

## Dear Parents,

We continue *Radiating God's Goodness* at NDA this school year. It's been another busy week with all sorts of wonderful events and learning opportunities for our students. I hope your daughter shares some of her experiences with you each day.

This past Saturday morning, we commemorated the installation of our new President, Mrs. Trish Miller. The event marked a significant milestone for NDA and was a truly wonderful celebration. You can read more about it in a message from Mrs. Miller on the following page.

If you would like to learn more about what your daughter's daily school schedule looks like, I invite you to join us for our annual Parent Mini-Night next Wednesday, September 6. The evening is designed to give you a shortened "day in the life" of your student. This is a great chance for you as parents and guardians to visit NDA and walk through your daughter's schedule. It is also a good opportunity for you to meet your daughter's teachers and get better acquainted with other NDA parents. You will be following your daughter's Monday schedule on Parent Mini-Night. Students will be provided with a mini-night schedule template on Tuesday. They will fill it out for you to make sure that you get to the right classrooms that evening. Our faculty and administration hope that this night will be both informative and enjoyable for you. I look forward to seeing you next Wednesday evening!

**PLEASE NOTE: Due to Parent Mini-Night, NDA will begin classes at 9:00 a.m. on September 7 (next Thursday).**

I am happy to report that our parents get an A+ on parking in the correct spots in the parking lot each afternoon for pick-up. This has made for a safe and efficient daily dismissal and would like to take this opportunity to say "thank you" to our parents and students for following our afternoon dismissal plan so well.

I hope our freshmen and transfer students are beginning to feel right at home at NDA. A new school can be a challenging transition for some students. The health and well-being of our students is very important to us so please don't hesitate to reach out to our Student Services Department if you feel like your daughter could use some extra support during her transition to NDA.

Thank you for choosing Notre Dame Academy for your daughter's Catholic education. It is our privilege to educate the young women of NDA in the tradition of the Sisters of Notre Dame.

In Notre Dame,

Mr. Jack VonHandorf

Dear NDA Community,

I am filled with gratitude and joy after the wonderful installation ceremony this past weekend. The warm welcome and support of the NDA community have deeply touched my heart as I step into the role of President at Notre Dame Academy.

I would like to extend my heartfelt appreciation to Bishop Iffert for presiding over the installation ceremony. His presence and words of wisdom added a special touch to the occasion and are very much appreciated.

I also want to express my sincere gratitude to our esteemed past presidents, Sr. Mary Lynette Shelton and Dr. Laura Koehl, for their guidance and leadership. Their dedication to the mission of Notre Dame Academy, as well as that of Sr. Mary Shauna Bankemper who could not be with us on Saturday, has paved the way for the excellence we continue to uphold at NDA.

A special thank you goes out to the NDA Board of Directors for their strong commitment to the school's mission and vision. Their support is invaluable as we chart the course for the future.

To the installation planning committee, whose meticulous planning and attention to detail made the event a seamless and memorable one, their hard work behind the scenes did not go unnoticed.

I would also like to acknowledge the incredible efforts of our NDA administration, faculty, staff and students who played a significant role in the ceremony. Your dedication and enthusiasm are very much appreciated.

Finally, thank you to our NDA Pandatones and our talented faculty musicians for providing the beautiful music that accompanied the event. Thank you for sharing your gifts on this special occasion.

As I reflect on the installation ceremony, I am reminded of the strong sense of community and shared values that make Notre Dame Academy such a special place. Together, we are embarking on an exciting journey of growth, learning and collaboration in the tradition of the Sisters of Notre Dame.

Thank you once again for your warm welcome and support. I am truly honored to serve as the President of Notre Dame Academy and look forward to all that we will accomplish together.

Proclaiming God's goodness and provident care,

Trish Miller  
President, Notre Dame Academy

## THIS IS ONLY A TEST... SWIFTK12 EMERGENCY NOTIFICATION ALERT

Notre Dame Academy uses SwiftK12 to communicate emergencies to the school community or to push out messages very quickly. The system syncs up with PowerSchool and uses the phone numbers and emails we have in the system (the same information that families submitted or updated using FinalForms). A practice alert will be conducted this Thursday. If you do not receive the message or if there is an error in receipt, please contact the school office, so we can make any necessary changes.

## TRAINING:

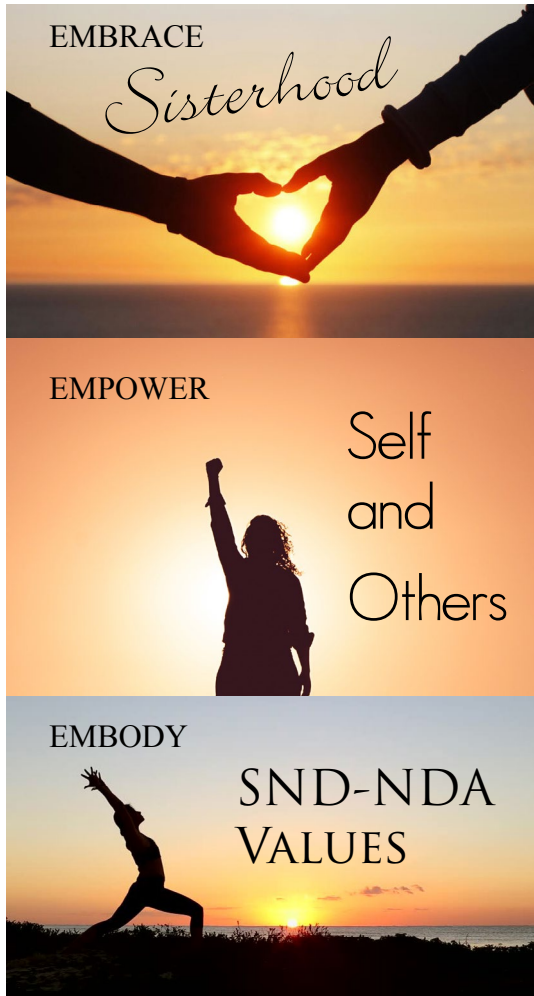

# HONOR CODE, PPT AND ALICE

This week freshmen attended a session that focused on the Honor Code of NDA, expectations for Panda Prime Time and ALICE – NDA's response to an active, internal threat situation.

The Honor Code highlights the key principles of NDA. Embrace Sisterhood / Empower Self and Others / Embody SND-NDA Values. The girls will have the opportunity to sign a banner agreeing to those principles and values and it will be displayed in our auditorium as - Class of 2027.

Panda Prime Time (PPT) is time allotted to the student body two times a week when students can receive extra help, make up assignments, speak to a counselor, or sit quietly and work. The freshmen were reminded of the expectations of that time as this is so new and provides them with a great deal of freedom and responsibility.

The ALICE program defines response options during active threat situations and mentally prepares our school community to respond in ways that will increase chances of survival. ALICE is one part of our school's comprehensive safety program and stands for Alert, Lockdown, Inform, Counter and Evacuate. If an internal threat exists, NDA will go into lockdown and all will employ ALICE. If evacuating the building, students, faculty and staff should report to one of two Rally Points, and from there, buses will transport them to NDA's Family Reunification Center where parents/guardians or emergency contacts will be permitted to pick up their daughters. More information regarding ALICE along with practice drills will occur for the students. This was simply a brief introduction.

# Friendly Reminder!

## LATE START THURSDAY

# REMINDER FOR NEXT WEEK

NDA will begin classes at 9:00 a.m. on September 7 (next Thursday) due to Parent Mini-Night starting at 7:00 p.m. on September 6.

A SUCCESS!

## NEON NIGHT

On Saturday August 26, students from NDA and other neighboring schools joined together for a night of dancing while wearing the glow of neon colors. The evening was a success with many freshmen and upperclassmen enjoying camaraderie and fellowship while showing off their dance moves. A special thanks should be given to the DJs of Student Council who controlled the music and kept everyone on their feet! They worked to hype up the dancers, encourage students to groove, and have a great night. The members of Student Council also worked to plan, set up, execute, and clean up for the mixer which deserves recognition as well. Thank you also to Ms. Hilbert and Mrs. Kroger, as well as the chaperones who attended and made the evening possible. It was a successful and fun evening!

# FROM THE SCHOOL NURSES' OFFICE

Dear Parents and Students,

We hope you are all doing well and gearing up for the fall season ahead! As we know, this time of year often brings a spike in illnesses, and we want to make sure we're all taking steps to stay healthy and look out for one another.

One of the ways we live the Gospel message of Jesus at NDA is by taking care of ourselves and showing consideration for others. With that in mind, **the most important health tip we can give you is this: If you're not feeling well, please stay home.** It might seem like a simple thing, but staying home when you're not feeling your best can make a huge difference in preventing the spread of germs. By taking care of ourselves, we're also looking out for the health of our students, faculty and staff.

## Here are a few items regarding our policies and procedures regarding student illnesses:

- We recommend following CDC guidelines for illnesses. Here are some valuable resources for your family during this respiratory illness season:
  - [CDC Influenza Information](#)
  - [CDC COVID-19 Information](#)
- Please keep NDA updated on any health related issues involving your daughter by contacting our school nurses, Tina Sizemore, RN. and Julie Neubacher, RN., at 859.292.1843 or [ndanurse@ndapandas.org](mailto:ndanurse@ndapandas.org).
- If your daughter feels sick during the school day, she should come to the office and see the school nurse. The nurse will evaluate your daughter's condition and contact you if necessary.
- If your daughter is ill, call the office by 7:45 a.m. (859-292-1821) and speak to or leave a message for Mrs. Sue McLeod. You can also email the office at [attendance@ndapandas.org](mailto:attendance@ndapandas.org).
- Please remember, if your daughter is absent for illness, she should not return to school until she has been fever free for at least 24 hours.

## We also want to share a few other tips that can help us all stay in good shape this fall:

- wash hands frequently with soap and water
- avoid touching eyes, nose and mouth
- clean and disinfect frequently touched surfaces
- practice healthy habits: get plenty of sleep, be physically active, manage your stress, drink plenty of fluids and eat nutritious food

Thank you for being part of our caring community. If your daughter is feeling unwell, don't hesitate to reach out to us. Let's make this fall season a healthy and happy one by looking out for ourselves and one another.

Take care and stay well,

Tina Sizemore, RN. and Julie Neubacher, RN.

IT'S A BOY!

## DISCOUNT CARD FUNDRAISER

**LAST CHANCE:** Parents of Athletes must make your selection for the Athletic Fundraiser option in Final Forms by Sept. 1, 2023.

Every Athlete at NDA must participate in the Athletic Fundraiser. This year the fundraiser is brand new and features a Plastic Discount Card. You get discounts to local merchants from a plastic credit card size card that fits conveniently in your wallet. The card contains discounts to approximately 20-24 local merchants and restaurants on the back of the card. These discounts can be used multiple times and are good for one year. Also included are 4-5 Key Tags that can fit on your keyring that contain discounts to restaurants or merchants that are single one-time use discounts. The discount cards are sold for \$20 each.

You have until Sept 1 to make your selection. You have 3 options available to choose from for your athlete's participation. (refer to chart below)

- You can sell all 18 cards (Pay NO fundraiser fee)
- You can opt in at half - sell 9 cards (half the cards, but also pay half of the additional fundraiser fee of \$140)
- Or opt OUT completely and sell NO cards, but pay a full fundraiser fee of \$280

### Discount Card Fundraiser Requirements

Select an option for each child participating in Athletics below **by September 1, 2023**.  
**If no option is selected, or a student chooses to participate in athletics after September 1, 2023, the student will owe the "Sell No Cards" cost.**

If you are unsure whether your daughter plans to participate in athletics, you may want to select the "Sell No Cards" option so that cards are not produced for you and you are not held financially responsible for those printed cards.

Children	Sell All Discount Cards			Sell Half Discount Cards			Sell No Discount Cards		
	Your Fundraiser Cost	Cards To Sell per Child	Total Due per Child	Your Fundraiser Cost	Cards To Sell per Child	Total Due per Child	Your Fundraiser Cost	Cards To Sell per Child	Total Due per Child
Child 1	\$0	18 (Turn in \$360)	\$360	\$140	9 (Turn in \$180)	\$320 (\$140 your cost + \$180 in discount card sales)	\$280	None	\$280
Child 2	\$0	14 (Turn in \$280)	\$280	\$110	7 (Turn in \$140)	\$250 (\$110 your cost + \$140 in discount card sales)	\$220	None	\$220
Child 3	\$0	8 (Turn in \$160)	\$160	\$65	4 (Turn in \$80)	\$145 (\$65 your cost + \$80 in discount card sales)	\$130	None	\$130

Once you have made your selection in Final Forms, after September 1, 2023 and the cards have been produced for you, the cards are yours to sell and your responsibility.

If your daughter is unsure if she will participate in a sport (for instance in the spring) you may want to choose the "sell no cards" option. If she decides not to do a sport at all you will not be billed the fundraiser fee, as no cards were produced for you.

If NO SELECTION is made you will fall into the category of "Sell No Cards" and be billed the full \$280 fundraiser fee for participating in a sport.

- Discount Cards will be delivered to NDA and picked up by students in mid October.
- A spreadsheet of the card sales must be uploaded by the student to a provided link on our website (for tracking purposes)
- All Money for the cards turned in to the Athletic Department by December 15, 2023

**Review your fundraiser selection in Final Forms (Discount Card Fundraiser Tab) to select the option that best fits your needs.**
