academy's Parent Information Night on Thursday, August 7. This annual gathering is a wonderful way to connect with other parents, meet new faculty and staff, and learn more about the year ahead.

Unlike past years, we will host just one session for parents of students in all grade levels. The evening will begin with a **Meet and Greet** from 5:30 to 6:15 p.m., featuring light appetizers and the chance to connect with our new president.

The Parent Information Session will follow from 6:15 to 7 p.m., where we will highlight goals for the year, review key policies and share important updates about the upcoming school year.

Finally, from 7 to 8 p.m., freshman parents are invited to stay for our **Freshman Gift Gathering Party**—a fun opportunity to meet other new families while supporting NDA!

We look forward to seeing you there and starting the year together as a united NDA community.

NDA INTRODUCES PARENT CODE OF CONDUCT

A SHARED COMMITMENT TO MISSION, PARTNERSHIP AND RESPECT

As we begin a new school year, Notre Dame Academy is introducing a Parent Code of Conduct designed to strengthen the vital partnership between home and school. Rooted in our mission to educate young women to make a difference in the world, the Code outlines shared expectations, clear communication practices and a collaborative approach to supporting our students.

The Code highlights NDA's commitment to treating every student with respect and care, while also asking parents and guardians to uphold values and boundaries that foster a safe, mission-centered community. It includes steps for problem solving, guidelines for athletics and activities, and a shared language for navigating challenges with grace and integrity.

Parents will sign the Parent Code of Conduct through Final Forms as part of the back-to-school process. By working together, we can ensure that every Panda thrives academically, spiritually and personally.

We are grateful for your continued trust and support as we form young women of faith, character and leadership.

NEW CELL PHONE POLICY

TO BE SHARED AT PARENT NIGHT

Notre Dame Academy is finalizing updates to its cell phone policy, which will be introduced at Parent Information Night on Thursday, August 7. This important initiative is rooted in our mission to create an environment that prioritizes student focus, wellness, and formation.

This past school year, we shared insights from *The Anxious Generation* by Jonathan Haidt—a powerful exploration of how smartphones and social media affect student mental health. Haidt's message was clear: reducing students' screen time is critical to their emotional well-being and academic success.

Currently, NDA's policy requires students to keep phones off and put away from 8 a.m. to 3 p.m., but we recognize that enforcement can be inconsistent and that a more structured approach is needed. This summer, we invited parents, faculty, and staff to two roundtable sessions to offer feedback and explore solutions. We are deeply grateful to all who contributed to these thoughtful conversations.

The updated policy will be presented next week, and we look forward to working together to ensure it is implemented with care, consistency, and the shared goal of helping students thrive—both in the classroom and beyond.

IMPORTANT INFORMATION

FINALFORMS ACCOUNTS

FinalForms Updates Needed for the 25-26 School Year

Notre Dame Academy partners with FinalForms, an online forms and data management service which allows you to complete and sign forms for your daughter(s) online. FinalForms saves data from year-to-year, meaning you will never need to enter the same information twice! You may review your data at any time throughout the year to verify that it is current. All parents and students are expected to use FinalForms and complete their updates for next year by July 5, 2025 (if participating in athletics) or by the first day of school. FinalForms is active now and if support is needed, please contact the school or office.

Students who want to participate in athletics must upload a valid, signed KH-SAA physical form in Final Forms before participating in any athletic activities, including conditioning workouts, open gyms and tryouts for all sports. The KHSAA physical form can be found [HERE](#). If you do not have a FinalForms account, please create one account at:

<https://notredameacademy-ky.finalforms.com>

and follow the prompts to create the parent account, begin your daughter's account and sign your forms. Your daughter's NDA gmail must be used when setting up her account. Once the parent/guardian creates the account, the student will be prompted in her NDA email to submit her forms. Please note: if you have already turned in your daughter's immunization record, you do not need to upload it separately. School personnel will upload it for you.

If a NDA student is struggling to login, click on the button "Login with Google." The username and password should then be recognized.

If you already have an account for a current NDA student and need to add another daughter: Login to your account and click MY STUDENTS to add another student to your account and make any updates for your returning student. Make sure you are updating information for the 25-26 school year. If you have any issues or concerns, please do not hesitate to contact Mrs. Lisa Timmerding at timmerdingl@ndapandas.org.

You won't want to miss next week's Panda Press Weekly! We'll be sharing important updates on new policies and introducing our amazing faculty and staff.

NUMWORKS CALCULATOR REQUIRED FOR 2025–2026 MATH COURSES

Dear NDA Community,

In wrapping up the current 2024-2025 school year, the math department at Notre Dame Academy has also been reviewing our students' supplies list in preparation for next school year. You may recall that we highly encouraged the purchase of a NumWorks calculator in early August of last year, and we have found this device to be extremely beneficial for our students and their learning. With that being said, we wanted to communicate as early as possible to our families that **all students will be expected to have a NumWorks calculator for their math classes in the 2025-2026 academic year.**

For those who may be unfamiliar with NumWorks, it is a more modern and intuitive graphing calculator developed in collaboration with teachers and designed with today's students in mind. Inspired by the electronic devices that students use daily, this calculator's app-based design empowers them to explore and discover mathematics on their own. NDA's math department believes that equipping our students with this device will allow us to make math education accessible and approachable for all students.

The NumWorks graphing calculator is included on the list of permitted calculators for all College Board tests (PSAT, SAT, and AP) and it also meets the requirements for the ACT calculator policy. You can read more about exam compliance at <https://www.numworks.com/calculator/exams/>.

The NumWorks graphing calculator (intended to replace the TI-84) costs \$99, but there is also a FREE app version of the calculator for all phones, iPads, and laptops. The NDA math department was able to generate a discount code for any NDA students interested in purchasing this calculator at a discounted rate. More information about the NumWorks graphing calculator can be found at <https://www.numworks.com/>. We encourage you or your daughter to explore this option in preparation for the upcoming academic year.

Below is a 10% discount link that allows you to purchase a NumWorks graphing calculator for \$89.99 instead of the typical retail price of \$99.99. Please note that this link will expire on July 31st. All calculators purchased through this discount link will be shipped directly to school where students will receive their new calculators in their math classes.

Please do not hesitate to reach out if you have any questions or concerns. We hope everyone has a wonderful, relaxing summer!

Leslie Litmer
