## LETTER FROM THE PRINCIPAL ◀

Dear Parents,

I hope you had time to read the letter you received earlier today from NDA President Dr. Laura Koehl. In case you missed it, the letter can be found on the following page. While we are very happy for Dr. Koehl as she embarks upon a new professional opportunity as the Executive Director of the SND National Sponsorship and Network Office, we are certainly going to miss her at NDA. I hope you will join me in congratulating Dr. Koehl on her new role and thanking her for her leadership and commitment to Catholic education at Notre Dame Academy.

I am happy to report that our faculty and staff received their second COVID-19 vaccinations on Sunday. I would like to take this opportunity to thank them for their dedication to the students of NDA this past year. At the beginning of this global pandemic, I asked our teachers to be adaptable, flexible and creative. I can tell you first-hand that they have been all of those things and more. The lengths our faculty members have gone to throughout these challenging times in order to provide the exemplary education NDA is known for is unprecedented. I could not be more proud of their dedication and willingness to make sacrifices for their students. We are very blessed to have a faculty of this caliber at Notre Dame Academy.

I would like to thank the Pandaversity Club for leading our Black History Month celebration this February. I am encouraged by the initiative our students have shown in establishing the Pandaversity Club this school year. The message of inclusivity that the club promotes is very much in line with our Catholic teachings as well as with our theme this year - *Uniting Humankind as Reflections of God's Love* - which is based on the second Educational Principle of the SNDs: *The Human Dignity of Each Person as an Image of God*.

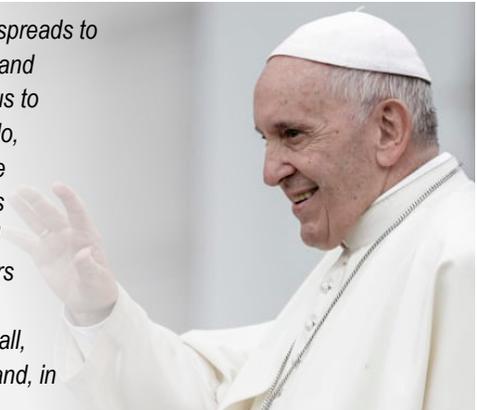

Finally, this week we join our nation in remembering the 500,000 Americans lost to COVID-19. Our flags flying at half mast are a very noticeable reminder of this solemn occasion. While we are encouraged that COVID-19 numbers are declining, we cannot forget those who lost their lives to COVID-19 and their loved ones left behind. Let us open our hearts to remember those who have died from coronavirus and pray that God will strengthen their families and friends through this very difficult time.

Thank you for allowing us to partner with you in your daughter's Catholic education. Please know that you are in our prayers throughout this season of Lent.

In Notre Dame,

Mr. Jack VonHandorf

*In the vine that is Christ, the Spirit is the sap that spreads to all the branches. The Spirit blows where he wills, and everywhere he wants to restore unity. He impels us to love not only those who love us and think as we do, but to love everyone, even as Jesus taught us. He enables us to forgive our enemies and the wrongs we have endured. He inspires us to be active and creative in love. He reminds us that our neighbours are not only those who share our own values and ideas, and that we are called to be neighbours to all, good Samaritans to a humanity that is frail, poor and, in our own time, suffering so greatly.*

*A humanity lying by the roadsides of our world, which God wants to raise up with compassion. May the Holy Spirit, the source of grace, help us to live in gratuitousness, to love even those who do not love us in return, for it is through pure and disinterested love that the Gospel bears fruit. A tree is known by its fruits: by our gratuitous love it will be known if we are part of the vine of Jesus.*

- Pope Francis

## NOTRE DAME ACADEMY

*Educating Women to Make a Difference*

Dear Parents,

I am writing to you today to share some exciting yet bittersweet news with you. I have been offered the opportunity to take on a new role within the SND USA organization. Beginning on September 1, I will serve as the Executive Director of the SND National Sponsorship and Network Office and Chief Operating Officer of the National Ministry Corporation. Through this new role I will lead the office which provides direction and support to SND sponsored and affiliated ministries in advancing the Educational Vision & Principles of the Sisters of Notre Dame. I am grateful to have the opportunity to serve in this new role, but at the same time saddened at leaving Notre Dame Academy where I have had the pleasure of serving as teacher, principal and president throughout the past 15 years.

According to the NDA Bylaws, the NDA Board of Directors is responsible for conducting a search and hiring a President with the approval of the SND USA administration. The NDA Board of Directors will work in collaboration with a search committee and the NDA leadership team in conducting the search for a new President of NDA.

The transition to a new President will not happen overnight. As a matter of fact, I will continue in my role as President of NDA until September 1 or until our Board of Directors hires a new President of NDA. After that date, I will continue as NDA President Emerita in order to provide continuity if a new president has not yet been named.

I would like to thank you, our parents, for all you do in advancing the mission of Notre Dame Academy. It has been a privilege to work with such dedicated and talented people over the past 15 years. I sincerely appreciate your dedication to Catholic education and thank you for entrusting your daughter to our care.

I would also like to express my gratitude to Mr. VonHandorf, the faculty, staff and administrative team at NDA. It has been a blessing to work with colleagues who share my deep commitment to the mission of Notre Dame Academy. Their passion for Catholic education and allegiance to the students of NDA has never been more evident than this past school year.

Please feel free to reach out to me if you have any questions or concerns however, I assure you that throughout this transition, Notre Dame Academy will continue to move forward carrying on the good work of the Sisters of Notre Dame - educating young women to make a difference in the world.

May you know God's goodness each day,

Dr. Laura Koehl  
President, Notre Dame Academy

## DRUG FREE CLUB ◀

Many of NDA's DFCA members are considered "Unconfirmed Members" because they have not yet fully completed the submission of their test results from the Home Testing Kits. If your student has not yet received their Member ID card in the mail, they are probably an "Unconfirmed Member."

**There is a simple fix for this!** The parent/guardian must complete the simple [test result form](#) to confirm with the Drug Free Club that the student achieved a drug-free test using the Home Test Kit that was mailed to your home. To accomplish this, the Parent/Guardian needs the student's Drug Free Club ID Number, which can be found in 3 places: previous emails to parents from Drug Free Club, on the top left of the student's DFCA Member ID card from last year, or from Mrs. Hildreth.

As soon as this step is completed, club status will be updated, and the student will receive in the mail their personalized Club ID Card and the Key Tag for **Confirmed, Active Members!** A temporary ID card can immediately be printed upon completion of the form, and the student is then eligible for all of our rewards! Contact Mrs. Hildreth with any questions.
