*Living our story of God's Goodness!*

Dear Friends of NDA,

I hope this email finds you well - filled with hopeful anticipation of warm weather and the beauty of God's creation. Spring is underway at NDA as our students and teachers look to the final weeks of the school year. It has been a very blessed and productive year living our story of God's goodness. This is certainly evident in the lives of our students, teachers, staff, parents and alumnae.

Speaking of individual stories - we would love to hear from you! As you may know, we have an online Alumnae Survey available to collect your news and valuable feedback. Your time and effort are greatly appreciated and will help us to stay informed and in touch. We would also love to hear more about your experience at NDA and ways in which we can continue the NDA tradition of excellence in Catholic education.

I look forward to seeing many of you at the annual Alumnae Dinner theater this Thursday. It promises to be a fun-filled evening with fellow alumnae - enjoying dinner, drinks, desserts and the NDA/CCH performance of *Seussical the Musical*.

Please know we welcome any opportunity to meet with you or host a visit for you and your friends at NDA. This includes class reunions and regular class gatherings. You might also be interested in our next Speaker Series event, Our Lady: Getting to Know Our Patron, on May 4 at 7:00 p.m. If you would like to attend the Alumnae Dinner Theater (reservations due 4/13 at noon), Speaker Series, visit NDA, or inquire about a reunion, please contact our Alumnae Coordinator, Ms. Emily Berling at [berlinge@ndapandas.org](mailto:berlinge@ndapandas.org).

Recently, I started conducting exit interviews with our graduating seniors, the class of 2016. So far it has been rewarding and insightful to get feedback on their NDA experiences and the exciting plans they have for their futures. At these meetings, I take the opportunity to discuss what it means to be an alumna of NDA. First and foremost, I let our new graduates know that they will always be a part of the NDA community, just as each of you are. I hope they will find this new relationship with our school to be one that is filled with God's Goodness and Provident Care. I trust you will agree that this relationship does not end, it is always a part of our journey.

On behalf of our faculty, staff and students thank you for all you do to fulfill our mission to make a difference in our world. I am especially grateful for the many ways you support our school.

May you know God's Goodness this day and always.
