

NOTRE DAME ACADEMY

Educating Women to Make a Difference in the World

Panda Press Weekly

September 3, 2025

THE *nda* LIFE

Dear Panda Families,

In moments of both joy and sorrow, our community at Notre Dame Academy comes together as family. This week we are united in grief but also in gratitude as we remember a woman whose life and legacy shaped generations of students at NDA.

Early this morning we learned that Sister Paul Ann was called home to God, bringing to a close a life dedicated to 73 years of religious service and 43 years of devoted ministry at Notre Dame Academy.

Before school today our faculty and staff gathered in the chapel to pray the rosary for Sister Paul Ann. In the coming days our community will continue to honor her life with prayer. We are planning a schoolwide prayer service likely on Friday, and next week students will pray a living rosary for her. They will also honor her funeral procession with some serving as an honor guard, others attending in person and the rest participating from school via livestream.

Born Helen Margaret Hanneken on January 15, 1932, Sister Paul Ann entered the Sisters of Notre Dame in 1950, professed vows in 1952 and her perpetual profession in 1957. She began her ministry teaching in local schools before being called to leadership within her community. When she returned to NDA, she made her greatest impact as a guidance counselor, admissions director and longtime co-director of the Work Study Program with Sister Mary Rachel Nerone. This program made an NDA education possible for countless families and instilled in generations of Pandas both pride and responsibility in supporting their school.

Sister Paul Ann embodied our theme this year — *Sisters in Mission: Walk Humbly. Serve Boldly. Shine with Grace.* She walked humbly as a woman of prayer, served boldly in her dedication to Catholic education and shone with grace in her joyful, fun-loving spirit. Whether cheering at a game, greeting students with kindness or offering prayers for families in need, she proclaimed God's goodness through the joy with which she lived her vocation.

She will be remembered as the best of the best — an extraordinary servant leader whose life reflected the very heart of our mission. Funeral and visitation details will be shared when available. In the meantime, I ask you to join me in prayer for Sister Paul Ann, for her Sisters of Notre Dame community and for all who loved her:

*Eternal rest grant unto her, O Lord, and let perpetual light shine upon her.
May she rest in peace.*

Her legacy of joy, service and faith will live forever at NDA.

LIGHT THE NIGHT SPONSORSHIP OPPORTUNITIES

BE A PART OF LIGHT THE NIGHT FOR NDA

Sponsorships are an impactful way to be part of *Light the Night for NDA*, especially if you cannot attend the event. As our largest fundraiser of the year, *Light the Night for NDA* plays a vital role in supporting our students, programs, and the mission of Notre Dame Academy.

As we enter the 120th school year here at NDA, a special opportunity is our **\$250 Fourth Floor Sponsorship**, named in honor of the Sisters of Notre Dame who live on the fourth floor of our school building. This sponsorship is a meaningful way to celebrate **120 years of innovative Catholic education for young women** at NDA while paying tribute to the Sisters whose vision and dedication have shaped our mission.

If you are interested in sponsoring Light the Night for NDA, contact Myanna Webster at websterm@ndapandas.org.

SERVANT LEADERSHIP

SERVICE OPPORTUNITIES

Students should check out the Upcoming Service Opportunities link on the Padlet each week for service projects and agencies in our area that are in need of volunteers.

The Notre Dame Urban Education Center is in need of tutors for their afterschool program. Students can sign up using [this link](#). NDUEC student volunteers also need to have a completed [Emergency Contact form](#) when they come to volunteer at the center.

PILGRIMAGE RETREAT JUNIOR RETREAT

The juniors have been assigned to one of three retreat dates: Sept 15, 16 or 17. These lists were shared with the juniors last week. All juniors will participate in the Pilgrimage Retreat which allows them to explore local sacred spaces such as Mother of God, Sts Boniface and James and St. Benedict Churches. While there, students will take part in personal and communal prayer. The retreat runs 9:00 a.m - 2:45 p.m. On the two days that they are not assigned to a retreat they must attend classes as normal. More information will be shared with the juniors early next week regarding what to bring and how to dress.

"LINGUA LATINA VIVIT" (THE LATIN LANGUAGE LIVES) LATIN MASS AT NDA

We are so excited to welcome you all to the first Latin Class Mass in our Mary, Mother of the World Chapel. This is a great way to experience the Latin Language in a way that is connected to the tradition and practice of our Catholic Faith. This will be the Novus Ordo mass in Latin - which is the English mass that we typically attend, but in the Latin Language. (Just as if you were to attend mass in France - it would be in the Novus Ordo in French.) This is NOT the Tridentine Latin Mass.

We look forward to celebrating this mass with you all on Sept. 25 at 3:15 p.m. and pray that it is a tradition that we can continue in the years to come.

SERVICE IN ACTION FRESHMAN CLASS PROJECT SUPPORTS FAMILIES IN NEED

Before the school year began, our freshman class came together for a service project creating dog toys for the Purple Leash Project. This initiative supports families escaping domestic violence by making sure their pets can remain with them during times of crisis.

Last week, our admissions team delivered the toys to the Ion Center for Violence Prevention in Covington. From there, they will be sent to the Ion Center's Maysville, Kentucky, location, a pet-friendly domestic violence shelter.

We are proud of our freshmen for beginning their NDA journey with service and compassion, and we are grateful to our admissions department for helping ensure their efforts reached families in need.

FRESHMAN BIOLOGY STUDENTS ENGINEER CREATIVE WATER TOWERS

Last week, freshman biology students faced an exciting challenge. They were tasked with using their knowledge of technological and experimental design to create a “water tower” from everyday household items. The towers needed to stand 50 cm tall and support the weight of 100 pennies. As they designed their solutions, students had to consider various factors, including budget, available materials, and time constraints. It was truly amazing to witness how each group worked together, and how they used their problem solving skills to create so many unique towers!

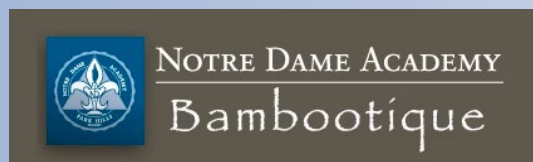

ATTENTION PARENTS

HAVE YOU CREATED A POWERSCHOOL PARENT ACCOUNT?

PowerSchool parent accounts provide a wealth of information about your daughter's attendance and academic progress as well as other information. If you have not yet created a PowerSchool parent account, you will need an Access ID and Access Password available from Mr. Schlosser to get started. Instructions on how to create the parent account can be found on the NDA website by following the Resources > PowerSchool link.

<https://www.ndapandas.org/current-students/resources/powerschool>

Note that there are two sets of directions, one for creating the parent account the first time and another if you wish to add an additional daughter to an existing account (even if that account is for a daughter who is now an alumna). If you have any questions or run into any problems creating the parent account, please contact Raymond Schlosser at schlosserr@ndapandas.org or (859) 292-1846.

CAMPUS SAFETY

CAMPUS SAFETY

PREPARED, PRACTICED AND PROTECTED

At Notre Dame Academy, the safety of our students is a top priority. With the guidance of our new School Resource Officer and the support of the Kentucky Center for School Safety, we continue to strengthen our emergency preparedness efforts. Alongside our Crisis Management Team, we regularly practice a range of drills to ensure students and staff are ready for any situation.

These include Run, Hide, Fight training, fire drills and severe weather procedures. Each drill is approached as a serious practice for real-life preparedness, and our students continue to impress us with their calm and responsible participation. Faculty consistently remark on the courage and maturity students display during these exercises.

By partnering with experts and integrating these practices into our school routine, NDA is committed to providing a safe and faith-filled environment where every student can focus on learning, growing, and thriving.

XC Teams Push Through Tough Week of Training, Ready for Big Races Ahead

The Notre Dame Academy cross country team had a strong week of training, tackling repeat intervals, pacing the infamous Hill Yeah workout, and finishing the week with a steady moderate run and long runs. The team's effort this week echoed this year's motto "the body can achieve what the mind believes".

9/6 brings two big races:

- The Rumble In the Jungle – Many of the Varsity runners are heading south to compete against some of the top talent in the State.
- Diocese Meet – The rest of the team will represent NDA at the Diocese schools meet at Villa. Races beginning at 8:00 a.m. and they would enjoy any Panda support!

The team's spirit and momentum are building as the season takes shape, and the Pandas are eager to keep pushing toward their goals. Go Pandas!

Soccer

Last week the Pandas took on 2 tough opponents, Badin (OH) and #12 Bishop Brossart

The Badin match was won on last minute heroics by Sophomore, Taylor Murphy. She collected the ball from 30 yds out, weaved through a couple opponents and took a shot from the top of the box, which zipped past the keeper and into the net. Pandas won the match 1-0.

On Wednesday, The Pandas took on local opponent, Bishop Brossart. It was an eventful match with tons of back and forth action. Sadie Yapp scored early on a beautifully played ball in behind by Julia Stegman. The Pandas went ahead 1-0. Unfortunately for us, the Mustangs came up with an equalizer later in the match, which ended 1-1.

This week, Varsity and JV head South to take on #4 Simon Kenton and then head to Indiana on Saturday to take on the Carmel Greyhounds.

Golf

The Varsity Golf Team had a match with St. Henry and came away with a win. The Varsity Golf Team also competed in the Gene Hilen Invitational in Frankfort on Saturday, August 30. While the team was missing the 2 players and playing a tough course, they still had a team total under 400.

This week there are several matches scheduled: Varsity Matches against St. Ursula and Conner, and the Marcus Camacho Invitational in Dry Ridge on Saturday. JV has scheduled matches with Conner and Campbell County.

GRIEF SUPPORT GROUP

Notre Dame Academy is partnering with the St. Elizabeth STARS program to offer a grief support group for our students. This on-site group will meet during the school day on alternating days for five sessions. Each session will focus on important themes such as telling your story, processing feelings, navigating changes, family, and memories.

To determine interest, we are asking students and parents to complete this brief form: [Grief Group Interest Form](#). Once we know the level of interest, we will finalize a schedule.
